<i>The Great Betrayal India After Independence</i>	<i>2023-08-12</i>
CURTIS CANTRELL	

A [Map of Betrayal](#) Blake Pub

The stroke of midnight on 15 August 1947 liberated 400 million Indians from the British Empire. One of the defining moments of world history had been brought about by a tiny number of people, including Jawaharlal Nehru, the fiery prime minister-to-be; Gandhi, the mystical figure who enthralled a nation; and Louis and Edwina Mountbatten, the glamorous but unlikely couple who had been dispatched to get Britain out of India without delay. Within hours of the midnight chimes, however, the two new nations of India and Pakistan would descend into anarchy and terror. INDIAN SUMMERdepicts the epic sweep of events that ripped apart the greatest empire the world has ever seen, and reveals the secrets of the most powerful players on the world stage: the Cold War conspiracies, the private deals, and the intense and clandestine love affair between the wife of the last viceroy and the first prime minister of free India. With wit, insight and a sharp eye for detail, Alex von Tunzelmann relates how a handful of people changed the world for ever.

The Secret History of the End of an Empire Psychology Press

The Betrayal of the Negro (originally published as The Negro in American Life and Thought: The Nadir, 1877-1901 and subsequently expanded) is the only full-scale account to document with encyclopedic research this neglected period in American history. The author examines every aspect of our country's post-Reconstruction retreat from equality: the economic factors, the Supreme Court decision, Booker T.

India's Development Experience Since Independence With Reference To Central And Western India W. W. Norton & Company

The Himalayas have saved India from many invasions, but when a veteran Border Intelligence Officer dies a cold death in the deep mountains, the intelligence establishment is sent into a tizzy. The information he extracted before dying confirms their worst nightmares. Little do they know it's just the beginning of a covert invasion that would change the Asian intelligence order forever. At a time when the Indians are trying to recover from the deadly Mumbai attacks, a more sinister plan is put into motion. The Indians call upon their best, and so Abhimanyu finds himself pulled from his honeymoon. His personal life has been put on hold, once again. From the high Himalayan mountain passes to the endless horizons of Thar, the leads take him to a point of no return. He wanted to retire soon, but the call of duty stretches him once again. While the enemy remains elusive, the possibility of a mole troubles him even more. Will he lose himself before he finds the truth, or will he let the truth find him and kill him?

From Rutherford B. Hayes To Woodrow Wilson Penguin

In this "meticulously researched" account (New York Times Book Review), a Pulitzer Prize-winning author examines the dangers of a failing public health system unequipped to handle large-scale global risks like a coronavirus pandemic. The New York Times bestselling author of The Coming Plague, Laurie Garrett takes on perhaps the most crucial global issue of our time in this eye-opening book. She asks: is our collective health in a state of decline? If so, how dire is this crisis and has the public health system itself contributed to it? Using riveting detail and finely-honed storytelling, exploring outbreaks around the world, Garrett exposes the underbelly of the world's globalization to find out if it can still be assumed that government can and will protect the people's health, or if that trust has been irrevocably broken. "A frightening vision of the future and a deeply unsettling one . . . a sober, scary book that not only limns the dangers posed by emerging diseases but also raises serious questions about two centuries' worth of Enlightenment beliefs in science and technology and progress." -- Michiko Kakutani, The New York Times

Betrayal of Indian Democracy Atlantic Publishers & Dist

White Mughals is the romantic and ultimately tragic tale of a passionate love affair that crossed and transcended all the cultural, religious and political boundaries of its time. James Achilles

Kirkpatrick was the British Resident at the court of the Nizam of Hyderabad when in 1798 he glimpsed Kahir un-Nissa—'Most excellent among Women'—the great-niece of the Nizam's Prime Minister and a descendant of the Prophet. Kirkpatrick had gone out to India as an ambitious soldier in the army of the East India Company, eager to make his name in the conquest and subjection of the subcontinent. Instead, he fell in love with Khair and overcame many obstacles to marry her—not least of which was the fact that she was locked away in purdah and engaged to a local nobleman. Eventually, while remaining Resident, Kirkpatrick converted to Islam, and according to Indian sources even became a double-agent working for the Hyderabadis against the East India Company. It is a remarkable story, involving secret assignments, court intrigue, harem politics, religious and family disputes. But such things were not unknown; from the early sixteenth century, when the Inquisition banned the Portuguese in Goa from wearing the dhoti, to the eve of the Indian mutiny, the 'white Mughals' who wore local dress and adopted Indian ways were a source of embarrassments to successive colonial administrations. William Dalrymple unearths such colourful figures as 'Hindoo Stuart', who travelled with his own team of Brahmins to maintain his temple of idols, and who spent many years trying to persuade the memsahibs of Calcutta to adopt the sari; and Sir David Ochterlony, Kirkpatrick's counterpart in Delhi, who took all thirteen of his wives out for evening promenades, each on the back of their own elephant. In White Mughals, William Dalrymple discovers a world almost entirely unexplored by history, and places at its centre a compelling tale of love, seduction and betrayal. It possesses all the sweep and resonance of a great nineteenth-century novel, set against a background of shifting alliances and the manoeuvring of the great powers, the mercantile ambitions of the British and the imperial dreams of Napoleon. White Mughals, the product of five years' writing and research, triumphantly confirms Dalrymple's reputation as one of the finest writers at work today.

