Cornwall, 1783. The American Revolutionary War is over. Cornishman Ross Poldark returns to his father's lands a battle-weary soul. Met by a homeland gripped in recession and the revelation of his father's death, Ross must contend with the disrepair of his property and the challenge of keeping his family tin mine in business as his sweetheart prepares to marry his cousin. Amidst the stark beauty of the Cornish landscape, Ross must fight for his livelihood, making allies, and enemies, along the way. Delve deeper into the hit BBC drama starring Aidan Turner as Ross Poldark and Eleanor Tomlinson as Demelza. Collecting together Debbie Horsfield's original scripts, *Poldark: The Complete Scripts - Series 1* allows you to relive the greatest moments from the first series, from Poldark's initial homecoming to the series' dramatic close. This is the perfect accompaniment for fans of the series and gives a unique insight into how the show was visualized.

"Starting with the origins of writing five thousand years ago, with cuneiform and Egyptian hieroglyphs, Andrew Robinson explains how these early forms of writing developed into hundreds of scripts including the Roman alphabet and the Chinese characters. He reveals how the modern writing system we take for granted - including airport signage and electronic text messaging - resemble ancient scripts much more closely than we think." --Book Jacket.

Uses postcolonial theory to critique the globalization of gay culture.

*Postcolonial, Queer* Xlibris Corporation

It is important to remember not just what the Holocaust was but the individuals who were the subjects of its unrelenting Nazi brutalities. Written by a survivor about the people she knew and cared for, these eight stories fight against the depiction of Jews as victims and victims only, and individualize a tragedy that is too often abstracted into dates and statistics. Amidst the dramatic narrative, there is a brutal honesty and frankness that makes these stories far more infuriating, sad and shocking than any fictional attempt to convey what it was like to be human in such inhuman circumstances. These biographies remind readers of the consequences of hate upon the fragile beauty and complexity of human life.

*Shakespeare/adaptation/modern Drama* TwoMorrows Publishing

Rigging a character can be a complicated undertaking. Move from a bi-pedal character to a quad- or poly-pedal and, well, things just got real. Where do you begin? Unlike all of those button-pushing manuals out there, *Rig it Right!* breaks down rigging so that you can achieve a fundamental understanding of the concept, allowing you to rig more intuitively in your own work. Veteran animation professor Tina O'Hailey will get you up and rigging in a matter of hours with step-by-step tutorials covering multiple animation control types, connection methods, interactive skinning, BlendShapes, edgeloops, and joint placement, to name a few. The concept of a bi-ped is explored as a human compared to a bird character allowing you to see that a bi-ped is a bi-ped and how to problem solve for the limbs at hand. After you have moved beyond basic bi-pedal characters, *Rig it Right!* will take you to a more advanced level where you will learn how to create stretchy rigs with invisible control systems and use that to create your own types of rigs. Hone your skills every step of the way with short tutorials and editable rigs that accompany each chapter. (17+ rigs!!) Read "Tina's 10 Rules of Rigging" and build the foundational knowledge needed to successfully rig your characters. Visit the companion website ([www.focalpress.com/cw/ohailey](http://www.focalpress.com/cw/ohailey)) and expand your newfound knowledge with editable rigs, exercises, and videos that elaborate on techniques covered in the book *Coffee* is not required - but encouraged.

*Volumes 1-5* Sovereign Grace Publishers,

He made the Universal back lot his own personal preyground: Rondo Hatton, who attained B-movie stardom at the very end of his life via the role of the spine-snapping serial killer The Creeper. The victim of a disfiguring disease, Hatton needed no makeup when he played this night stalker in *The Pearl of Death* (1944), *House of Horrors* (1946) and *The Brute Man* (1946). A lot of misery and physical pain were packed into Rondo Hatton's 51 years on Earth and he met his challenges with courage. This book tells his full story and pays tribute with a biography chapter, the lowdown on *The Brute Man's* production and theatrical release, artist George Chastain's tribute to other "brute men" of the movies, and more. Also: Rondo's miraculous 21st-century "rebirth" as a coveted award for the finest in Monster Kid achievement.

