AMY SWANSON

Caitlin: Book 2

Multnomah
For the first time that
she can remember,
Maya Stark is
beginning to feel like a

“normal” teenager. Even with her mother in jail for drug possession and her pop-star father away on his comeback tour, Maya’s new life with her uncle Allen and cousin Kim is coming together. Summer vacation’s just beginning, and with a new job, a new boyfriend, and a new car (hybrid, of course), things are finally starting to look up. But that doesn’t mean life is about to get any easier. Maya’s still devoted to living Green, and her uncle offers her a Green column in his newspaper. With the opportunity to make a difference in the town’s attitude toward the environment, Maya wonders how this fits with her newfound commitment to Christ.

And if she can really consider herself a Christian when her feelings toward a fellow youth group member are anything but loving...

The Transgender Craze Seducing Our Daughters Vincent Noot

Twenty-one-year-old Caitlin starts a new diary to record her experiences when she becomes engaged and has to struggle to remember to focus on God, her friends, and her senior year in college as her head swims with wedding plans.

It’s My Life North Atlantic Books
 “Smart ... compelling ... persuasive .” —New York Times Book Review She’s everywhere once you start looking: the trainwreck. She’s

Britney Spears shaving her head, Whitney Houston saying “crack is whack,” and Amy Winehouse, dying in front of millions. But the trainwreck is also as old (and as meaningful) as feminism itself. From Mary Wollstonecraft—who, for decades after her death, was more famous for her illegitimate child and suicide attempts than for *A Vindication of the Rights of Woman*—to Charlotte Brontë, Billie Holiday, Sylvia Plath, and even Hillary Clinton, Sady Doyle’s *Trainwreck* dissects a centuries-old phenomenon and asks what it means now, in a time when we have unprecedented access to celebrities and civilians alike, and when women are

pushing harder than ever against the boundaries of what it means to “behave.” Where did these women come from? What are their crimes? And what does it mean for the rest of us? For an age when any form of self-expression can be the one that ends you, Doyle’s book is as fierce and intelligent as it is funny and compassionate—an essential, timely, feminist anatomy of the female trainwreck.

Kim: Book 2
Multnomah
Becoming a local hit after a long period of ostracism, Chloe Miller and her fellow Christian band members find themselves questioning who their true friends are and face difficult choices when their Nashville

schedule conflicts with their family and school. Original.

Diary of a Teenage Girl
Multnomah

Lined notebook/journal/diary. Great for keeping track of daily activities and thoughts, for a teen girls or pre-teens. Record your daily activities in this 6" x 9" paperback journal. Perfect for taking notes during class, at home, on the go while you are inspired to write. This notebook is perfectly sized to fit in various sized bags, with the unique cover design, it would make a perfect gift.

Teen Girl Book

Multnomah

This Is Now It's Kim's senior year and, while everyone's looking forward to graduation, she's got so much going on she can

barely make it through the day. Natalie, pregnant with Benjamin O'Conner's baby, believes it's God's will for them to marry, and Ben sees it as his Christian responsibility to do so. Major red flag? He doesn't love her.

Then—surprise! Kim's birth mother in Korea sends her an intriguing letter, making Kim question her reluctance to get to know another "mom." And what about Maya? Is God calling Kim and her father to open their hearts and home to Kim's biracial cousin whose mother was just sentenced to five years in state prison? Kim has been through so much already, but that was then ... Does she have enough faith for now? Saturday, November 11 I've

talked to Nat twice this week. But only on the phone. Both times she just glossed over what happened last weekend. She told me everything was “fine.” But without any details. It was the kind of reassurance that isn’t reassuring at all. I know she’s covering something up. That was then...Kim Peterson has had a lot going on the past few years: writing a teen advice column, finding a new faith, dating and breaking up for the first time, losing her mom to cancer...Kim has learned to turn it all over to God day by day, relying on Him like she never has before. Now Kim’s best friend, Nat, is pregnant and soon to be married to Ben O’Conner, Caitlin’s younger brother. Nat is starry-eyed, believing

that once she and Ben are married, God will bless them and everything will work out because they’re doing the right thing. Kim’s not so sure. Is marriage the only solution for two seventeen-year-olds with a baby on the way? Why won’t they consider adoption? Kim knows about that firsthand—and is about to find out even more... Reader’s guide included Story Behind the Book “In book four, Kim’s life is still shadowed by the loss of her mother, but her faith is deepening. My best friend lost her mother to cancer in high school, and I was very involved in counseling, encouraging, and praying with my friend as she worked through her grief. That

experience helped me write Kim's story from an insider's perspective." – Melody Carlson

Diary of a Tokyo

Teen Melville House
Chloe, Josh Miller's younger sister, is a free spirit with funky clothes and dramatic hair. She struggles with her own identity, classmates, parents, boys, and -- her biggest question -- whether or not God is for real. But this unconventional high school freshman definitely doesn't hold back when she meets Him in a big, personal way. Refusing to change her image to fit into the "stereotypical Christian preppy mold," Chloe expresses God's love and grace through the girl band she forms, Redemption. In her

development as a musician and performer, tender-hearted Chloe will learn tough lessons about following God, her heart, and her dreams.

