Dolores Ashcroft-Nowicki, an internationally known esoteric teacher, teams up with her daughter, Tamara, to reveal the pathworkings (or guided meditations) used by The

Servants of the Light School to help students train their consciousness to access cosmic wisdom. Within the mind of every human being is a cosmos that matches the physical

cosmos atom for atom. If you can learn how to tap the motherlode of wisdom in your inner cosmos, virtually anything in the universe comes within the realm of your understanding. You will cultivate your visualization skills, feed your creativity, and understand the true potency of rituals performed by only using your imagination! These pathworkings take you through ancient civilizations Egypt, Greece, Celtia, and Alexandria and even into

the new millennium. You'll find your way into the mystical realms of the Tree of Life, the Angelic, and Elemental worlds, or explore shamanic workings, the Craft, and the Fairy Faith. From each pathworking you will gain new insight into timeless truths, and the wide variety of pathworkings in this book will help you find a path that works best for you. You can also refer to a working that is appropriate for the specific life situation in which you find yourself. Soon you'll be able to

project your consciousness into astral scenery of your own making to find solutions to your personal challenges or to open up new opportunities in your life. If you can visualize it, you can make it happen!

The Star and the Scepter Tyndale House Publishers, Inc.

It: Chapter Two—now a major motion picture! Stephen King's terrifying, classic #1 New York Times bestseller, "a landmark in American literature" (Chicago Sun-Times)—about seven

adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers...an evil without a name: It. Welcome to Derry, Maine. It's a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made

twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city's children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry's sewers. Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. It reappears in many of his books, including Bag of Bones,

Hearts in Atlantis, and 11/22/63. But it all starts with It. "Stephen King's most mature work" (St. Petersburg Times), "It will overwhelm you...to be read in a well-lit room only" (Los Angeles Times). **Statius and Virgil** Destiny Image Publishers After he escapes from the dungeon, Thor is horrified to learn of another assassination attempt on King MacGil. When MacGil dies, the kingdom is set into turmoil. As everyone vies for the throne, King's Court is more rife than ever with its family

dramas, power struggles, ambitions, jealousy, violence and betrayal. An heir must be chosen from among the children, and the ancient Dynasty Sword, the source of all their power, will have a chance to be wielded by someone new. But all this might be upended: the murder weapon is recovered, and the noose tightens on finding the assassin. Simultaneously, the MacGils face a new threat by the McClouds, who are set to attack again from within the Ring. Thor fights to win

back Gwendolyn's love, but there may not be time: he is told to pack up, to prepare with his brothers in arms for The Hundred, a hundred grueling days of hell that all Legion members must survive. The Legion will have to cross the Canyon, beyond the protection of the Ring, into the Wilds, and set sail across the Tartuvian Sea for the Isle of Mist, said to be patrolled by a dragon, for their initiation into manhood. Will they make it back? Will the Ring survive in their absence?

And will Thor finally learn the secret of his destiny? With its sophisticated world-building and characterization, A MARCH OF KINGS is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will

appeal to all ages and genders. It is 60,000 words. Book #3 in the series will be published soon.

Search for Gods BRILL War has broken out in the North. The Corrupt Lord of the Ice has invaded Norghana with a host from the Frozen Continent. Will the King and the Rangers manage to stop him, or will they die in the attempt? Darthor is seeking to dethrone King Uthar. He is on his way to conquer Norghana and take the crown. He has

invaded the kingdom and has a host from the Frozen Continent at his command: Wild Ones of the Ice, Snow Trolls, Albino Ogres, Semi-Giants, Tundra Dwellers, Arcanes of the Glaciers and creatures unlike anything anybody has ever seen before. Uthar gathers together his armies and prepares to repel him. But not all the Norghanian nobles are with the King. The Western League does not support him; they want to regain the crown for the West, for the

Olafstones. Lasgol and his partners will have to overcome an arduous second year of instruction at the Camp if they want to become Rangers one day. The tests will be far harder, the effort required much greater. Rivalries will surface, but also companionship and even love. He will find out that he does not know the whole truth about what happened to his parents, or about his new friend Camu. New mysteries will arise which he will have to investigate and solve. These will drive him to

confront life-and-death situations and to consider the possibility that the real enemy may not be the one it appears to be. Will Lasgol and his friends survive the second year of training? Will they survive the war? Will he succeed in solving the mysteries that surround him? Will he find out the betrayals, and the true enemy? Find out in the second part of this fascinating epic fantasy series. Enjoy adventures filled with action, magic and romance right away! *A Guide to Bible Basics* Da