Britain's Betrayal in India Simon and Schuster

In July 2007, Zimbabwe's worsening economy saw inflation skyrocket to 7,634 per cent, deepening the already chronic food shortages in a country where only one in five of the adult population is in employment.Months later, on 20 November 2007, Ian Smith, the former Prime Minister of Rhodesia died, leaving behind him a lifetime of resistance to black majority rule and the dangers that he believed it would bring to his country.Ian Smith was a man with the ability to excite powerful emotions in all who heard his name. To those who still revere his memory he was a hero, a mighty leader, a man whose formidable integrity led him into head-to-head confrontation with the Labour Government of Britain in the 1960s. To others, he was, and remains, a demon, a reactionary whose intransigence long delayed majority rule in an important corner of Africa.The last decades of the twentieth century and the first years of the new millennium have seen Zimbabwe spiral into a chaos of violence and towards the brink of economic collapse, prompting many to reappraise Smith's role and the prescience of his actions.In this revealing and important historical document, Ian Smith charts the rise and fall of a once-great nation. He tells the remarkable story behind the signing of the Unilateral Declaration of Independence, as well as the excesses of power that Mugabe has used to create the virtual dictatorship which exists in Zimbabwe today.

The Great Betrayal Kings Road Publishing

Working from both primary and secondary sources, Walter Reid explores Britain's role in the creation of the modern Middle East and the rise of Zionism from the early years of the 20th century to 1948, when Britain handed over Palestine to UN control. This is the first major assessment of Britain's role in the Middle East where the consequences of British involvement in the region can still be felt today. At the end of the First World War Britain and to a much lesser extent France created the modern Middle East. The possessions of the former Ottoman Empire were carved up with scant regard for the wishes of those who lived there. Britain was quick to see the riches promised by the black pools of oil that lay on the ground around Baghdad. Conflicting and ambiguous promises had been made to the Arabs during the war but were not honored. Brief hopes for Arab unity were dashed, and a harsh belief in Western perfidy persists to the present

day. This study seeks to answer how much Britain is to blame for the instability of the region and of the world-wide tensions that threaten the 21st century.

The Great Betrayal Penguin

Affectionately known as 'Bacha' Khan or 'Badshah' Khan amongst his people, Khan Abdul Ghaffar's life was dedicated to the social reform of the Pukhtuns, who traditionally adhere to a strict code of life called 'Pukhtunwali', which is governed by rather rigid tribal norms. Bacha Khan is an acknowledged leader in the hearts of the Pukhtuns across the world, due to his life long struggle to modernize Pukhtun society and his teachings of non-violence, adopted by his Khudai Khidmatgar (Servants of God) party, during the struggle for independence against the British. He stands tall in the pantheon of leaders of the movement for independence. A close associate of Mahatma Gandhi, his success in mobilizing the Pukhtuns of the North-West Frontier Province and the Tribal Areas through a non-violent struggle, had significant bearing on this movement, in which the Khudai Khidmatgar allied with the Indian National Congress. The Pushto edition of Bacha Khan's autobiography was first published in 1983 in Afghanistan, when he was 93 years old. Nearly four decades later the book has been translated and published for the first time in English. This translation was painstakingly done by Sahibzada at the request of Shandana Humayun Khan, to whom he has dedicated the book. Shandana's maternal great-grandfather was Qazi Ataullah, a close lieutenant of Bacha Khan's and a key figure in the Khudai Khidmatgar movement. Before the translation process started, Sahibzada and Shandana visited several members of Bacha Khan's family including his grandsons Nasir Ali Khan, Asfandayar Wali Khan and Saleem Jan. The translator shared a close friendship with Bacha Khan's son, Abdul Ghani Khan, the greatest Pukhtun poet of the century. The book is a result of the participation of several members of his family and those who have spent their lives studying Bacha Khan's philosophy. For the first time Bacha Khan's thoughts on Pukhtun society, his vision for a more equitable world achieved along the lines of non-violence have been researched, translated and made available for the world in his own words.

