BENTON DICKERSON

Barack Obama in the White House Penguin Books India
Women, Crime and Criminal Justice is the winner of the Division of International

Criminology's Distinguished Book Award 2014 and the Academy of Criminal Justice Sciences International Section's 2015 Outstanding Book Award and the first fully internationalised book to focus on women as offenders, victims and justice professionals. It

provides background, as well as specialized information that allows readers to comprehend the global forces that shape women and crime; analyze different types of violence against women (in peacetime and in armed conflict); and grasp the challenges faced by women in justice professions such as the police, the judiciary and international peacekeeping. Provocative, highly topical, engaging and written by an expert in the field, this book examines the role of women in crime and criminal justice internationally. Topics covered include: the role of globalization and development in patterns of female offending and victimization, how a

human rights framework can help explain women's crime, victimization and the criminal justice response, global women's activism, international perspectives on violence against women, including femicide, violence in conflict and post conflict settings, sex work and sex trafficking, women's access to justice, as well as the increased role of women in international criminal justice settings. This book will be essential reading for those involved in the study of development, human rights, governance, security sector reform, international relations and public health, as debates about these subjects are intrinsically linked to

the issues surrounding women, crime and justice. It will also be useful for students taking courses on gender, crime and criminal justice, violence against women, international criminal justice and gender studies.

Cyber Sexy Partridge Publishing

This is as much the story of Indian advertising as it is about India. Ad veteran Ambi Parameswaran looks at how advertising has evolved, reflecting the country's culture, politics and economy in the last fifty years. From sartorial taste and food habits to marriage and old age, music and language to celebrities and censorship, Ambi examines over a hundred ads to study

how the Indian consumer has changed in the past five decades and how advertising and society have shaped each other. Combining anecdote and analyses to give us a slice of modern history, Ambi evaluates the relationship between affluence, aspiration and desire in India. Exploring trends and impacts, he covers the ads that captured the imagination of the entire country. From 'Only Vimal' and 'Jai Jawan Jai Kisan' to 'Jo biwi se kare pyaar' and the controversial Tuffs shoes campaign, the book is a memorable journey through brands, consumers and the world of advertising.

Voyaging in Strange Seas Fantagraphics Books

The Routledge Handbook of Arabic Linguistics introduces readers to the major facets of research on Arabic and of the linguistic situation in the Arabic-speaking world. The edited collection includes chapters from prominent experts on various fields of Arabic linguistics. The contributors provide overviews of the state of the art in their field and specifically focus on ideas and issues. Not simply an overview of the field, this handbook explores subjects in great depth and from multiple perspectives. In addition to the traditional areas of Arabic linguistics, the handbook covers computational approaches to Arabic, Arabic in the diaspora,

neurolinguistic approaches to Arabic, and Arabic as a global language. The Routledge Handbook of Arabic Linguistics is a much-needed resource for researchers on Arabic and comparative linguistics, syntax, morphology, computational linguistics, psycholinguistics, sociolinguistics, and applied linguistics, and also for undergraduate and graduate students studying Arabic or linguistics.

Nawabs, Nudes, Noodles Routledge

Do you want to discover the secrets to unlock your sexuality and take your sex life to the next level? Are you always doing the same two sex positions and you would like to learn some new

ones? Would you like to talk like a pornstar feeling comfortable? Then keep reading... Do you remember when you were at the beginning of the relationship with your lover and every opportunity was good for having sex? It didn't matter where and when, the desire was too strong and you couldn't hold back. But maybe now things are no longer like this and you are trying to give new energy to your life as a couple, you would like to revive that fire that was there at the beginning but you don't know how to do it. In this complete bundle you will learn everything there is to know to dramatically improve your sex life and how to keep the passion alive. Whether you want to be a

source of endless pleasure for your man or you want to become the new Casanova, in this book I will reveal you all the secrets you need to know to become your partner obsession and make him crave for you. You will master the art of sex in just a few days, through illustrations and clear explanations, you will learn the best positions to drive your man crazy or to satisfy your woman like never before, this will allow you to experience and provide extraordinary sexual pleasure taking your sex life at levels you can't even imagine. No more monotony and repetitiveness in bed, you will give a twist to your sex life and you will finally fully enjoy all the real pleasures of sex. In this guide you

will learn: How to create intimacy with your partner Jaw-dropping myths and facts about sex Which are the common mistakes that are killing your sex The best positions for the female and male orgasm Tantric sex What are the erogenous zones in man and woman Solo and couple masturbation How to get multiple orgasms The fundamentals of BDSM, Foot fetish, Cuckolding, Enema Play, Gagging, and more How to create your sex tapes Where to buy and how to use sex toys Secret Tricks and Tips Frequently Asked Questions What are the psychological triggers in sex How to introduce dirty talking to your partner and overcome shyness

