Age of Legend Bantam

Award-winning author Deborah Crombie has elevated the modern mystery novel to new heights of human drama and multilayered suspense with her critically acclaimed tales of intrigue featuring Scotland Yard Detective Superintendent Duncan Kincaid and Sergeant Gemma James. In their latest outing, Kincaid and his former partner--and soon-to-be roommate--follow a twisting trail of rage and retribution whose buried roots are about to exact a deadly toll on the living. And Justice There is None Gemma James is adjusting to professional and personal changes that include her eagerly sought promotion to the rank of inspector--and a future now intricately entwined with Duncan Kincaid. But her new responsibilities are put to the test when she is placed in charge of a particularly brutal homicide: The lovely young wife of a wealthy antiques dealer has been found

murdered on fashionable Notting Hill. Dawn Arrowood was six weeks pregnant. Her lover, Alex Dunn, a porcelain dealer in London's bustling Portobello Market, appears absolutely devastated by her death, but Gemma's the main focus of investigation is soon Karl Arrowood, who had the most powerful motive for killing his unfaithful wife. But this case sets off warning bells for Duncan: it's far too similar to an unsolved murder in which an antiques dealer was killed in precisely the same way and when the escalating violence claims yet another victim, he and Gemma find themselves at increasing odds with each other--as two separate investigations become linked in the most startling of ways. Their hunt for a killer will traverse the teeming stalls of the city's antiques markets to a decades-in-the-making vendetta of history and hatred that has been honed to a flawless, deadly point. To solve this case, Gemma and Duncan must walk a merciless razor's edge through a place where true justice will be a long time coming.

Book One of The Legends of the First Empire Harper Collins

As an empire dies, three warriors will rise. They will have to ride the storm or drown in its blood. "An exciting new author in fantasy." —Mark Lawrence, author of Red Sister Seventeen years after rebels stormed the streets, factions divide Kisia. Only the firm hand of the god-emperor holds the empire together. But when an unexpected betrayal destroys a tense alliance with neighboring Chiltae, all that has been won comes crashing down. In Kisia, Princess Miko Ts'ai is a prisoner in her own castle. She dreams of claiming her empire, but the path to power could rip it, and her family, asunder. And on the border between nations, Captain Rah e'Torin and his warriors are exiles forced to fight in a foreign war or die. War built the Kisian Empire. War will tear it down. We Ride the Storm is the epic launch of a bold and brutal fantasy series,

perfect for readers of Mark Lawrence, John Gwynne, and Brian Staveley. Praise for The Reborn Empire: "Imaginative world building, a pace that builds perfectly to a heart-pounding finale and captivating characters. Highly recommended." —John Gwynne, author of The Faithful and the Fallen "A complex tale of war, politics, and lust for power." —The Guardian The Reborn Empire We Ride the Storm We Lie with Death For more from Devin Madson, check out: The Vengeance Trilogy The Blood of Whisperers The Gods of Vice The Grave at Storm's End *And Justice There Is None* Harper Collins They killed the king. They pinned it on two men. They chose poorly. There's no ancient evil to defeat, no orphan destined for greatness, just two guys in the wrong place at the wrong time...Royce Melborn, a skilled thief, and his mercenary partner, Hadrian Blackwater make a profitable living carrying out dangerous assignments for conspiring nobles until they become the unwitting scapegoats in a plot to murder the king. Sentenced to death, they have only one way out--and so begins this epic tale of treachery and adventure, sword fighting and magic, myth and legend. AWARDS 2009 National Indie Excellence Award Finalist 2008 ReaderViews Literary Award Finalist 2007 Foreword Magazine Book of the Year Finalist Named One of the 2008 Notable Indie Books by Fantasy Book Critic Named Top Five Fantasy of Books of 2009 by Dark Wolf's Fantasy Reviews ABOUT THE SERIES The Crown Conspiracy is book one of the multi-book saga: The Riyria Revelations. Instead of a string of sequels, this six-book fantasy series was conceived as a single epic tale divided into individual novels. While one book may hint at building mysteries and thickening plots, these threads are not essential to reach a satisfying conclusion to the current episode--which has its own beginning, middle, and end. It should be noted that all six were written before the first was released to ensure continuity across a complex plot filled with twists, turns, and page-turning mysteries. Characterization occur across the whole series allowing

readers to build friendships with likeable characters that are shaped as events unfold. The Riyria Revelations is written for adults but has no sex and limited violence centered on swordplay and is therefore, appropriate for younger audiences and a movie version based on the novels would garnish a PG-13 rating.

ABOUT THE SERIES Although part of a multi-book saga, Avempartha is a standalone story and can be read independently of the series. Instead of a string of sequels, The Riyria Revelations is a six-book series conceived as a single epic tale divided into individual episodes. All were written before the first was released. The books are being released one every 6 months. The first *The Crown Conspiracy* was released October 2008.