Capo Press
#1 New York Times bestselling author Stephen King's beloved novella, Rita Hayworth and Shawshank Redemption—the basis for the Best Picture Academy Award-nominee *The Shawshank Redemption*—about an unjustly imprisoned convict who seeks a strangely satisfying revenge, is now available for the first time as a standalone book. A mesmerizing tale of unjust imprisonment and offbeat escape, Rita

Hayworth and Shawshank Redemption is one of Stephen King's most beloved and iconic stories, and it helped make Castle Rock a place readers would return to over and over again. Suspenseful, mysterious, and heart-wrenching, this iconic King novella, populated by a cast of unforgettable characters, is about a fiercely compelling convict named Andy Dufresne who is seeking his ultimate revenge. Originally published in 1982 in the collection *Different*

Seasons (alongside “The Body,” “Apt Pupil,” and “The Breathing Method”), it was made into the film *The Shawshank Redemption* in 1994. Starring Morgan Freeman and Tim Robbins, this modern classic was nominated for seven Academy Awards, including Best Picture, and is among the most beloved films of all time.

The Statesman's Year-book Thomas Nelson
Church trends fad or fine?
Is the Church trending toward or away from authentic Christianity?

Three Christian leaders present and discuss issues that every Christian needs to know. *Return to Authentic Christianity* is a thorough examination of some of the most critical issues affecting the modern Church. Written by respected Church leaders Robert Stearns, Chuck Pierce, and Larry Kreider, *Return to Authentic Christianity* is for thinking believers interested in the direction the Church is currently heading. Between the three of us, we travel a combination of more than

a half million miles each year. And wherever we go, we see both positive and alarming trends in the Body of Christ that impact us. While troubling trends can cause deep concern, they also provide opportunities for change, write the authors. Through exciting personal experiences coupled with credible and interesting hands-on research results, you will read with eyes wide open about significant trends and issues that are reshaping and impacting today's Church. Your reaction to

what you learn impacts future generations as the Church proclaims the good news of hope through God's Word as His Kingdom continues to expand worldwide. You are the salt of the earth and the light of the world as you joyfully trust in Him and seek first His Kingdom.

When Charles I was executed, his son Charles II made it his role to

search out retribution, producing the biggest manhunt Britain had ever seen, one that would span Europe and America and would last for thirty years. Men who had once been among the most powerful figures in England ended up on the scaffold, on the run, or in fear of the assassin's bullet. History has painted the regicides and their supporters as fanatical Puritans, but among them were remarkable men, including John Milton and Oliver Cromwell. Don Jordan and Michael Walsh

bring these remarkable figures and this astonishing story vividly to life an engrossing, bloody tale of plots, spies, betrayal, fear and ambition.

The King's Revenge

Thomas Nelson

This collaborative commentary on, or dictionary of, Kings, explores cross-cutting aspects of Kings ranging from the analysis of its composition, historically regarded, to its transmission and reception. Ample attention is accorded

sources, figures and peoples who play a part in the book. The commentary deals with Kings' treatment in translation and role in later ancient literature.

While our comments do not proceed verse by verse, the volume furnishes guidance, from contributors highly qualified to advance contemporary discussion, on the book's historical background, its literary intentions and characteristics, and on themes and motifs central to its understanding, both

of itself and of the world from which it arose. This volume functions as a meta-commentary, offering windows into the secondary literature, but assembling data more fully than is the case in individual commentaries.

The Initiate's Book of Pathworkings U of Nebraska Press

This second volume of a two-part collection of studies on inconsistencies in Greek and Roman religion focuses on the ambiguities in myth and ritual of transition and reversal.

Jamie Jake White is our king. A king with a crown of thorns, a heart of stone, and evil in his soul. He hides it well though, under a beautiful smile and eyes that ravage your heart. But Stoneview Prep's golden boy has always had a dark aura around him. Like a well-guarded secret. A blackness that he never lets anyone see. "Curiosity killed the cat, Jamie." My mom always

tells me. She never said it would get me in more trouble than I could handle. She never said it would throw me into the dark world of Jake White. And when I not-so-accidentally find out part of Jake's past, I finally learn the consequences of mischievous nosiness. Curiosity doesn't kill this cat. It turns it into a mouse to be played with. At least that's what Jake decided. Jake Three years. That's how much my twin and I got of freedom before our past caught up with us. We were doing

well, we were being good, we were keeping out of trouble. Most of all, I was in control. But trouble always finds a reason to make its way back to us. And when it does, Jamie Williams is here to witness it. In the morning I learned of her existence, in the afternoon she was spying on me like a fangirl. This girl is desperate to find out what's behind the golden boy's facade I was kind enough to put on. So be it. I have time on my hands, darkness on my mind, and a hundred ways to make