She's on the Money

New York : Four Winds Press

A book for comic lovers and Japanophiles of all ages, *Diary of a Tokyo Teen* presents a unique look at modern-day Japan through a young woman's eyes. Born in Tokyo to a Japanese mother and an American father in 1997, Christine Mari Inzer spent her early years in Japan and relocated to the United States in 2003. The summer before she turned sixteen, she returned to Tokyo, making a solo journey to get reacquainted with her birthplace.

Through illustrations, photos, and musings, Inzer documented her journey. In *Diary of a Tokyo Teen*, Inzer explores the cutting-edge fashions of Tokyo's trendy Harajuku district, eats the best sushi of her life at the renowned Tsukiji fish market, and hunts down geisha in the ancient city of Kyoto. As she shares the trials and pleasures of travel from one end of a trip to the other, Inzer introduces the host of interesting characters she meets and offers a unique—and often hilarious—look at a fascinating country and an engaging tale of one girl rediscovering her roots. **Listed as a 2016 Great Graphic Novel for Teens by the Young Adult Library Services Association**

Chloe: Book 4

Turtleback Books
Seventeen-almost eighteen-year-old Caitlin O'Conner finds herself trying to make it through her senior year, struggling with difficult decisions and discovering the constant, unwavering love of God. Meant to Be
Multnomah
It's challenging enough to be a normal high school senior -- but Caitlin O'Conner has a host of new difficulties to deal with in the third book of Melody Carlson's widely popular and fascinating teen series. Time is critical to help the orphans in Mexico, missions-minded Caitlin believes, but Mom and Dad are set on her attending college. Meanwhile, her relationship with Josh

takes on a serious tone via e-mail -- threatening her commitment to "kiss dating goodbye." When Beanie begins dating an African-American, Caitlin's concern over dating seems to be misread as racism. One thing is obvious: God is at work through this dynamic girl in very real but puzzling ways. A soul-stretching time of racial reconciliation at school and within her church helps her discover God's will as never before.

Santa Claus in Baghdad and Other Stories about Teens in the Arab World

Multnomah
First released in 2002, this provocative, critically acclaimed novel is now a major motion picture starring Bel Powley, Kristen Wiig, and Alexander

Skarsgård. "I don't remember being born. I was a very ugly child. My appearance has not improved so I guess it was a lucky break when he was attracted by my youthfulness." So begins the wrenching diary of Minnie Goetze, a fifteen-year-old girl longing for love and acceptance and struggling with her own precocious sexuality. After losing her virginity to her mother's boyfriend, Minnie pursues a string of sexual encounters (with both boys and girls) while experimenting with drugs and developing her talents as an artist. Unsupervised and unguided by her aloof and narcissistic mother, Minnie plunges into a defenseless, yet fearless adolescence.

While set in the libertine atmosphere of 1970s San Francisco, Minnie's journey to understand herself and her world is universal: this is the story of a young woman troubled by the discontinuity between what she thinks and feels and what she observes in those around her. Acclaimed cartoonist and author Phoebe Gloeckner serves up a deft blend of visual and verbal narrative in her complex presentation of a pivotal year in a girl's life, recounted in diary pages and illustrations, with full narrative sequences in comics form. *The Diary of a Teenage Girl* offers a searing comment on adult society as seen through the eyes of a young woman on the verge of joining it. This edition has been

updated by the author with an introduction reflecting on the book's critical reception and value as diary or novel, historical document or work of art. Also included in this revised edition are supplementary photographs and illustrations from the author's childhood, including some of her own diary entries. "Phoebe Gloeckner... is creating some of the edgiest work about young women's lives in any medium."—*The New York Times* "One of the most brutally honest, shocking, tender and beautiful portrayals of growing up female in America."—*Salon* "It's the most honest depiction of sexuality in a long, long time; as a meditation on adolescence, it picks

up a literary ball that's been only fitfully carried after Salinger."—Nerve.com

Road Trip Multnomah

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years,

until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

The Diary of a Teenage Girl Multnomah Redemption has made it to the bestseller chart, but what Chloe and the girls need most is some downtime to sift through the usual high school stress with grades, friends, guys, and the prom. Chloe struggles to recover from a serious crush on the band leader of Iron Cross. Then, just as an unexpected romance catches Redemption by surprise, Caitlin O'Conner - whose relationship with Josh is taking on a new dimension - joins the tour as their chaperone. Chloe's wild ride only speeds up, and this one-of-a-kind musician faces the fact that life may never be normal again.
Monday, June 13
prepare my heart for

