Made popular by Cat Stevens, "Morning Has Broken" reaches new heights in this Lloyd Larson arrangement with a fresh Celtic feel. After a more introspective opening, reflecting a morning bird at dawn, a quicker tempo follows, as if the whole world is waking full of escalating excitement. This selection is a wonderful choice for a school's spring concert or for worship throughout the year!

The Story Of Yes - (Largely) In Their Own Words For his landmark 50th book, top rock writer Martin Popoff abandons his metal musings to celebrate the long and legendary life of Yes, a band he

has loved since the 1970s. Using a timeline format, Popoff disentangles the convoluted tale of the band's hirings and firings, their inspired creations, live triumphs and studio victories (as well as the occasional controversial failure.) With original interviews from Anderson, Bruford, Howe, Wakeman, the late Chris Squire and many others, the tale unfolds via an exhaustive chronology designed to satisfy the most knowledgeable of Yes fans. You just might learn what "Close To The Edge" actually means, or why Alan White and Jon Anderson might be seen prowling the junkyard for car parts! Not content with charting the band's history, Popoff covers the major projects outside the Yes umbrella, such as Asia, GTR and Rick Wakeman's extravaganzas, to paint a full picture. If you've been moved by classic albums like *Fragile*, *Close To The Edge*, *Relayer*, *Going For The One*, or more recent offerings like *Fly From Here* and *Heaven And Earth*, you'll love this book, which perfectly captures the spirit of progressive rock's first, biggest, and best band who have made it their mission to widen our perceptions of what music can be.

Includes: Another Saturday Night \* Father and Son \* The First Cut Is the Deepest \* Hard Headed Woman \* If You Want to Sing Out, Sing Out \* Longer Boats \* Moon Shadow \* Morning Has Broken \* Oh Very Young \* Peace Train \* Where Do the Children Play \* Wild World \* and more. Perfect for both aspiring musicians and pros! *Alfred's Basic Piano Library Lesson Book* BookPros, LLC (Ukulele). 20 songs to strum & sing, including: Another Saturday Night \* Can't Keep It In \* Father and Son \* The First Cut Is the Deepest \* Hard Headed Woman \* Moon Shadow \* Morning Has Broken \* Oh Very Young \* Peace Train \* Thinking 'Bout You \* Where Do the Children Play \* Wild World \* and more.

*A Memoir of Two Fathers and a Magpie* New York Review of Books Songs of Praise was first published in 1925, and is still an immensely popular hymnbook, particularly in schools. The compilation falls into two parts: Book 1 contains hymns grouped by subject and theme, together with a selection of verses, canticles and doxologies; Book 2 contains general hymns listed alphabetically by first line.

*The Very Best of Cat Stevens (PVG)* Hal Leonard Corporation Edited by Willard A. Palmer, this is Beethoven's complete Sonata,

Opus 27, No. 2. There are historical notes about the work and the composer, as well as illustrations, performance suggestions regarding staccato, notes by Carl Czerny, and additional footnotes within the score. Mr. Palmer notes that "the present edition has been carefully prepared from the original autograph manuscript and the first edition..."

**200 Exercises for Chorus and Solo Singers** Wise Publications In *The Little Bookroom*, Eleanor Farjeon mischievously tilts our workaday world to reveal its wonders and follies. Her selection of her favorite stories describes powerful—and sometimes exceedingly silly—monarchs, and commoners who are every bit their match; musicians and dancers who live for art rather than earthly reward; and a goldfish who wishes to "marry the Moon, surpass the Sun, and possess the World."

Wandering minstrel, Martin Pippin, encounters a lovelorn ploughman who begs him to release his beloved by entertaining the six young women sworn to guard her. This Martin Pippin does - telling beautiful tales of heartbreak, betrayal and everlasting love. But will the imprisoned Gillian ever be freed? This delightful collection will be loved by adults and children alike - a perfect introduction to sophisticated fairy tales. 'She is one of the few who can conceive and tell a fairytale . . . Before I had read five pages of Martin Pippin, I had forgotten who I was and where I lived. I was transported into a world of sunlight, of gay inconsequence, of emotional surprise, a world of poetry, delight and humour. And I lived and took my joy in that rare world, until all too soon my reading was done.' From J. D. Beresford's Foreword to the first American edition of 1922.

H is for Hawk meets *The Duke of Deception* in this wry, moving story of a young man who, as his estranged father is dying, saves a baby magpie only to find that caring for the mischievous bird

has, in fact, saved him. One spring day, a baby magpie falls out of its nest and into Charlie Gilmour's hands. Magpies, he soon discovers, are as clever and mischievous as monkeys. They are also notorious thieves, and this one quickly steals his heart. By the time the creature develops shiny black feathers that inspire the name Benzene, Charlie and the bird have forged an unbreakable bond. While caring for Benzene, Charlie comes across a poem written by his biological father, an eccentric British poet named Heathcote Williams who vanished when Charlie was six months old. As he grapples with Heathcote's abandonment, Charlie is drawn to the poem, in which Heathcote describes how an impish young jackdaw—like magpies, also a member of the crow family—fell from its nest and captured his affection. Over time, Benzene helps Charlie unravel his fears about repeating the past—and embrace the role of father himself. A bird falls, a father dies, a child is born. Featherhood is the unforgettable story of a love affair between a man and a bird. It is also a beautiful and affecting memoir about childhood and parenthood, captivity and freedom, grief and love.

The authorized biography of the most notorious rock manager of all time, Peter Grant, best known for his work with Led Zeppelin, by the author of Comfortably Numb Peter Grant is the most famous music manager of all time. Acknowledged as the "fifth member of Led Zeppelin," Grant has had his story appear in fragments across countless Zeppelin biographies, but none have explored who this brilliant and intuitive manager yet flawed and sometimes dangerous man truly was. No one has successfully captured the scope of his personality or his long-lasting impact on the music business. Acclaimed author and journalist Mark Blake seeks to rectify that. *Bring It On Home* is the first book to tell the complete, in-depth, and uncensored story of this industry giant. With support from Grant's family, new interviews with Led Zeppelin's surviving band members, and access to Grant's extensive archives as well as scores of unpublished material, including Grant's never-before-published final interview, Blake

sets out to not only shed new light on the history of Led Zeppelin but also on the wider story of rock music in the '60s and '70s. Grant had a hand in the careers of Chuck Berry, Rod Stewart, Bad Company, Queen, the Rolling Stones, The Who, Guns N' Roses, and countless others, and his revolutionary approach to business, which included putting the band first, created a new industry standard that's still in effect today. Full of new insights into Grant's early life, new details about the formation of and his relationship with Led Zeppelin, an unrevealed plot by Jamaican gangsters to kidnap the band members' children, letters from police regarding threats made against the band by American Satanists, as well as Grant's seclusion late in life after the dissolution of the band and his recovery from substance abuse, *Bring It On Home* reveals a man who, after the extraordinary highs and lows of a career in music management, found both peace and happiness in a more ordinary life. It is a celebration, a cautionary tale, and a compelling human drama.
