"'Every love story is unique and special'. Soulaitaire has compiled many such enticing and adorable love stories to create a cascade of emotions. None can ever explain the worth of love in words. The term 'LOVE' includes a storm of feelings, expressions, acquisitions, several told and untold moments, and much more. Without daring to define the feeling, 'Love Tales' is a fetching collection of a few love stories where each has own emotion stapled with. Some surprises and some flows like a whiff. This collection of stories is able to create a chimera that can hold the love sensations for long. 'Love Tales' is indeed a delightful book to present love, in various forms and natures."

What terms are currently up for debate in Indian society? How have their meanings changed over time? This book highlights key words for modern India in everyday usage as well as in scholarly contexts. Encompassing over 250 key words across a wide range of topics, including aesthetics and ceremony, gender, technology and economics, past memories and future imaginaries, these entries introduce some of the basic concepts that inform the 'cultural unconscious' of the Indian subcontinent in order to translate them into critical tools for literary, political, cultural and cognitive studies. Inspired by Raymond Williams' pioneering exploration of English culture and society through the study of keywords, *Keywords for India* brings together more than 200 leading sub-continental scholars to form a polyphonic collective. Their sustained engagement with an incredibly diverse set of words enables a fearless interrogation of the panoply, the multitude, the shape-shifter that is 'India'. Through its close investigation and unpacking of words, this book investigates the various intellectual possibilities on offer within the Indian subcontinent at the beginning of a fraught new millennium desperately in need of fresh vocabularies. In this sense, *Keywords for India* presents the world with many emancipatory memes from India.

"Spine chilling ... written with flair and clear-eyed acidity." — The New Yorker Based on actual events, *The Story of My Assassins* tells the story of a journalist who learns that the police have captured five hitmen on their way to kill him. Landing like a bombshell on his comfortable life, just as he's started a steamy affair with a brilliant woman, the news prompts him to launch an urgent investigation into the lives of his aspiring murderers—a ragtag group of street thugs and village waifs—and their mastermind. Who wanted him dead, and why? But the

investigation forces him to reexamine his own life, too—to confront his own notion of himself, his job, and his treatment of the women in his life, as well as his own complex feelings about the country that crafted his would-be killers. Part thriller and part erotic romance, full of dark humor and knife-edged suspense, *The Story of My Assassins* is a piercing literary novel that takes us from the lavish, hedonistic palaces of India's elite to its seediest slums. It is a novel of corruption, passion, power, and ambition; of extreme poverty and obscene wealth. It is an awesome adventure into the heart of today's India.

This book provides a vantage point of comparison, of the actual reality of decentralisation in India with Gandhi's vision of decentralised democracy, or what he referred to as Gram Swaraj. It looks at the historical evolution of panchayats from ancient times to India's independence, and critically discusses the developments after. It examines the functioning of the present Panchayati Raj Institutions (PRIs) and the performances of urban local bodies. The basic thrust of this work is the need for constitutional reforms meant to strengthen and deepen democracy. The book will be useful to those in political studies, policy studies, public administration and development studies.

AKASHVANI Disha Publications

For decades since Independence, India has been beset by some fundamental and chronic problems. There is poverty and inequity in society, the air in cities is hazardous, there's garbage on the roads, women feel unsafe in public places, the traffic is poorly managed, levels of basic education are low, the rural economy is decadent and there is an overall governance deficit. These problems have lasted so long that they often feel unsolvable in our lifetimes. But Goonmeet Singh Chauhan, an architect and futurist with a passion for transforming people's lives, argues that they can actually be solved decisively. For achieving this, he presents a new methodology that he calls Invertonomics -- inverting problems and looking at them instead as economic opportunities. He identifies eight persistent problem areas and proposes well-resolved, thought through, pragmatic and, in some cases, successfully implemented models for tackling them. These are solutions that will help us realize the dream of a great India. University of Virginia Press

It is a compilation of 107 articles on contemporary issues in society, politics and economy by Sudip Bhattacharyya over the years 1987 to 2015. The eight articles (written during a six years' span-1987 to 1992) were mainly on economics and finance focusing on financial liberalization, export market analyses and the new instruments of finance. The author resumed writing in 2010 with the publication of four essays on ethics, decision making and challenges in industry, trade and banking. From end-2010, he diversified into politics, sociology and management, while, retaining his first love in economics and finance. In the two sections on politics and sociology, 4 principal themes, apart from other contemporary happenings,were pursued namely the rise of Mamata, Kejriwal and Modi; federalism in approach to states and regional languages, Bangla in particular; declining ethos and

ethics in India especially West Bengal and his pet theme and hope in politics, carried in 4 articles, was Mamata-Modi and other CMS-Modi working jointly for development despite and inspite of ideological differences. In the section on economics and finance, themes were widened to include emerging problems and prospects and ideal directions in the development path of India and West Bengal and the need for an enabling entrepreneurship ecosystem.

