Deadly Decisions Simon
and Schuster

The first Temperance
Brennan novel in the
“cleverly plotted and
expertly maintained

series” (The New York Times Book Review) from the #1 internationally bestselling thriller writer Kathy Reichs. Her life is devoted to justice—even for those she never knew. In the year since Temperance Brennan left behind a shaky marriage in North Carolina, work has often preempted her weekend plans to explore Québec. When a female corpse is discovered meticulously dismembered and stashed in trash bags, Temperance detects an alarming pattern—and

she plunges into a harrowing search for a killer. But her investigation is about to place those closest to her—her best friend and her own daughter—in mortal danger... “A genius at building suspense” (Daily News, New York), Kathy Reichs’s Temperance Brennan books are both “accomplished and chilling” (People) and “ripe with intricate settings and memorable characters” (Milwaukee Journal Sentinel). **Deja Dead** Hachette UK

One recent skeleton among ancient bones raises questions—and danger—for forensic anthropologist Temperance Brennan in this newly repackaged thriller from New York Times bestselling author Kathy Reichs. Tempe Brennan is stuck teaching an archaeology field school for students at UNCC in Charleston, South Carolina. When she stumbles upon a recent skeleton among the ancient bones, she starts asking questions. She’s the expert they might

have called in, but lucky for the local police she's already there. The skeleton leads her to a free street clinic where patients have begun to go missing, and some have wound up dead. What is going on and who is to blame? The charismatic televangelist who oversees the clinic? The shady doctor who practices there? Or is it the clinic staff? Ryan is in Montreal, though he may come down for a visit. If he does, Tempe will have to juggle him and Detective Galiano, an old

flame, who is in town investigating the disappearance of wealthy young woman. This is a phenomenally high stakes business where one dead body can save a couple of lives, maybe more. Along with the corpses, Tempe investigates the sick moral logic of the mastermind behind the operation. Kathy Reichs has returned Tempe to America and put her in the middle of a sinister trafficking ring that's local and global. The suspense is intense, and the world is riveting. Kathy Reichs's

books are expert, smart, with a taut energy, and this is her best plot and best writing ever.

Buried Deep Penguin

Bones in Her Pocket

Simon and Schuster

Dr Temperance Brennan is in unfamiliar territory as she races to learn the truth from the bones - before it's too late. A new, exclusive straight-to-

digital short story from Kathy Reichs, world leading forensic anthropologist and No.1 bestselling author of *Deja Dead*, *Bones Are Forever* and *Bones of the Lost*. Dr. Tempe Brennan has seen it all. Human bones. Animal bones. Old bones. Young bones. Male bones. Female bones. What she hasn't seen is all of them mixed together in the same case. Until now. The foothills of North Carolina aren't the only unfamiliar territory Tempe faces as she races to learn the meaning of the Bones in

Her Pocket. Multi-million copy, international bestselling thriller writer Kathy Reichs is an expert in forensic science, giving her fiction an authenticity other crime writers would kill for. *Bones In Her Pocket* also gives readers the first chance to read the opening chapters of Kathy's new thriller, *Bones of the Lost*, out in August.

A Novel Random House
A new story featuring forensic anthropologist Temperance Brennan—available only in ebook—from #1 New

York Times bestselling author and FOX TV's *Bones* producer, Kathy Reichs. When a fly-covered canvas bag floats to the surface of North Carolina's Mountain Island Lake, forensic anthropologist Tempe Brennan is called to the scene. Animal remains? Or could this be related to bone fragments from a human male found nearby? To Tempe's surprise, the decomposed body indicates the person was a female young adult. The profile fits the description of a missing

graduate student named Edith Blankenship. Was Blankenship murdered? If so, why? Blankenship's body turned up on an artist colony where an eco-radical named Herman Blount has been squatting. Blount has posted online rants threatening to blow up a power station he says is polluting the area. Is Blount capable of violence? Blankenship was a loner, but she proved a dedicated advocate for birds at UNC-Charlotte and the Carolina Raptor Center.