Jamie Williams bend to my will. This book is approximately 92,000 words and is the first book of a three-book series. Giving In is a dark high school bully romance intended for mature readers. It contains detailed sexual scenes and bullying scenes that some readers may find triggering. If you are unsure of your triggers, please heed the author's trigger warning in the book.

Becoming a King Xlibris Corporation

At the end of the Thebaid,

Statius enjoins his epic 'not to compete with the divine Aeneid but rather to follow at a distance and always revere its footprints'. The nature of the Thebaid's interaction with the Aeneid is, however, a matter of debate. This 2007 book argues that the Thebaid reworks themes, scenes, and ideas from Virgil in order to show that the Aeneid's representation of monarchy is inadequate. It also demonstrates how the Thebaid's fascination with horror, spectacle, and unspeakable violence

is tied to Statius' critique of the moral and political virtues at the heart of the Aeneid. Professor Ganiban offers both a way to interpret the Thebaid and a largely sequential reading of the poem.

A March of Kings (Book #2 in the Sorcerer's Ring) Motilal Banarsidass Publishe

“Abide in Me.” John 15:4
Do you yearn for life-giving, intimate communion with God? The Abide Bible is designed to help you experience the peace, hope, and growth that

comes from encountering the voice and presence of God in Scripture. Every feature in Abide is designed to teach and develop Scripture-engagement habits that help you know the power and spiritual nourishment of abiding in Christ. Created in partnership with Bible Gateway and the Taylor University Center for Scripture Engagement, The Abide Bible's features includes book introductions and practical Scripture-engagement prompts based on five ways of

engaging deeply with the Bible: Praying Scripture: Pattern your prayers after biblical texts, personalizing the prayer and gaining language for the thoughts and emotions you want to express. Picture It: Place yourself in a biblical narrative as a bystander or participant in important events. Journaling: Focus and reflect on Scripture and its meaning for your life, opening yourself to God's voice as you ponder. Engage Through Art: Consider a classic piece of art—photograph,

sculpture, painting—and let it deepen your meditations on scriptural truths. Contemplate: Follow the church's longstanding practice of reading, meditating on, praying, and contemplating a passage of Scripture in order to experience God's presence through the words of the Bible. *Inconsistencies in Greek and Roman Religion, Volume 2: Transition and Reversal in Myth and Ritual* Mohr Siebeck Is there life after death? What are the pyramids

for? What is The Process and the Joy mans destiny on Earth? In 2001 I died and became the god of resurrection. In this divine state I promised to teach of the process and of the joy before returning to my body, finding myself in a world of strange auras and weird synchronicity. My hedonistic life of travel crumbled as I struggled to cope with the enormity of this experience and my new found view of the world. Just as I was finding my feet, I died again and travelled to the Godhead. Through

meditation I experienced the breathless state of Samadhi and travelled the corridors of the cosmic temple of the wheel of time. Through books I found confirmation as to the nature of the resurrection initiation and its use by ancient shaman, Egyptian, Mayan and Indian kings as well as by Jesus and Plato. This book is an attempt to fulfill my souls promise and unveil the great mystery. *The King's Curriculum*

 Whatever one may think about the rights and wrongs of colonial rule, it is hard to deny that during the first half of the this century those African countries, which then came under British administration enjoyed a period of stability which most now look back upon

with a profound sense of loss. Paradoxical though it may seem, one of the bulwarks of that stability was each country's indigenous army. Trained and officered by the British, these force became a source of both pride and cohesion in their own country, none more so than the King's African Rifles. founded in 1902 and probably the best known of the East African forces. In this, the first complete history of the East African forces, Malcolm Page, who himself served in the

Somaliland Scouts for a number of years, has had access to much new material while researching the history of each unit from its foundation to the time of independence. Historians in several fields will be grateful to him for having put on record this very important period in the annals of both Great Britain and East Africa while the memories of many who served there were still fresh, and they themselves will perhaps be most grateful of all for this lasting tribute to the men they served and who

served them, for in that shared sense of duty lay the true spirit of East African Forces.