**An Issue by Issue Field Guide to a Pop Culture Phenomenon** Script CryptVery Bad Places

Part of the premise of the online discussion transcribed in this book is how Gerry Anderson's television series *ÖSpace: 1999* can be understood in relation to Stanley Kubrick's *Ö2001: A Space Odyssey* by looking at both narratives through the perspective of systems theory. As a result of doing so, an engaged debate concerned with the political and philosophical subtext of both stories developed. This book gives a full account of the debate with summaries of ideas and insights. The book has been developed on an idealistic basis. It is sold at the lowest price the publisher was willing to accept. A free e-book version can be downloaded at [www.lulu.com](http://www.lulu.com).

**Atti e memorie** Lulu.com

There was evil in this world that I couldn't begin to comprehend, and the dangers I was dealing with here were just as nasty. Snake-eyed figures from the worst possible nightmares, flame-haired maidens who claimed they were you from another dimension and . . . death. The fabric of time has been angered, tampered beyond mortal hands, and the fate of the universe has been deeply questioned. All because of two girls. Well, technically one. Ally and Alison Rivers, who both share the same life, have been thrown into chaos that cannot be undone in both of their dimensions. Only time can tell how far this wildfire will spread. And only one can stop it.

*The Movie Script: "Sorcerer's Apprentice"* Taylor & Francis

In the mid-1990s, at the height of academic discussion about the inevitability of capitalist globalization, J. K. Gibson-Graham presented a groundbreaking and controversial argument for envisioning alternative economies. This new edition includes an introduction in which the authors

address critical responses to *The End of Capitalism* and outline the economic research and activism they have been engaged in since the book was first published. "Paralyzing problems are banished by this dazzlingly lucid, creative, and practical rethinking of class and economic transformation."

—Meaghan Morris, Lingnan University, Hong Kong "Profoundly imaginative." —Eve Kosofsky Sedgwick, City University of New York "Filled with insights, it is clearly written and well supported with good examples of actual, deconstructive practices." —International Journal of Urban and Regional Research J. K. Gibson-Graham is the pen name of Katherine Gibson and Julie Graham, feminist economic geographers who work, respectively, at the Australian National University in Canberra and the University of Massachusetts Amherst.

Like onion layers waiting to be peeled back, are the many dangerous adventures and well-kept secrets, new and old, of Kaball (Trollworld). Behind the scenes, something deeper, darker, and more sinister always lurks: a disturbingly insatiable lust for power that controls everything beyond that which mere mortals can understand. What is this shadow force at work? In Khazan, a sprawling city filled with magic and monsters, who is it that pulls the puppet strings to make delvers more than willing to risk everything for a chance at attaining fame and fortune? Kaball (i.e. Trollworld), is the world used in the *Tunnels & Trolls(tm)* 7th Edition Role-Playing Game boxed set. The *MAP OF KABALL* is owned by this author and this unauthorized movie screenplay is based "ON" this Kaball map, which "ONLY" this author holds the copyright and trademark on.

Online media is and will continue to be at the forefront of entertainment; this book introduces readers to this new world and helps them create good content for it. It is a compact, practical guide for those who want to explore scriptwriting for the digital age while also learning essential skills and techniques central to new media writing. *Scriptwriting 2.0* contains advice on writing both short- and long-form webisodes as part of a series, as well as standalone pieces. It then goes beyond the writing process to discuss revising, production, promotion and copyright. It is written in a friendly, readable and jargon-free style and includes real-world examples from successful series and a sample script. Readers can access full episodes of the two series discussed at length as well as samples from several other web series.

**Christ on Trial** Pan Macmillan

With the collapse of the government after the Second World War, Americans have learned to live without help or interference from police, lawyers and bureaucrats. It is a simple and happy time until rumors of a terrorist attack suddenly plunge the sleepy community of Vancouver Washington into a fight for survival. What do you do when there is no government to protect you? When the town rashly joins a hastily formed coalition to fight an enemy they do not fully understand, things go wrong in a hurry. A group of high school friends find that they must face this threat alone. But who is the real enemy? They must rely on each other and find in themselves the strength to manage and overcome. In the end they learn that their biggest enemy was inside them all along.