More than 500 practical examples for her and him divided into three levels: beginner, intermediate and advanced Pre-sex and post-sex dirty talk How to talk dirty in public How to do role play and ideas from which to take inspiration What are the most common mistakes and how to avoid them How to have phone sex and how to do sexting How to keep the passion burning for a long time and much, much more.. No matter how old you are or how much experience you have, this guide will provide you with all the knowledge you need to develop your real sexual potential, so that you and your partner can experience moments of extreme pleasure and intimacy

like you never did before. Without too much theory and with a lot of practice, you will be able to start having fun right away. Don't waste any more time doing mediocre or barely satisfying sex, and don't miss out this unique opportunity to get instant access to the best sex of your life, scroll up and grab your copy now!

Tales From the Farm by the Yorkshire Shepherdess
Shishir Thakur

Supersymmetry (SUSY) is one of the most important ideas ever conceived in particle physics. It is a symmetry that relates known elementary particles of a certain spin to as yet undiscovered particles that differ by half a unit of that spin (known as

Superparticles). Supersymmetric models now stand as the most promising candidates for a unified theory beyond the Standard Model (SM). SUSY is an elegant and simple theory, but its existence lacks direct proof. Instead of dismissing supersymmetry altogether, Supersymmetry Beyond Minimality: from Theory to Experiment suggests that SUSY may exist in more complex and subtle manifestation than the minimal model. The book explores in detail non-minimal SUSY models, in a bottom-up approach that interconnects experimental phenomena in the fermionic and bosonic sectors. The book

considers with equal emphasis the Higgs and Superparticle sectors, and explains both collider and non-collider experiments. Uniquely, the book explores charge/parity and lepton flavour violation.

Supersymmetry Beyond Minimality: from Theory to Experiment provides an introduction to well-motivated examples of such non-minimal SUSY models, including the ingredients for generating neutrino masses and/or relaxing the tension with the heavily constraining Large Hadron Collider (LHC) data. Examples of these scenarios are explored in depth, in particular the discussions on Next-to-Minimal Supersymmetric SM (NMSSM) and B-L

Supersymmetric SM (BLSSM).

Pre-crime Boy's Club

You can have the best coders in the world working in your teams, but if your project management isn't up to scratch, your project is almost certain to be delayed, to come in over budget, and in some cases to fail entirely. By taking precise control of your application development process, you can make changes, both large and small, throughout your project's life cycle that will lead to better-quality finished products that are consistently delivered on time and within budget. Application lifecycle management (ALM) is an area of rapidly growing interest within the development

community. Because its techniques allow you to deal with the process of developing applications across many areas of responsibility and across many different disciplines, its effects on your project can be wide ranging and pronounced. It is a project management tool that has practical implications for the whole team—from architects to designers, from developers to testers. *Pro Application Lifecycle Management with Visual Studio 2012* focuses on the most powerful ALM tool available for the Microsoft .NET Framework: Visual Studio Team Foundation Server. It demonstrates the key concepts and techniques of ALM at first with a guide to the

overall methodology, and then delves into architecture and testing--illustrating all of the concepts, tips and tricks using the tools TFS provides. The book serves as a complete guide to the ALM style--with no fluff and many relevant code samples and examples. After reading the book, you will understand how TFS can be used to generate continuous meaningful reporting on your project's health for the decision makers on your team as well as for your project's sponsors. *Pro Application Lifecycle Management with Visual Studio 2012* Yale University Press

Do you know what porn does to you? We all know what it does to our body, but what about our mind?

Internet porn: endless variety of hardcore, sexual videos streaming at the click of a button. We have all seen it. Our intimate partners have seen it. Most kids by the time they are eleven have seen it too. Why do we humans watch porn in the first place? What role is porn playing in the Indian sexual revolution? Is porn spicing up or ruining our relationships? Should parents let their kids watch porn? Can watching porn make us promiscuous or affect a man's libido? Should we ban porn? Is internet porn hindering or facilitating the sexual liberation of Indian women? Pornistan answers these and tells you everything else you absolutely must know in today's porn-induced

sexual culture. Interviews with India's leading experts, latest studies and experiments from around the world, statements from world famous porn-stars, scientists and doctors, some incredibly relatable short stories and some amazing illustrations Pornistan will entertain you, shock you, inform you and leave you with a deeper understanding of how human sexuality works. Pornistan the sex education you didn't receive at school.

