*Company Law in Hong
Kong* Kluwer Law
International B.V.
As company law in
many parts of Asia
experiences dramatic

change, there has never been a more vital time to stay fully informed of the operation of company law in Asian countries. This book provides a definitive 'one stop' overview of company law in East Asia. Its comparative focus on

practical and policy related insights, compiled by experts in their field, makes this book an essential reference tool for all those seeking better legal knowledge of this region.

Hong Kong Company Law International Law & Taxation Pub
Derived from Kluwer's multi-volume Corporate Acquisitions and Mergers, the largest and most detailed database of M&A know-how available anywhere in the world, this work by highly experienced partners in the leading international law firm K&L Gates provides a concise, practical analysis of current law and practice relating to mergers and acquisitions of public and private companies in Hong Kong The book

offers a clear explanation of each step in the acquisition process from the perspectives of both the purchaser and the seller. Key areas covered include: structuring the transaction; due diligence; contractual protection; consideration; and the impact of applicable company, competition, tax, intellectual property, environmental and data protection law on the acquisition process. Corporate Acquisitions and Mergers is an invaluable guide for both legal practitioners and business executives seeking a comprehensive yet practical analysis of mergers and acquisitions in Hong Kong. Equivalent analyses of M&A law

and practice in some 50 other jurisdictions, all contributed by leading law firms, are accessible on-line at www.kluwerlawonline.com under Corporate Acquisitions and Mergers.

Butterworths Hong Kong Company Law Handbook

Wolterskluwer HK
This book focuses on current issues and developments in eight areas of commercial law patents, credit card fraud, transnational insolvency, the oversubscription of initial public offerings, the disqualification of company directors, the protection of company creditors, cross-border taxation, and unit trusts. A primary theme of most chapters is the impact of recent and ongoing commercial law

reform. Many of the authors discuss recent amendments to Hong Kong's commercial law and proposals of the Law Reform Commission or other bodies. The authors also make their own proposals for improving Hong Kong's legislation and case law.

Company Law in Hong

Kong Financial Times/Prentice Hall
 In China, the thirty-year economic reform reflects the process of moving from planned economy towards market economy. This could be seen From the changes in the 2005 Company Law, which recognizes the owners' property rights and gives more freedoms to them to decide various matters. In this new edition, besides offering a systemic the constitution of companies, the establishment of various companies, role and function of various parties in corporate governance, and corporate financing, Gu Minkang highlights the major changes in the 2005 Company Law, and addresses many new issues such as

shareholders' derivative action, American limited liability company, and asset restructuring of listed companies. Another important feature is a comparison between the 1993 Company Law and the 2005 Company Law that will facilitate reading and understanding. This comprehensive and up-to-date presentation of Chinese company law will be of value to all who are involved in business with and in China and their legal advisors, and to students of Chinese company law.

The Law & Practice of Hong Kong Companies
 Dartmouth Publishing Company
 Focusing on the Main Board Listing Rules,
 Hong Kong Listed Companies: Law &

Practice explains what the key rules require and how those requirements fit into practice in the context of the underlying policy behind the rules. The step-by-step approach taken by the authors - both experienced corporate finance lawyers in Hong Kong - features case studies, diagrams and flowcharts to illustrate the rules and give examples of their application. The presentation details the ins and outs of the main issues arising from such aspects as the following: the process and documentation required to get a company listed on the Hong Kong Stock Exchange; ongoing obligations of listed companies under the Listing Rules; and

ongoing obligations of listed companies and their shareholders under other relevant legislation, primarily the Securities and Futures Ordinance (such as market misconduct and disclosure of interests). As a practical, quick and easy-to-use guide to how the rules and legislation relating to listed companies apply, this is the ultimate guide. In addition to its usefulness as a standard reference, ready to consult at a moment's notice, it will be of enormous value as a guide to in-house counsel, company secretaries, and other practitioners and students who require an understanding of the legal background and practical application of the rules and legislation that

apply to listed companies.