Political Instability in India Little, Brown Books for Young Readers

A Christian Science Monitor Best Book of the Year From the award-winning author of Waiting and War Trash: a riveting tale of espionage and conflicted loyalties that spans half a century in the entwined histories of two countries—China and the United States—and two families. When Lilian Shang, born and raised in America, discovers her father's diary after the death of her parents, she is shocked by the secrets it contains. She knew that her father, Gary, convicted decades ago of being a mole in the CIA, was the most important Chinese spy ever caught. But his diary, an astonishing chronicle of his journey as a Communist intelligence agent, reveals the pain and longing that his double life entailed—and point to a hidden second family that he'd left behind in China. As Lilian follows her father's trail back into the Chinese provinces, she begins to grasp the extent of his dilemma: he is a man torn between loyalty to his motherland and the love he came to feel for his adopted country. She sees how his sense of duty distorted his life, and as she starts to understand that Gary too had been betrayed, Lilian finds that it is up to her to prevent his tragedy from endangering yet another generation of Shangs. A stunning portrait of a multinational family and an unflinching inquiry into the meaning of citizenship, patriotism, and home,A Map of Betrayal is a spy novel that only Ha Jin could write. From the Hardcover edition.

The Memoirs of Ian Douglas Smith Notion Press

How can we explain the establishment and longevity of British rule in India without recourse to the

clichés of "imperial" versus "nationalist" interpretations? In this new history, Roderick Matthews offers a more nuanced view: one of "oblige and rule", the foundation of common purpose between colonizers and powerful Indians. Peace, Poverty and Betrayal argues that this was not a uniformly systematic approach, but rather a state of being: the British were never clear or consistent in their policies, and among British and Indians alike there were both progressive and conservative attitudes to the struggle over colonization. Matthews' narrative also takes in the East India Company, which was manifestly incompetent as a ruler by 1770, yet after 1820 arguably became the world's first liberal government. Skillfully tying these ambiguities and complexities of British rule in India to the ultimate struggle for independence, Matthews illustrates that the very diversity of British- Indian relations was at the heart of the social changes that would lead to the Freedom Struggle of the twentieth century. Skewering the simplistic binaries that often dominate the debate, Peace, Poverty and Betrayal is a fresh and gracefully written narrative history of British India.

Frank Anthony's 'The Story of the Anglo Indian community', is the first book in the Anglo Indian Heritage series. This famous book is often cited by researchers and writers on the community, it consists of 512 pages of brilliantly researched history and analysis by the author who let the community through its most difficult period. The others three Non Fiction titles in the Anglo Indian Heritage series are: (1) 'These Are The Anglo-Indians' by Reginald Maher - (2) 'Hostages to India': The Life story of The Anglo Indian Race by Herbert Alick Stark - (3) 'Cimmerii? Or Eurasians and Their Future' by Cedric Dover The books are called the Anglo Indian Heritage books as they chronicle the rich and colourful history of the Anglo Indian Community. This small community has had outstanding achievements at every level of society for hundreds of years but that record of achievement has been hidden, passed over or co-opted as British and Indian History. These Books are an attempt to fairly represent the history of the community by works by Anglo Indians themselves. While acknowledged is an outstanding work of research and scholarship by historians, the book is also interesting to read, as it tells a fascinating story. Frank Anthony Chronicles the history of the Anglo Indian community and covers the main periods in the life of the Community, outlining their achievements and their illustrious history. The first part is a account of the Earliest times of the Anglo Indians, 1639 to the period between the founding of the main settlements in Madras by the East India company and their expansion into the South Of India in 1791. The second part covers the period of conquest from 1791 to the great Indian mutiny. The book also covers the post mutiny period to the years after India's independence. In the Third part Frank Anthony, chronicles the post Independence battles that the community faced and life in India after the country became independent.

Revisiting the 26/11 Evidence Ballantine Books

An in-depth look at what truly happened when the Great Britain gave India its independence, from the author of Five Days from Defeat. When India became independent in 1947, the general view, which has prevailed until now, is that Britain had been steadily working for an amicable transfer of power for decades. In this book, Walter Reid argues that nothing could be further from the truth. With reference to a vast amount of documentary material, from private letters to public records and state papers, Reid shows how Britain held back political progress in India for as long as

possible—a policy which led to unimaginable chaos and suffering when independence was granted, and which created a legacy of hatred and distrust that continues to this day. Praise for Keeping the Jewel in the Crown “A fascinating, robust and provocative version of the sunset of the Raj.”