Did Blankenship's passion lead her into danger? Alongside Detective "Skinny" Slidell, Tempe puts life on hold until she discovers the truth behind Blankenship's death. But Tempe's own passion for crime solving will lead her into danger of her own. This ebook exclusive story—which comes with a special excerpt of Kathy Reichs's new novel, *Bones of the Lost*—is an exhilarating new installment in the Temperance Brennan series. *Death Du Jour* Penguin

"If you like the TV show *Bones* (I do) or *Maximum Ride*, you'll love *Virals*."—James Patterson Another thrilling *Virals* adventure from New York Times bestsellers Kathy and Brendan Reichs. When twin classmates are abducted from Bolton Prep, Tory and the *Virals* decide there's no one better equipped than them to investigate. But the gang has other problems to face. Their powers are growing wilder, and becoming harder to control. *Chance Claybourne* is

investigating the disastrous medical experiment that twisted their DNA. The bonds that unite them are weakening, threatening the future of the pack itself. The Virals must decipher the clues and track down a ruthless criminal before he strikes again, all while protecting their secret from prying eyes. And everyone seems to be watching.

A Temperance Brennan Novel

Simon and Schuster
Freedom - in eleventh-century France, it is a luxury enjoyed by only the King and nobility. For the serf, it is surely worth fighting for. But is it worth dying for? Arriving home

disillusioned from the Crusades, Hugh DeLuc discovers that his village has been ransacked and his wife abducted. The dark riders came in the dead of night, like devils, wearing no colours but black crosses on their chests, leaving no clue as to who they are. Knights they may be, but honour and chivalry are not part of their code. They search for a relic, one worth more than any throne in Europe, and no man can stand in their way. Until Hugh, taking on the role of a jester, is able to

infiltrate the enemy's castle where he believes his wife is being held captive. And when a man is fighting for freedom - for his wife, and for everything he holds dear - he will prove a formidable opponent.

Flash and Bones

Penguin

#1 New York Times bestselling author Kathy Reichs returns with her twenty-first taut novel of suspense featuring forensic anthropologist Temperance Brennan who, after receiving a box with a human eyeball in it,

uncovers a series of ever more grisly killings eerily reenacting the most shocking of her prior cases. Winter has come to North Carolina and, with it, a drop in crime. For a while, temporarily idle forensic anthropologist Tempe Brennan is content to dote on her daughter Katy, finally returned to civilian life from the army. But when mother and daughter meet at Tempe's place one night for dinner, they find a box on the back porch. Inside: a very fresh human eyeball. GPS coordinates

etched into the eyeball lead to a Benedictine Monastery where an equally macabre discovery awaits. Soon after, Tempe examines a mummified corpse in a state park, and her anxiety deepens. There seems to be no pattern to these random killings, except that each mimics in some way a killing that a younger Tempe witnessed, analyzed, or barely escaped. Who or what is targeting her, and why? Helping Tempe discover the answers is Detective Erskine

"Skinny" Slidell, retired but still volunteering with the CMPD cold case unit—and still displaying his gallows humor. But as the two infiltrate a bizarre survivalist's lair, even Skinny's mood darkens. And then Tempe's daughter Katy disappears. At its core, *Cold, Cold Bones* is a novel of revenge and why revisiting the past may be the only way to rescue the present. [A Temperance Brennan Novel](#) Pocket Books In Kathy Reichs's tenth bestselling novel featuring

forensic anthropologist Temperance Brennan, the discovery of a young girl's skeleton in Acadia, Canada might be connected to the disappearance of Tempe's childhood friend. For Tempe Brennan, the discovery of a young girl's skeleton in Acadia, Canada, is more than just another case. Evangeline, Tempe's childhood best friend, was also from Acadia. Named for the character in the Longfellow poem, Evangeline was the most exotic person in Tempe's

eight-year-old world. When Evangeline disappeared, Tempe was warned not to search for her, that the girl was "dangerous." Thirty years later, flooded with memories, Tempe cannot help wondering if this skeleton could be the friend she had lost so many years ago. And what is the meaning of the strange skeletal lesions found on the bones of the young girl? Meanwhile, Tempe's beau, Ryan, investigates a series of cold cases. Two girls dead. Three missing.

