<i>Nothing But The Truth Chapter Summaries</i>	<i>2020-09-09</i>	THIEF. <i>The Secret Life of Bees</i> Houghton Mifflin Harcourt Lubet's Nothing But The Truth presents a novel and engaging analysis of the role of storytelling in trial advocacy. The best lawyers are storytellers, he explains, who take the raw and disjointed observations of witnesses and transform them into coherent and persuasive narratives. Critics of the adversary system, of course, have little patience for storytelling, regarding trial lawyers as flimflam artists who use sly means and cunning rhetoric to befuddle witnesses and bamboozle juries. Why not simply allow the witnesses to speak their minds, without the distorting influence of lawyers' stratagems and feints? But Lubet demonstrates that the craft of lawyer storytelling is a legitimate technique for determining the truth andnot at all coincidentallyfor providing the best defense for the attorney's client. Storytelling accomplishes three important purposes at trial. It helps to establish a "theory of the case," which is a plausible and reasonable explanation of the underlying events, presented in the light most favorable to the attorney's client. Storytelling also develops the "trial theme," which is the lawyer's way of adding moral force to the desired outcome. Most importantly, storytelling provides a coherent "story frame," which organizes all of the events, transactions, and other surrounding facts into an easily understandable narrative context. As with all powerful tools, storytelling may be misused to ill purposes. Therefore, as Lubet explains, lawyers do not have carte blanche to tell whatever stories they choose. It is a creative process to be sure, but every story must ultimately be based on "nothing but the truth." There is no room for lying. On the other hand, it is obvious that trial lawyers never tell "the whole truth," since life and experience are boundless and therefore not fully describable. No lawyer or court of law can ever get at the whole truth, but the attorney who effectively employs the techniques of storytelling will do the best job of sorting out competing claims and facts, thereby helping the court arrive at a decision that serves the goals of accuracy and justice. To illustrate the various challenges, benefits, and complexities of storytelling, Lubet elaborates the stories of six different trials. Some of the cases are real, including John Brown and Wyatt Earp, while some are fictional, including Atticus Finch and Liberty Valance. In each chapter, the emphasis is on the narrative itself, emphasizing the trial's rich context of facts and personalities. The overall conclusion, as Lubet puts it, is that "purposive storytelling provides a necessary dimension to our adversary system of justice." <b>Truth, Transparency, and Trust</b> FT Press From the award-winning and New York Times bestselling author of <i>Once</i> and for <i>All Expect the Unexpected</i> . A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading
<b>HERRING HOOPER</b>		local lawyer—risks everything to defend a black man unjustly accused of a terrible crime. <i>Nothing But the Truth</i> Candlewick Press Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade. <i>The Hate U Give</i> Scholastic UK From the co-author of <i>Black Mass</i> comes a gripping YA novel based on the true story of a teenage girl's murder — and a young father's false imprisonment for the crime. On a hot summer night in the late 1980s, in the Boston neighborhood of Roxbury, a fourteen-year-old African-American girl was sitting on a mailbox talking with her friends when she became the innocent victim of gang-related gunfire. Amid public outcry, an immediate manhunt was on to catch the murderer, and a young African-American man was quickly apprehended, charged, and — wrongly — convicted of the crime. Dick Lehr, a former reporter for the Boston Globe's famous Spotlight Team who worked on this story three decades ago, brings the case to light once more with Trell, a page-turning novel about the daughter of the imprisoned man, who persuades a reporter and a lawyer to help her prove her father's innocence. What pieces of evidence might have been overlooked? Can they manage to get to the truth before a dangerous character from the neighborhood gets to them? <i>The Giver</i> Holt Rinehart & Winston In <i>Nothing But the Truth</i> , her first book, her interest and knowledge in both Sociology and Anthropology is readily visible as she reveals the often hidden but ever-present evil that lurks within the human nature. Each small rural community has its own distinctive “culture,” often driven by a relative few local citizens. In such communities there are people who, upon first contact, seem warm and welcoming. However, “outsiders” quickly discover the intolerance of those who do not appreciate new ways of doing things; those always are more comfortable keeping things static than operating in new and otherwise accepted ways. It always has been this author's motto “to do the right thing no matter what.” Following that motto has inherent negative side effects as noted by another author, Ernest Hemingway. He said “The best people possess a feeling for beauty, the courage to take risks, use discipline to tell the truth and the capacity for sacrifice, ironically it is their virtues that that make them vulnerable. They are wounded; sometimes destroyed.” <b>A Portrait of the Artist as a Young Man</b> Harper Collins The Newbery Medal and Coretta Scott King Award-winning classic about a boy who decides to hit the road to find his father—from Christopher Paul Curtis, author of <i>The Watsons Go To Birmingham—1963</i> , a Newbery and Coretta Scott King Honoree. It's 1936, in Flint Michigan. Times may be hard, and ten-year-old Bud may be a motherless boy on the run, but Bud's got a few things going for him: 1. He has his own suitcase full of special things. 2. He's the author of <i>Bud Caldwell's Rules</i> and <i>Things for Having a Funner Life</i> and <i>Making a Better Liar Out of Yourself</i> . 3. His momma never told him who his father was, but she left a clue: flyers advertising Herman E. Calloway and his famous band, the Dusky Devastators of the Depression!!!!!! Bud's got an idea that those flyers will lead him to his father. Once he decides to hit the road to find this mystery man, nothing can stop him—not hunger, not fear, not vampires, not even Herman E. Calloway himself. James Comey, former FBI Director and New York Times bestselling author of *A Higher Loyalty*, uses his long career in federal law enforcement to explore issues of justice and fairness in the US justice system. James Comey might best be known as the FBI director that Donald Trump fired in 2017, but he's had a long, varied career in the law and justice system. He knows better than most just what a force for good the US justice system can be, and how far afield it has strayed during the Trump Presidency. In his much-anticipated follow-up to *A Higher Loyalty*, Comey uses anecdotes and lessons from his career to show how the federal justice system works. From prosecuting mobsters as an Assistant US Attorney in the Southern District of New York in the 1980s to grappling with the legalities of anti-terrorism work as the Deputy Attorney General in the early 2000s to, of course, his tumultuous stint as FBI director beginning in 2013, Comey shows just how essential it is to pursue the primacy of truth for federal law enforcement. *Saving Justice* is gracefully written and honestly told, a clarion call for a return to fairness and equity in the law.