DO GODS TRULY EXIST? CAN YOU KNOW THE FUTURE? AND WHAT LIES BEYOND THE VEIL OF DEATH? Winter blankets the land, and more than hope has died. Barred by the tower of Avempartha, the western army cannot invade the Fhrey homeland. So it must seek a way across the Nidwalden River before the fane obtains the secret of dragons. As time runs out for both humanity and the mystic Suri, the only chance for the living rests with the dead. Having made their fateful choice, can a handful of misfits do the impossible, or are they forever lost to an inescapable grave? As in Virgil's *Aeneid*, Dante's *Divine Comedy*, and Milton's *Paradise Lost*, the most epic tales transcend the world of the

living. It's time to see what lies in Elan's Age of Death. From Michael J. Sullivan, New York Times, USA Today, and Washington Post bestselling author, comes the second-to-last installment in the epic fantasy series *The Legends of the First Empire*. These novels chronicle a pivotal point in Elan's history, when humans rise against the Fhrey, whom they once saw as gods. Set three thousand years before the Riyria tales, *Legends* is a standalone fantasy series independent of all other Elan stories. But if you have read the other books, *Legends* will reveal lies and unmask truths about historical figures. *Velocity Weapon* *Legends of the First Empire*

The gods have been proven mortal and new heroes will arise as the battle continues in the sequel to *Age of Myth*—from the author of the *Riyria Revelations* and *Riyria Chronicles* series. In *Age of Myth*, fantasy master Michael J. Sullivan launched readers on an epic journey of magic and adventure, heroism and betrayal, love and loss. Now the thrilling saga continues as the human uprising is threatened by powerful enemies from without—and bitter rivalries from within. Raithe, the God Killer, may have started the rebellion by killing a Fhrey, but long-standing enmities dividing the Rhunes make it all but impossible to unite against the common foe. And even if the clans can join forces, how will they defeat an enemy whose magical prowess renders them indistinguishable from gods? The answer lies across the sea in a faraway land populated by a reclusive and dour race who feel nothing but disdain for both Fhrey and mankind. With time running out, Persephone leads the gifted young seer Suri, the Fhrey sorceress Arion, and a small band of misfits in a desperate search for aid—a quest that will take them into the darkest depths of Elan. There, an ancient adversary waits, as fearsome as it is deadly. Magic, fantasy, and mythology collide in Michael J. Sullivan's *Legends of the First Empire* series: **AGE OF MYTH • AGE OF SWORDS • AGE OF WAR**

And tensions are brought to the breaking point on Christmas Eve with Juliet's discovery of a mummified infant's body interred in the

wall of an old dairy barn—a tragedy hauntingly echoed by the recent drowning of Peter Llewellyn, a schoolmate of Lally's. Meanwhile, on her narrowboat, former social worker Annie Lebow is living a life of self-imposed isolation and preparing for a lonely Christmas, made more troubling by her meeting earlier in the day with the Wains, a traditional boating family whose case precipitated Annie's leaving her job. As the police make their inquiries into the infant's death, Kincaid discovers that life in the lovely market town of his childhood is far from idyllic and that the dreaming reaches of the Shropshire Union Canal hold dark and deadly secrets . . . secrets that may threaten everything and everyone he holds most dear.

The White Tower Ridan Publishing One of fantasy's finest next-generation storytellers continues to break new ground. Michael J. Sullivan's trailblazing career began with the breakout success of his Riyria series: full-bodied, spellbinding fantasy adventures whose imaginative scope and sympathetic characters won a devoted readership and comparisons to fantasy masters Brandon Sanderson, Scott Lynch, and J.R.R. Tolkien himself. Now Age of Myth inaugurates an original five-book series. Since time immemorial, humans have worshipped the gods they call Fhrey, truly a race apart: invincible in battle, masters of magic, and seemingly immortal. But when a god falls to a human blade, the balance of power between humans and those they thought were gods changes forever. Now only a few stand between humankind and annihilation: Raithe, reluctant to embrace his destiny as the God Killer; Suri, a young seer burdened by signs of impending doom; and Persephone, who must overcome personal tragedy to lead her people. The Age of Myth is over. The time of rebellion has begun. Magic, fantasy, and mythology collide in Michael J. Sullivan's Legends of the First Empire series: AGE OF MYTH • AGE OF SWORDS • AGE OF WAR *Tales of Assassins, Mercenaries, and Rogues* Harper Collins

The adventure continues as Royce and Hadrian aid the struggling kingdom of Melengar as it alone stands in defiance against the newly formed empire. To find the truth, Royce must unravel Hadrian's hidden past. What he discovers will lead them to the end of the known world, on a journey rife with treachery and intrigue. When author Michael J.
