 SOON TO BE A MAJOR MOTION PICTURE • From one of the great comic innovators, the long-awaited fulfillment of a pioneering comic vision: the story of a corner of a room and of the events that have occurred in that space over the course of hundreds of thousands of years. "A book like this comes along once a decade, if not a century.... I guarantee that you'll remember exactly where you are, or were, when you first read it." —Chris Ware, *The Guardian* "In Here McGuire has introduced a third dimension to the flat page. He can poke holes in the space-time continuum simply by imposing frames that act as transtemporal windows into the larger frame that stands for the provisional now. Here is the comic-book equivalent of a scientific breakthrough. It is also a lovely evocation of the spirit of place, a family drama under the gaze of eternity and a ghost story in which all of us are enlisted to haunt and be haunted in turn." —*The New York Times Book Review* With full-color illustrations throughout.

Adventure Time Wiley-Blackwell

An accessible introduction to the life of the seventeenth-century's most celebrated women artists, now in paperback. Artemisia Gentileschi is by far the most famous woman artist of the premodern era. Her art addressed issues that resonate today, such as sexual violence and women's problematic relationship to political power. Her powerful paintings with vigorous female protagonists chime with modern audiences, and she is celebrated by feminist critics and scholars. This book breaks new ground by placing Gentileschi in the context of women's political history. Mary D. Garrard, noted Gentileschi scholar, shows that the artist most likely knew or knew about contemporary writers such as the Venetian feminists Lucrezia Marinella and Arcangela Tarabotti. She discusses recently discovered paintings, offers fresh perspectives on known works, and examines the artist anew in the context of feminist history. This beautifully illustrated book gives for the first time a full portrait of a strong woman artist who fought back through her art.