—Lawrence James, author of Raj: The Making and Unmaking of British India “A thorough and hard-hitting account . . . presented with clarity and sobriety.” —BBC History Magazine (UK) “An excellent and original work . . . A meticulously researched, pioneering study that will appeal to many in both countries.” —The Open (India) “It is a rare book that will alter the way you look at one of history’s pivotal events and one of its greatest tragedies, but this is one of them.” —Matt Rubin, Washington Times

Houghton Mifflin Harcourt

The author exposes numerous cases of scientific fraud and explains the reasons behind them, discussing peer review and revealing the failures of the current academic, government, and legal institutions charged with monitoring the scientific community.

Fraud in Science Little Brown

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, The Absolutely True Diary of a Part-Time Indian, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

THE JANUARY 2022 REESE'S BOOK CLUB PICK “In the way A Thousand Splendid Suns told of Afghanistan’s women, Thrity Umrigar tells a story of India with the intimacy of one who knows the many facets of a land both modern and ancient, awash in contradictions.” —Lisa Wingate, #1 New York Times bestselling author of Before We Were Yours In this riveting and immersive novel, bestselling author Thrity Umrigar tells the story of two couples and the sometimes dangerous and heartbreaking challenges of love across a cultural divide. Indian American journalist Smita has returned to India to cover a story, but reluctantly: long ago she and her family left the country with no intention of ever coming back. As she follows the case of Meena—a Hindu woman attacked by members of her own village and her own family for marrying a Muslim man—Smita comes face to face with a society where tradition carries more weight than one’s own heart, and a story that threatens to unearth the painful secrets of Smita’s own past. While Meena’s fate hangs in the balance, Smita tries in every way she can to right the scales. She also finds herself increasingly drawn to Mohan, an Indian man she meets while on assignment. But the dual love stories of Honor are as different as the cultures of Meena and Smita themselves: Smita realizes she has the

freedom to enter into a casual affair, knowing she can decide later how much it means to her. In this tender and evocative novel about love, hope, familial devotion, betrayal, and sacrifice, Thrity Umrigar shows us two courageous women trying to navigate how to be true to their homelands and themselves at the same time.

Christians and Jews in the First Four Centuries Good Press

An unforgettable and heart-wrenching story of love, betrayal and family secrets. In colonial India a young woman finds herself faced with an impossible choice, the consequences of which will echo through the generations... 1928. In British-ruled India, headstrong Sita longs to choose her own path, but her only destiny is a good marriage. After a chance meeting with a Crown Prince leads to a match, her family's status seems secured and she moves into the palace, where peacocks fill the gardens and tapestries adorn the walls. But royal life is far from simple, and her failure to provide an heir makes her position fragile. Soon Sita is on the brink of losing everything, and the only way to save herself could mean betraying her oldest friend... 2000. When Priya's marriage ends in heartbreak, she flees home to India and the palace where her grandmother, Sita, once reigned as Queen. But as grandmother and granddaughter grow closer, Priya has questions. Why is Sita so reluctant to accept that her royal status ended with Independence? And who is the mysterious woman who waits patiently at the palace gates day after day? Soon Priya uncovers a secret Sita has kept for years - and which will change the shape of her life forever... A breathtaking journey through India from British rule to Independence and beyond; a world of green hills, cardamom-scented air, and gold thread glinting in the sun, brought to life by Renita D'Silva's exquisite writing. If you love Kathryn Hughes, Dinah Jefferies or Kristin Hannah, this is the novel for you. What readers are saying about Renita D'Silva: 'WOW!!... I was absolutely blown away by this book and couldn't put it down. I'm going straight to Amazon to buy another book by Renita D'Silva - I need more! Just incredible... this is an absolutely stunning book which I can't praise enough.' Roxanne Starr, 5 stars 'So compelling I literally didn't want to put it down... A sheer joy to read and I am putting myself out on a limb by saying this is the best book I have read in this genre this year... A truly outstanding book.' Best Crime Books and More, 5 stars 'Every now and again a book comes along that I can't stop thinking about long after I've turned the last page. A Daughter's Courage was one of those books... An absolutely beautiful story... I really can't say anything that will adequately describe how much I enjoyed this book so I will just say that I highly recommend it... I loved every minute of it.' Twin Spin, 5 stars 'Renita D'Silva has done it again... Truly sensational story... Stunning... Remarkable and overwhelming... Renita's words are like liquid gold... This book even took over my dreams. My mind was completely mesmerised... I cannot recommend this book enough.' Little Miss No Sleep, 5 stars 'Heartrending... beautiful... a dream... I did not just love this book, I actually LIVED it. A Daughter's Courage is one of the most beautiful books I've ever read.' Relax and Read Book Reviews, 5 stars