Could the New Brunswick skeleton be part of the pattern? As Tempe draws on the latest advances in forensic anthropology to penetrate the past, Ryan hunts down a serial predator. [The classic forensic thriller \(Temperance Brennan 1\)](#) Simon and Schuster
A collection of pulse-pounding tales featuring forensic anthropologist Temperance Brennan—including the untold story of her first case! This ebook edition contains a special preview

of Kathy Reichs's upcoming novel *Two Nights*. The #1 New York Times bestselling author behind the hit Fox series *Bones*, Kathy Reichs is renowned for chilling suspense and fascinating forensic detail. The *Bone Collection* presents her trademark artistry in this collection of thrilling short fiction. In *First Bones*, a prequel to Reichs's first novel, *Déjà Dead*, she at last reveals the tale of how Tempe became a forensic anthropologist. In this never-before-published story, Tempe

recalls the case that lured her from a promising career in academia into the grim but addictive world of criminal investigation. (It all began with a visit from a pair of detectives—and a John Doe recovered from an arson scene in a trailer.) The collection is rounded out with three more stories that take Tempe from the low country of the Florida Everglades, where she makes a grisly discovery in the stomach of an eighteen-foot Burmese python, to the heights of Mount Everest,

where a frozen corpse is unearthed. No matter where she goes, Tempe's cases make for the most gripping reading. Praise for Kathy Reichs and the *Temperance Brennan* series "Nobody does forensics thrillers like Kathy Reichs. She's the real deal."—David Baldacci "Kathy Reichs writes smart—no, make that brilliant—mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher or Alex Cross."—James Patterson "Every minute

in the morgue with Tempe is golden.”—The New York Times Book Review

They are a pack. They are Virals. And they're dangerous to the core. But are they unstoppable enough to catch a cold-blooded murderer?
[Bones In Her Pocket \(Temperance Brennan Short Story\)](#) Simon and Schuster
Featuring a preview of the highly anticipated new

thriller *Speaking in Bones*, this eBook original novella showcases #1 New York Times bestselling author Kathy Reichs at the peak of her powers. In *Bones on Ice*, forensic anthropologist Temperance Brennan gets wrapped up in the ultimate cold case: a death on Mount Everest. It is called the “death zone”: the point on Everest, nearly five miles high, above which a climber cannot be rescued. More than 250 souls have lost their lives there. Most of the bodies remain,

abandoned, frozen in place. When an earthquake leads to a miraculous recovery, Dr. Temperance Brennan is hired to identify the frozen mummified human corpse. The victim is the daughter of a wealthy Charlotte couple who never got the chance to say goodbye. But far from offering solace and closure, Tempe's findings only provoke more questions. What happened on Mount Everest? Was the young woman's death an accident? Why aren't the

other climbers talking? And how far will those hiding the truth go to make sure the past stays buried? Praise for Kathy Reichs and the Temperance Brennan series "A genius at building suspense."—New York Daily News "Kathy Reichs writes smart—no, make that brilliant—mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross."—James Patterson "Reichs, a forensic anthropologist,

makes her crime novels intriguingly realistic."—Entertainment Weekly "One of the most distinctive and talented writers in the genre."—Sandra Brown "Every minute in the morgue with Tempe is golden."—The New York Times Book Review "Each book in Kathy Reichs's fantastic Temperance Brennan series is better than the last."—Lisa Scottoline "Reichs always delivers a pulse-pounding story."—Publishers Weekly "I love Kathy Reichs—always scary,

always suspenseful, and I always learn something.”—Lee Child
Bones Random House #1 New York Times bestseller! From extremist groups to NASCAR to forensic twists, Temperance Brennan is back in a turbo-charged story of secrets and murder. A body is found in a barrel of asphalt in a landfill just before Raceweek when 200,000 fans are pouring into town. The next day a NASCAR crewmember visits Temperance Brennan at the MCME and

tells his story. His sister, Cyndi Gamble, then a high school senior who wanted to be a NASCAR driver, disappeared twelve years before along with her boyfriend, Cale Lovette. Lovette used to hang out with a group of right-wing extremists known as the Patriot Posse. Is the body Cyndi’s? Or Cale’s? At the time of their disappearance, the FBI joined the investigation because of Cale’s association with extremists. But the search was quickly terminated.

Was there a cover-up? Tempe considers the multiple theories: did the pair take off together to join the underground militia and then get killed by militia types? Did Cale kill Cyndi and disappear into the militia underground? The case gets more complex when another man, Ted Raines, is identified as missing in Charlotte, where he had gone for the big race. Ted was an employee of the CDC in Atlantic. Could the body be his? What could Raines—if it is Raines—have been up to?