BollySwar: 1991 - 2000 SUNY Press

BollySwar is a decade-wise compendium of information about the music of Hindi films. Volume 7 chronicles the Hindi film music of the decade between 1991 and 2000. This volume catalogues more than 1000 films and 7000 songs, involving more than 1000 music directors, lyricists and singers. An overview of the decade highlights the key artists of the decade - music directors, lyricists and singers - and discusses the emerging trends in Hindi film music. A yearly review provides listings of the year's top artists and songs and describes the key milestones of the year in Hindi film music. The bulk of the book provides the song listing of every Hindi film album released in the decade. Basic information about each film's cast and crew is provided and detailed music credits are provided. Where available, music credits go beyond information regarding music directors, lyricists and singers, and include the names of session musicians, assistants, programmers, arrangers, mixers, recordists, etc. Where applicable, music related awards are listed. Interesting trivia is listed for most films. This includes information about artist debuts, plagiarised or sampled songs, controversies and stories behind the making of the film and its music. This book is primarily meant as a quick reference for people looking for information related to a Hindi film or a song, but readers can also browse through the book to get an overview of the events that shaped Bollywood music in the decade. Given that Hindi films are a reflection of the Indian society, the reader can also glean insights about the country's socio-political and cultural environment from the book.

The Steel Frame: A History of the IAS Notion Press

The development and role of the Indian Civil Service was one of the dominant features of the period of the East India Company, and later, British rule in India. It is extraordinary how people employed by a trading company in a foreign land transformed into the most powerful civil service in the world. It was also the first civil service in the modern world where recruitment was on the basis of open competition and not through patronage. Though much criticized, it developed its own character and traditions. It is really unusual that such a service - defined as the 'steel frame', on which depended the fortunes and the survival of a huge empire - continued essentially with the same structure and traditions, along with the administrative systems developed over a century, into Independent democratic India. Although much has changed, even today the Indian Administrative Service retains some basic characteristics from the past. This system of governance as it evolved in India is indeed fascinating story. Well researched and detailed in its presentation, Deepak Gupta looks at changes from the past, its present, and also the future of the IAS. He also suggests some measures so that it could reinvent itself to play the important role envisaged by the makers of our Constitution.

A gender studies textbook that takes an anthropological approach. Gendered Lives takes a regional approach to examine gender issues from an anthropological perspective with a focus on globalization and intersectionality. Chapters present contributors' ethnographic research, contextualizing their findings within four

geographic regions: Latin America, the Caribbean, South Asia, and the Global North. Each regional section begins with an overview of the broader historical, social, and gendered contexts, which situate the regions within larger global linkages. These introductions also feature short project/people profiles that highlight the work of community leaders or non-governmental organizations active in gender-related issues. Each research-based chapter begins with a chapter overview and learning objectives and closes with discussion questions and resources for further exploration. This modular, regional approach allows instructors to select the regions and cases they want to use in their courses. While they can be used separately, the chapters are connected through the book's central themes of globalization and intersectionality. Nadine T. Fernandez is Professor of Anthropology at the State University of New York Empire State College. She is the coeditor (with Christian Groes) of *Intimate Mobilities: Sexual Economies, Marriage and Migration in a Disparate World*. Katie Nelson is Instructor of Anthropology at Inver Hills Community College. She is the coeditor (with Beth Shook, Kelsie Aguilera, and Lara Braff) of *Explorations: An Open Invitation to Biological Anthropology*.

After that terrible night fifteen years ago, Ishaan had vowed to never return to his hometown. But when his destiny has been so kind to our plans! When Ishaan thought life was at its best, the world was hit by a deadly pandemic. India went under complete lockdown, and he unwillingly ended up at a house he once called home. He isn't prepared to stay in Bhopal for an entire month. That too with the father he doesn't relate to anymore, an elder brother who broke his trust, and a mother who didn't stand for him all those years ago. He is figuring out what to do, when he fell

in love with *The Girl Next Door*. Ruhi is a well-known choreographer and the chief minister's daughter, back home for the lockdown. As much as people were staying away from each other, Ishaan's and Ruhi's hearts were coming closer to beat as one - in the 90's way. Their love was breathing the 1990s in 2020. Will this lockdown teach Ishaan to love once again? Will he learn the true meaning of forgiveness? Will his love story be eclipsed by the life-threatening pandemic? This extraordinary story of love will melt your heart and make you believe in the power of true love.

The Other Country Melville House

Peppered with heartfelt accounts and charming anecdotes, Urdu film magazines were in great favour with the public from the 1930s through the 1990s - a considerable period of seven decades. Unfortunately, as Urdu got progressively marginalised in later years, these magazines were not archived, for the most part; leading to their inevitable disappearance from popular

imagination. Tracking down these lost publications, Yasir Abbasi followed leads - some futile, some fruitful - to obscure towns and people's homes in a last-ditch effort to save valuable records of Indian cinema. As challenging as it was to locate faded issues and original texts, he managed to uncover and translate many fabulous memoirs covering a wide gamut of our favourite old artistes at their candid best. A gloom-laced piece on Meena Kumari by Nargis, a rollicking description by Raja Mehdi Ali Khan of an eventful evening with Manto (not to mention a mysterious woman and a house on fire), Jaidev writing about his chequered career, Balraj Sahni introspecting about the relevance of Hindi and Urdu in films - it's a rich mix of engrossing narratives brought back from oblivion.

This book traces the trajectory of the Indian Parliament from its formation to present day. The essays presented here explore parliamentary democracy through the formative years and highlight the Parliament's function as a representative and accountable institution, its procedures and responsibility, its connection with the other arms of the state, its relationship with grassroots democracy and the press, and its critical role in framing foreign policy and national security. The volume frames major debates surrounding the Parliament through historical, conceptual and contemporary political perspectives. It also looks at how politics in practice is being continuously changed and challenged by new social media and further views the transformation of India's apex legislative institution in terms of democratizing processes, constitutional values and changing mores. The book will be of great interest to scholars and researchers of Indian politics, history, comparative politics, political science and modern India.