Two Scoops of Django Psychology Press

A refreshing read in terms of its take on the issue of hate speech, hurt, and politics of it. The currency of "hurt" as a claim to, and pretext for, political

correctionism—and often taking recourse to the logic of the antipopular as anti-State—has erected a machinery of censorship governed by the economies and excesses of a “marketplace of outrage.” This volume seeks to map this ready vocabulary of a potential victimhood and its consequent excuse for repressive regimes of State vigilantism. It investigates the ways in which such “hurt” is expressed and abetted by the State or its actors, staged by popular media and often subsumed as public opinion. It builds the necessary structure of argument around the idea of “hurt” with reference to recent political events, the history of

sentimental mobilizations and various kinds of censorship attempts in India.

India through 50 Years of Advertising

CRC Press

Isla's had a crush on classmate Josh since their freshman year at the School of America in Paris, but after a chance encounter over the summer in Manhattan they return to France for their senior year where they're forced to confront challenges every young couple in love must face.

Bloomsbury Publishing

This one hundred page book focuses

exclusively on how you can best use the ASP.NET MVC 4

Framework to build

world-class REST services using the Web API. It sets aside much

of what the ASP.NET MVC Framework can do, and focuses exclusively on how the Web API can help you build web services. You will not find any help on CSS, HTML, JavaScript, or jQuery. Nor will you find any help on the Razor view engine, HTML Helpers, or model binding. If you need this information then Pro ASP.NET MVC 4 is your perfect book. ASP.NET MVC 4 and the Web API: Building a REST Service from Start to Finish helps you build cutting-edge REST services using ASP.NET MVC 4 and the Web API in more depth and detail than any other resource. ASP.NET MVC has always been a good platform on which to implement REST, but with the advent of the Web API it has now

become even better. This book will show you why it's great and how to get the most from it. Author Jamie Kurtz will take you from zero to full-blown REST service hero in no time at all. And you'll even learn how to incorporate some popular open source tools along the way: little or no experience with ASP.NET or the MVC Framework is required. *Psychology of Fear, Crime and the Media* Awesome Paperbacks A New York Times Best Seller If you could read my mind, you wouldn't be smiling. Samantha McAllister looks just like the rest of the popular girls in her junior class. But hidden beneath the straightened hair and expertly applied makeup is a secret that her friends would

never understand: Sam has Purely-Obsessional OCD and is consumed by a stream of dark thoughts and worries that she can't turn off. Second-guessing every move, thought, and word makes daily life a struggle, and it doesn't help that her lifelong friends will turn toxic at the first sign of a wrong outfit, wrong lunch, or wrong crush. Yet Sam knows she'd be truly crazy to leave the protection of the most popular girls in school. So when Sam meets Caroline, she has to keep her new friend with a refreshing sense of humor and no style a secret, right up there with Sam's weekly visits to her psychiatrist. Caroline introduces Sam to Poet's Corner, a hidden room and a tight-knit group of misfits who

have been ignored by the school at large. Sam is drawn to them immediately, especially a guitar-playing guy with a talent for verse, and starts to discover a whole new side of herself. Slowly, she begins to feel more "normal" than she ever has as part of the popular crowd . . . until she finds a new reason to question her sanity and all she holds dear. "Clueless meets Dead Poets Society with a whopping final twist." - Kirkus Reviews "This book is highly recommended-readers will connect with Sam, relating to her anxiety about her peers, and root for her throughout the book." -VOYA "A thoughtful romance with a strong message about self-acceptance, [this] sensitive novel boasts strong

characterizations and conflicts that many teens will relate to. Eminently readable." - Booklist "A brilliant and moving story about finding your voice, the power of words, and true friendship. I couldn't put it down?" - Elizabeth Eulberg, Author of *The Lonely Hearts Club* "Brilliant, brave, and beautiful." - Kathleen Caldwell, A Great Good Place for Books "A riveting story of love, true friendship, self-doubt and self-confidence, overcoming obstacles, and truly finding oneself." -Melanie Koss, Professor of Young Adult Literature, Northern Illinois University "Romantic, unpredictable, relatable, and so very enjoyable." -Arnold Shapiro, Oscar- and Emmy-winning

Producer "Characters to love and a story to break your heart.

