Purpose Driven Romance The last thing singles want is more rules. But if you're looking for an intentional, God-pleasing game plan for finding a future spouse, Joshua Harris delivers an appealing one. A compelling new foreword, an all-new "8 Great Courtship Conversations" section, and updated material throughout makes this five-year revision of the original Boy Meets Girl a must-have! Harris illustrates how biblical courtship—a healthy, joyous alternative to recreational dating—worked for him and his wife. Boy Meets Girl presents an inspiring, practical example for readers wanting to pursue the possibility of marriage with someone they may be serious about. Are you ready for "romance with purpose"? If you're fed up with self-centered relationships that end in disillusionment, it's time to rethink romance. Finding the loving, committed relationship you want shouldn't mean throwing away your hopes, your integrity, or your heart. In Boy Meets Girl, Joshua Harris—the guy who kissed dating goodbye—makes the case for courtship. As old-fashioned as it might sound, courtship is what modern day relationships desperately need. Think of it as romance chaperoned by wisdom, cared for by community, and directed by God's Word. Filled with inspiring stories from men and women who have rediscovered courtship, Boy Meets Girl is honest, romantic, and refreshingly biblical. Keep God at the center of your relationship as you discover how to:

- Set a clear course for your romance
- Get closer without compromise
- Find support in a caring community
- Deal with past sexual sin
- Make the right decisions about your future

New! Courtship Conversations Eight ideas for great dates that will help grow and guide your relationship. Story Behind the Book "I wrote I Kissed Dating Goodbye to challenge singles to drop the worldly approach to serial dating and reconsider the way they pursued romance in light of God's Word. Since then, I've received letters asking questions like, So, what comes between friendship and marriage? and, How can you know

when you are ready for marriage? Boy Meets Girl answers those questions. Now as a happily married man I can look back on my courtship with Shannon and see from personal experience that God is faithful. If you trust Him enough to wait on romance in dating, He will lovingly guide you as you pursue it in courtship...right to that wonderful moment when you kneel together at the altar." — Joshua Harris

SCRIPT TO SCREEN The Progressive Vision of K.A. ABBAS Khwaja Ahmad Abbas is known as a journalist, film director, scriptwriter and novelist. A contemporary of Dr. Mulkraj Anand, he was also an ardent champion of the masses who chose such themes for his artistic creation that would further the formation of an egalitarian society. This book undertakes an in-depth study of his novels, films and journalistic writings to explore his progressive vision as reflected in these creations. The year 2013 is the centenary year of Indian Cinema while 2014 is the birth centenary year of Khwaja Ahmad Abbas. This book, therefore, attempts to foreground the contribution of K. A. Abbas who is an author of more than seventy books in English, a writer of the longest-running column of Indian journalism and a maker of such path-breaking films which may not have been box - office hits but were milestones of Indian cinema. The present book places Abbas in the perspective Vis-a-vis the realism canon and then attempts to disentangle the different strands that go to make up the whole. The inquiry is both factual and interpretive and it is hoped that it would do justice in directing our attention towards a great writer whom time has shrouded over.

Told in two alternating timelines, this novel follows a friendship over twenty-five years. *Boy Meets Girl* is the story of a twenty-five-year friendship between Sammy Browne (young, idealistic, and broke) and Ben Eisenberg (older, jaded, and almost unimaginably rich)--two characters drawn together, and ultimately torn apart, by their differences. This novel tells the story of their relationship over the decades--from youthful flirtation to unrequited love, to long-term friendship that flourishes in middle age, to estrangement and then reunion. The novel unfolds in alternating chapters, toggling back and forth between Ben and Sammy as young people and in middle age, showing everything the characters hoped to become and how things turned out for them. *Boy Meets Girl* unfolds against the political and social backdrop of the last three decades, with Bill Clinton's election, the events of September 11, the wars in Iraq and Afghanistan, and even the Trump era providing context and contrast for the personal stories of the main characters.

Who said love and money do not mix? Usually a man pursues a woman with love and romance, which typically turns the fire on. However, sooner or later, money matters could extinguish this fire...if he does not know how to keep it burning. This book challenges men of all ages, married and unmarried, regardless of their economic backgrounds, to become men of success, equipped to adequately be the head of their homes. "Marriage is obviously a very important subject and in light of the high divorce rate in our culture, help must come from several different angles. Without "bashing" men or denying women the right to work if they choose to, this book by Natacha Kalicharan approaches the subject from a different perspective, while at the same time acknowledging that the western culture primarily made up of two income families. This book provides a strong look in the mirror so that men and women can see how they measure up before they get married." William Ray, Associate Pastor Natacha Sarthou Kalicharan, a high-achieving individual, left a well-paid professional career to become a mother and homemaker. She says, "The homemaking position is highly valuable and fulfilling as well as rewarding. I have heard of women who regretted not having been there to see their children grow because of their job or career, but I have not heard of women regretting not having gone to work." Today she is also the co-founder of World For Christ International Ministries, Inc., author of "Married but Still a Virgin," and a fund-raiser to build homes for the poor. Some of her achievements include modeling, commercials, being named 1990 Miami Orange Bowl Princess, preached alongside her husband on Trinity Broadcasting Network (TBN), and has ministered at numerous churches through liturgical dance and by teaching God's Word.

In Hollywood 1938, Catherine Jurca brings to light a tumultuous year of crisis that has been neglected in histories of the studio era. With attendance in decline, negative publicity about stars that were "poison at the box office," and a spate of bad films, industry executives decided that the public was fed up with the movies. Jurca describes their desperate attempt to win back audiences by launching Motion Pictures' Greatest Year, a massive, and unsuccessful, public relations campaign conducted in theaters and newspapers across North America. Drawing on the records of studio personnel, independent exhibitors, moviegoers, and the motion pictures themselves, she analyzes what was wrong—and right—with Hollywood at the end of a heralded decade, and how the industry's troubles changed the making and marketing of films in 1938 and beyond.