Samuel Lock's first novel, *AS LUCK WOULD HAVE IT*, was acclaimed by the critics as one of the most strikingly original first novels for years and went on to win the Sagittarius Award. *NOTHING BUT THE TRUTH*, Lock's new novel, shares many of its qualities - an exact but curiously mysterious prose style, superb evocation of a time and place (in this case Chelsea's King's Road in the fifties), and range of deliciously eccentric characters. It is the story of Jason Callow, a mildly successful novelist, estranged from his wife and children. As Jason struggles to comprehend and overcome the inner crisis that grips him, he is observed by his neighbours, his family, his friends, all powerless, it seems, to alter the inexorable course of his destiny.

This story is important." —Kirkus (starred review) "Heartbreakingly topical." —Publishers Weekly (starred review) "A marvel of verisimilitude." —Booklist (starred review) "A powerful, in-your-face novel." —Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Risk everything . . . for love with this #1 New York Times bestseller. What if you couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In *Everything, Everything*, Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing all black—black T-shirt, black jeans, black sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me. I stare right back. His name is Olly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Olly. It's almost certainly going to be a

disaster. Everything, Everything will make you laugh, cry, and feel everything in between. It's an innovative, inspiring, and heartbreakingly romantic debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's *The Sun Is Also A Star*, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions.

Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first

bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review

From the acclaimed New York Times bestselling author of *Guilt* and *The 13th Juror* comes an electrifying new thriller—a novel in which San Francisco defense attorney Dismas Hardy faces the case of his career. This time his family is involved—and for Hardy, a devoted husband and father, the stakes have never been higher. Dismas knows his wife, Frannie, is the most reliable of mothers. When she fails to pick up their children from school one afternoon, he's convinced something terrible has happened. It has: Frannie Hardy is in jail. Called before the grand jury in a murder investigation, she refused to reveal a secret entrusted to her by a man whose children attend the same school as hers, a friend who is accused of killing his wife. But now he has disappeared. Hardy knows there's only one way to get Frannie out of jail: clear her friend of murder. That is, if he can be found. As he moves through a labyrinthine world of big business and San Francisco politics, looking for a man he half hopes never to find, a furious and frustrated Hardy is struggling to understand why his impeccably faithful wife is being so loyal to another man. What kind of truth could keep a wife from her husband, a mother from her children—could hold Hardy so powerless before the wrath of the law? With an unparalleled ability to illuminate the complexities of relationships while weaving a story of breathtaking suspense, Lescroart has never been in finer form. And *Nothing But the Truth* is his finest hour.