*Writing and Script: A Very Short Introduction* Tenebray Press

Despite the pervasive early Christian repudiation of pagan theatrical art, especially prior to Constantine, this monograph demonstrates the increasing attention of late-ancient Christian authors to the genre of tragedy as a basis to explore the complexities of human finitude, suffering, and mortality in relation to the wisdom, justice, and providence of God. The book argues that various Christian writers, particularly in the post-Constantinian era, were keenly devoted to the mimesis, or imaginative re-presentation, of the tragic dimension of creaturely existence more than with simply mimicking the poetics of the classical Greek and Roman tragedians. It analyses a whole array of hermeneutical, literary, and rhetorical manifestations of " in early Christian writing, which, capitalizing on the elements of tragedy already perceptible in biblical revelation, aspired to deepen and edify Christian engagement with multifarious evil and with the extreme vicissitudes of historical existence. Early Christian tragical mimetics included not only interpreting (and often amplifying) the Bible's own tragedies for contemporary audiences, but also developing models of the Christian self as a tragic self, revamping the Christian moral conscience as a tragical conscience, and cultivating a distinctively Christian tragical pathos. The study culminates in an extended consideration of the theological intelligence and accountability of " and tragical mimesis in early Christian literary culture, and the unique role of the theological virtue of hope in its repertoire of tragical emotions.

*Film Scriptwriting* iUniverse

Set in the late 1970s, shortly before the advent of the AIDS epidemic, an era still redolent of Vietnam and Watergate, *Broken Record* represents one man's crossing through a transitional period in the nation's history, as delineated in the madness of New York, when the city was infested with crime and unbridled sexuality. During this sordid and thrilling epoch in the city, Bobby Cahn, an underemployed man of 35 learns that the chronic stomach pains that have tormented him for a decade are not the stuff of hypochondria, but the lethal messiness of cancer. A large section of the book takes place in the hospital, *The Gosmoberger Pavilion*, where Bobby encounters doctors and staff that include, among others, a surgeon who extracts healthy pancreases that are subsequently employed in the preparation of gourmet dishes highlighting the organ, a sadistic aide, capable of committing mayhem on patients he finds annoying, and a nymphomaniac who seduces the dying. The tone of *Broken Record* is sardonic, reflecting damaged humanity, and a debauched, vacated society, but the mordant pitch of the novel cannot mask the grief and tragedy that mark the stations of Bobby's passage; indeed the ineluctability of Bobby's final reckoning proves that all men are Everyman--and that the demise of any single human being, even those who appear worthless and indecent in their lack of regard for others, brings universal mourning. Readers will not easily forget Bobby Cahn and the population of *Broken Record*.

**1999: A Space Odyssey** Oxford University Press

Looking for a horribly good time? Want to have a few laughs while squaring off against the forces of darkness? Fancy a knock-and-run on the gates of Hell? If any of these are true, then these *Damned Scripts* are for you! *Script Crypt Volume 2: Four Damned Scripts* is the second installment in the popular *Script Crypt* line of supplements for *Horror Rules*, the *Simply Horrible* Roleplaying Game. Packed with all the wacky scares, edge-of-your-seat action and pee-your-pants thrills you've come to love, Four Damned Scripts is a sure hit and a must-have supplement for horror enthusiasts and gaming fans alike. With this book, you could play your favorite horror comedy roleplaying game until you freak out... and we recommend it! So for those who dare, the Crypt awaits. Just remember which side you're on...

**Rituals Of Terror** A&C Black

The relationship between modern drama and Shakespeare remains intense and fruitful, as Shakespearian themes continue to permeate contemporary plays, films, and other art-forms. *Shakespeare/Adaptation/Modern Drama* is the first book-length international study to examine the critical and theatrical connections among these fields, including the motivations, methods, and limits of adaptation in modern performance media. Top scholars including Peter Holland, Alexander Leggatt, Brian Parker, and Stanley Wells examine such topics as the relationship between Shakespeare and modern drama in the context of current literary theories and historical accounts of adaptive and appropriative practices. Among the diverse and intriguing examples studied are the authorial self-adaptations of Tom Stoppard and Tennessee Williams, and the generic and political appropriations of Shakespeare's texts in television, musical theatre, and memoir. This illuminating and theoretically astute tribute to Renaissance and modern drama scholar Jill Levenson will stimulate further research on the evolving adaptive and intertextual relationships between influential literary works and periods.

**The Thunder Agents Companion** Taylor & Francis

What do a perfectly ordinary and normal insane asylum, a secret, subterranean cavern infested by evil spirits and the gateway to Hell have in common? They're all in this book! And they're all lined up, ready and waiting to scare the living bejabbers out of your Players.