Readers will want to turn page after page and read every last word. Then do it all over again." -Marianne Follis, Teen Librarian, Valley Ranch (Irving) Public Library

This Book Includes: Sex Positions for Couples & How to Talk Dirty. The Complete Step by Step Guide to Kama Sutra and Dirty Talking. For Beginners and Advanced! Pan Macmillan

This is the first book to describe the recent significant changes to the .NET compilation process and demonstrate how .NET developers can use the new Compiler API to create compelling applications. As an open source compiler, the Compiler API now

makes its code available for anyone to use. In this book, you'll get a concise, focused view of this tremendous resource for developers, who can now use any part of the platform implementation to their advantage in analyzing applications, improving code generation, and providing enforceable patterns, all under an OSS model. You will learn how to analyze your code for defects in a fast, clean manner never available before. You'll work with solutions and projects to provide automatic refactoring, and you'll discover how you can generate code dynamically to provide application implementations at runtime Having the Compiler API available

opens a number of doors for .NET developers that were either simply not there before, or difficult to achieve. However, the API is vast, and this concise book provides a valuable roadmap to this new development environment. What You Will Learn: Understand how to generate, compile, and execute code for a number of scenarios How to create diagnostics and refactoring to help developers enforce conventions and design idioms Experiment with the compiler code base and see what can be done to influence the inner workings of the compilation pipeline Who This Book Is For: Experienced .NET developers, but detailed compiler knowledge is not

necessary.

The Great Revolution in Science Routledge

'...a brilliant exploration of urbanism between the concept city and the lived city.... The volume focuses on urban life lived between home and the world, institutions and experiences, representations and affects.... Its fascinating range of empirically rich and analytically sophisticated excavations of neighbourhoods make the volume a must-have in the bookshelf on South Asian urban studies.' -Gyan Prakash, Princeton University 'A must-read for those who wish to study the micro aspects of contemporary urbanity.' -Sujata Patel,

Savitribai Phule Pune University 'This book is a powerful addition to the study of Indian urbanism.' -Ravi Sundaram, Centre for the Study of Developing Societies (CSDS) In the last couple of decades, the global South, in general, and India, in particular, have witnessed a massive growth of cities. In India, more than one-third of its population lives in cities. However, urban development, growth and expansion are not merely about infrastructures and enlargement of cityscapes. This edited volume focuses on neighbourhoods, their particularities and their role in shaping our understanding of the urban in India. It locates Indian experiences in the

larger context of the global South and seeks to decentre the dominant Euro-American discourse of urban social life. *Neighbourhoods in Urban India: In Between Home and the City* offers an understanding of neighbourhoods as changing socio-spatial units in their specific regional settings by underlining the way value regimes (religiosity and subjectivities) give neighbourhoods their social meanings and stereotypes. It unpacks discourses and knowledge practices, such as planning, architecture and urban discourses of governance. It further discloses the linkages and disjunctures between the social practices of

neighbourhoods and the language, logic and experiences of dwelling, housing, urban planning and governance, and focuses on the particularities and heterogeneities of neighbourhoods and neighbourliness.

Building a REST Service from Start to Finish Readomania

Celebrating 60 years of the Indian Republic, we bring you *Indian Essentials*, a light-hearted, tongue-in-cheek ode to India. In this quirky collection, twenty writers and social commentators ponder the mysteries of the Indian psyche and try to make sense of one trait, phenomenon or cultural value that is quintessentially Indian. From the Indian male's penchant for public

urination to the Indian female's obsession with gold, from the jhatkas of Bollywood to the melas of Allahabad, from our embarrassingly frank matrimonials to how seriously we take our copulation problems, nothing is spared scrutiny. And because we Indians like a little something extra over and above what we are promised, we are giving away a complimentary copy of Extra! a little book that tackles all those peculiar Indian qualities that we didn't want to leave out of the Indian Essentials. Dip into this collection and join us to find out what it means to be Made in India.

The lost girl

Troubador Publishing
Ltd

For everyone who

loves watching Amanda Owen and her family on Our Yorkshire Farm, or enjoys reading her bestselling books, comes this delightful and uplifting collection of her monthly Dalesman columns. In Tales From the Farm by the Yorkshire Shepherdess Amanda takes readers on an evocative journey to Ravenseat, where she lives with husband Clive and their nine children, not to mention their flock of sheep, herd of cows, hardworking dogs and a formidable chicken called Linda. Covering events from 2019 through to early 2021, Amanda describes saving the life of a newborn calf on New Year's Eve and watching, mouth agape, as their livestock trailer was

swept away by floodwater in March. Son Sidney braves the wrath of Linda and husband Clive crafts an unusual Valentine's Day gift. Eldest daughter Raven leaves the nest, headed for university, while young sheepdog Taff and Tony the pony arrive at the farm. As Covid-19 sends the country into lockdown, Amanda feels more lucky than ever to live close to nature, finding happiness in the beauty of the Dales and the unchanging routines of the farming year. Illustrated with charming line-drawings throughout, this book is the perfect gift for fans of the Owen family and a chance to catch up on their adventures.