The Books of Kings

Routledge

What would happen if the interpretation of Song of Solomon were to move beyond the layered traditions of rabbinic Judaism, the theological concerns of Christian communities, or even the Enlightenment ideals of a rigorously objective secular hermeneutic? This new reading by Janet Tyson provides a fascinating answer to that

question. –Timothy Paul Erdel, Bethel University
The Song of Solomon is an intimate, eyewitness account of the stormy marriage between the last King of Babylon, Nabonidus, and the Egyptian princess Nitocris II. It details the couple's seven-year stay in Tayma, Arabia, during which time the king formulated his plan to reinstate a long-defunct female priesthood at Ur, in honour of the lunar deity, Sîn. The Song was written by a female scribe, during the exodus from Babylon in c.538

BCE; she is potentially recorded elsewhere in the Hebrew Bible. Her 'song of praise' tells of magic, blood rites, jealousy and rivalry, contraception, miscarriage, lies and curses. It bears all the signs of an act of vengeance, for it preserves the bitter resentment of a woman who lived in the shadow of the king's most exotic wife. Topics of interest include: * A consistent pattern of applied Ishtar/Hathor mythology * Potential insight into the function of the God's

Hand * The use of Jewish gematria * Clear allusions to the esoteric rite known today as the Elixir Rubeus * Internal chronology that mirrors the reign of Nabonidus, including a lunar eclipse * Profound parallels between Nabonidus and King Solomon * Strong connections between Herodotus and the Song's narrative * Potential identification of the Song's author and date of composition * Other ancient legends revealing this same interpretation
It BRILL

The first all-encompassing book on Israel's foreign policy and the diplomatic history of the Jewish people, The Star and the Scepter retraces and explains the interactions of Jews with other nations from the ancient kingdoms of Israel to modernity. Starting with the Hebrew Bible, Emmanuel Navon argues that one cannot grasp Israel's interactions with the world without understanding how Judaism's founding document has shaped the Jewish psyche. He sheds

light on the people of Israel's foreign policy through the ages: the ancient kingdoms of Israel, Jewish diasporas in Europe from the Middle Ages to the emancipation, the emerging nineteenth-century Zionist movement, and Zionist diplomacy following World War I and surrounding World War II. Navon elucidates Israel's foreign policy from the birth of the state in 1948 to our days: the dilemmas and choices at the beginning of the Cold War; Israel's attempts to establish

periphery alliances; the Arab-Israeli conflict; Israel's relations with Europe, the United States, Russia, Asia, Africa, Latin America, the United Nations, and the Jewish diasporas; and how twenty-first-century energy geopolitics is transforming Israel's foreign relations today. Navon's analysis is rooted in two central ideas, represented by the Star of David (faith) and the scepter (political power). First, he contends that the interactions of Jews with the world have always

been best served by combining faith with pragmatism. Second, Navon shows how the state of Israel owes its diplomatic achievements to national assertiveness and hard power--not only military strength but economic prowess and technological innovation. Demonstrating that diplomacy is a balancing act between ideals and realpolitik, *The Star and the Scepter* draws aspirational and pragmatic lessons from Israel's exceptional diplomatic history.

Iron John BEE Books
 What does power and responsibility look like for Christian men in our world today? *Becoming a King* offers men a guide to becoming one to whom God can entrust his kingdom. Journey with Morgan Snyder as he walks alongside men (and the women who love and encourage them) to rediscover the path of inner transformation. *Becoming a King* is an invitation into a radical reconstruction of much of what we've come to believe about God,

masculinity, and the meaning of life. Curated and distilled over more than two decades and drawn from the lives of more than seventy-five men, Morgan shares his discovery of an ancient and reliable path to restoring and becoming the kind of man who can wield power for good. With examples from the lives of the great heroes of faith as well as wise men from Morgan's own life, break through doubt and discover the power of restoration. In *Becoming a King*, you will: Reconstruct

your understanding of masculinity and who God truly intended you to be. Learn to become a man of unshakable strength and courage. Reclaim your identity, integrity, and purpose. Traveling this path isn't easy. But the heroic journey detailed within the pages of *Becoming a King* leads to real life—to men becoming as solid and mighty as oak trees, teeming with strength and courage to bring healing to a hurting world; and to sons, husbands, brothers, and friends becoming the

kind of kings to whom
God can entrust his
kingdom.