the storm / keep me safe, keep me warm / heap those bags, around my heart / build that wall, before it starts / pile them up, and pile them high / keep me safe, keep me dry / before the waves come rushing in / Lord, please, make me strong again Chloe, Allie, and Laura split their time between "normal" high school life—going to classes, attending prom—and touring as Redemption, a rising new Christian band. When Allie's mom needs to bow out of their summer tour, Caitlin O'Conner fills in as chaperone. And a good thing, too. Caitlin is the perfect person to have around as Chloe's feelings for the handsome lead singer of Iron Cross continue to grow. Amid a grueling concert

schedule, Chloe realizes that attraction is a powerful and even dangerous force. But when death hits close to home, Chloe's heart is slammed by another emotion: guilt. In good times and bad, with blessing and temptation, and especially when things spin out of control, trusting God is the challenge. 'Cause there comes a time when we all have to face the music. Story Behind the Book Chloe and her band, Redemption, are being given amazing opportunities, but with it comes the responsibility of serving God wholeheartedly. In this book, perhaps more than the others in the Diary series, Chloe begins to grasp what sort of ministry (not just a music career)

that God is calling her to. As an author, I travel a similar road. I am constantly weighing my "art/craft" against what God is pressing on my heart to write, while striving to be authentic and uncompromising.

Kim: Book 1 Frog Books University life isn't what Caitlin expected. Her roommate Liz is hostile to her faith -- tormenting her with raunchy music and sleazy boyfriends. Worst of all, suddenly Caitlin doesn't understand herself anymore. Why has she regressed to being the shy, insecure girl she was in junior high? She doesn't even fit in with her new Christian fellowship group! Caitlin tries not to envy Josh and her friends at Christian colleges, but suddenly all she has

are questions and few answers. In the story of Caitlin O'Conner's soul, this frustrating year is the most significant one yet, as the homesick freshman eventually remembers there is one companion she can always trust.

Diary of a Teenage Girl: On My Own

Multnomah
 NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES "Irreversible Damage . . . has caused a storm. Abigail Shrier, a Wall Street Journal writer, does something simple yet devastating: she rigorously lays out the facts." —Janice Turner, The Times of London
 Until just a few years ago, gender dysphoria—severe

discomfort in one's biological sex—was vanishingly rare. It was typically found in less than .01 percent of the population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as "transgender." These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the internet community of trans "influencers." Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and "gender-affirming"

educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to “detransitioners”—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls’ social status, Shrier finds, but once they take the first steps of transition, it is

not easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier’s essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.

A [screenplay]

Multnomah

Abridged version of a Jewish girl's record of how her family hid from Nazi occupiers in World War II Holland.

Chloe: Book 3

Multnomah Fiction

Sixteen-year-old Kim Peterson learns more about herself and her friends, and practices her new commitment to God, by writing a teen advice column for

the newspaper on which her father is managing editor.

Caitlin: Book 3 Tuttle Publishing

In her first year at college, Caitlin's diary reflects on her homesickness, the challenges of rooming with a non-Christian, and evolving friendships, old and new.

A Not-So-Simple Life

Simon and Schuster

Through her phenomenally popular and award-winning podcast, She's on the Money, Victoria Devine has built an empowered and supportive community of women finding their way to financial freedom. Honest, relatable, non-judgemental and motivating, Victoria is a financial adviser who knows what millennial

life is really like and where we can get stuck with money stuff. (Did someone say 'Afterpay'...?) So, to help you hit your money goals without skimping on brunch, she's put all her expert advice into this accessible guide that will set you up for a healthy and happy future. Learn how to be more secure, independent and informed with your money - with clear steps on how to budget, clear debts, build savings, start investing, buy property and much more. And along with all the practical information, Victoria will guide you through the sometimes-tricky psychology surrounding money so you can establish the values, habits and

confidence that will help you build your wealth long-term. Just like the podcast, the book is full of real-life money stories from members of the She's on the Money community who candidly share their experiences, wins and lessons learned to inspire others to turn their stories around, too. And with templates and activities throughout, plus a twelve-month plan to get you started, you can immediately put Victoria's recommendations into action in your own life. You are not alone on your financial journey, and with the money principles in this book you'll go further than you ever thought possible.

*Diary of a Green
Monster Girl*

(Adventure Stories for Kids) Multnomah
What is it like to be a young person in the Arab world today? This lively collection of eight short stories about Arab teenagers living in Iraq, Tunisia, Egypt, the West Bank, Lebanon, Syria, Jordan, and a Palestinian refugee camp engagingly depicts young people's experiences growing up in the Middle East. The characters, drawn from urban and rural settings and from different classes as well as a mix of countries, confront situations involving friends, family, teachers, and society at large. Along with some specifically Middle Eastern issues, such as strife in Iraq, the hardships of life in a Palestinian refugee

camp, and honor crimes, the young people deal with more familiar concerns such as loyalty to friends, overcoming personal insecurities, dreams of a future career, and coping with divorcing parents. Coming of age in a complicated world, they meet life with

courage, determination, and, not least of all, humor. With accompanying notes that provide contextual information, Santa Claus in Baghdad brings a fresh perspective to youth literature about the Arab world.