Delivering Desire
Routledge

Gaam's roommate boasts of an astrologer who can allegedly predict his future lovemaking pattern and diagnose upcoming ailments. Sadistic professors with an agenda to fail their students are counter-attacked by a plethora of cheating talents with out-of-the-box ideas in exam hall and legendary answers in viva. Plans to form a musical band Whistling Woods finally bears fruit. An online friend turns out to be a doggedly persuasive, mild-mannered, religious fanatic. A precocious school girl's crush for her teacher. The night of the leopard print underwear. Mystery of the sperm donor. A Chinese beauty in Darjeeling. A merciless, doctorless treatment in

a remote village. And many more adventures of Gaam, Lokha, Handu, Holy-One and Slash continue in this third and final novel of the breezy and entertaining College trilogy. "A honest and relatable account of what college life entails and the humour in the book only reaffirms the story's honesty and reality. Based in East India, this book is a perfect brew of everything in the right proportion. The author's narrative style reflects good penmanship, introspection and is extremely approachable in its casual language. Try putting it down once you start reading it!" Notion Press Editors' Pick 2017 (on Once Upon a Time in College - Part II)

Power for Power

Routledge

This book opens up a range of important perspectives on law and violence by considering the ways in which their relationship is formulated in literature, television and film. Employing critical legal theory to address the relationship between crime fiction, law and justice, it considers a range of topics, including: the relationship between crime fiction, legal reasoning and critique; questions surrounding the relationship between law and justice; gender issues; the legal, political and social impacts of fictional representations of crime and justice; post-colonial perspectives on crime fiction; as

well as the impact of law itself on the crime fiction's development. Introducing a new sub-field of legal and literary research, this book will be of enormous interest to scholars in critical, cultural and socio-legal studies, as well as to others in criminology, as well as in literature. [From First Steps to Final Release](#) Marvel Entertainment Morning Analysis CEO Buster Das has been found dead in his office with his head bashed in. When unlikely detective duo Sandesh Solvekar and Mona Ramteke make it their mission to catch the reckless criminal, they find themselves knee-deep in Mumbai's sordid world of dissolute starlets, business moguls and a sell-out media, even as

they attempt to deal with a dysfunctional police machinery and their own secret lives. The list of suspects is also turning out to be a headscratcher: there's the eccentric editor-in-chief; the irreverent dating editor; and several vice-presidents who would kill to be CEO. A whodunit as wicked as it is irresistible, this is a cracker of a novel that takes Indian crime writing to dazzling new heights.

Women, Crime and Criminal Justice NYU Press

In contemporary India, as one side of the coin celebrates traditional stereotypes, the other side subverts the same image, sometimes subtly, but often radically. The push and pulls of these factors are changing the

cultural landscape of India decisively. This volume critiques media representations of popular culture and gender since the 1950s and tracks the changes that have taken place in Indian society. The authors give us incisive analyses of these transformations, represented through the candid lens of the camera in films, television, advertisements and magazines, all of which focus on gender and familial representations and patriarchal norms in Indian society. The strength of this book is that it rejects grand narratives in favor of the micro-politics of daily living. In the course of exploring the metamorphosis of India, the authors succeed in dissolving the boundaries

between mass/low culture, elite/high culture and local/national/global affiliations.

Supersymmetry

Beyond Minimality

Apress

Vineeth has retired after a lengthy service of almost three decades and is off to settle down in his hometown. He has been yearning to meet his childhood friends, remembering each of them fondly. However, there is one person he doesn't need to remember, since he never really forgot her for a single moment. They had met when both of them were in college. They had fallen madly, truly and deeply in love. They were determined to marry and live together till the last breath. But then, one

unfortunate day, Rashmi had vanished along with her family without giving any clue about their destination to anyone. She did not even leave a message for Vineeth. Stationed at a distant place, he had tried to gather any possible information about Rashmi but in vain. Now, since he will be back in town with all

the time at his disposal, he will not leave any stone unturned to trace her. He is dying to see Rashmi at least once again. Will Vineeth succeed in his endeavour? You will relate to each and every character of this heart-touching love story. The story is so real and yet so interesting!
