Cambridge O Level Physics with CD-ROM Cambridge University Press

The Cambridge IGCSE® & O Level Physics Exam Success Guide fully supports the latest Cambridge IGCSE (0625) & O Level (5054) syllabuses and is suitable for use alongside our Complete and Essential IGCSE Physics series. The Guide helps students cope with the increased rigour of linear IGCSEs by bringing clarity and focus to exam preparation and by providing explicit exam guidance. Learners can recap content through easy-to-digest chunks, apply this via targeted revision activities, review and reflect on their work, and use exam practice and worked examples to achieve best results. The Physics Exam Success Guide is written by Anna Harris, an IGCSE Physics examiner and experienced teacher, and Sarah Lloyd author of our Complete and Essential Physics Workbooks. Students can benefit from their expertise and excellent understanding of what support learners need in order to reach their full potential. Other resources are also available: a Practical Workbook, Student Books and Workbooks. The Practical Workbook helps students to achieve practical exam success. The Complete or Essential Student Book is at the heart of delivering the course and is available in print, online or in a great-value print and online pack. The Complete or Essential Workbook is for independent practice and strengthens exam potential inside and outside the classroom.
