This Is Kind of  
an Epic Love  
Story Penguin  
How did a

revenge plot  
go so  
dazzlingly  
wrong? They  
were so  
innocent...

Lidia, your average girl next door. Jack Your all-American party boy. Life was great. Until love destroyed them. Mind, body, and soul. Now, they want payback. With a plot to win back their exes, by acting like a couple. How could it hurt? But soon, Jack and Lidia aren't so sure of their true feelings. Is this a charade, or the real thing? Can their friendship survive? Or will it blossom

into something more? And at what cost? Now, these teens face the greatest challenge of their lives. With everything to lose... The Wrong Kind of Compatible Graphofeel DIVSince his first recordings with Buffalo Springfield in 1967, Neil Young has been described as brilliant, cantankerous, confounding, ruthless, mercurial, and vexing. Regardless,

his profound musical influence and his status as a critical favorite cannot be denied. Now the first illustrated biography to span Young's 40-plus years as a recording and touring musician (and nearly as many forays into divergent musical genres, some wags might say), is updated through 2012./divFrom Young's earliest days in the Canadian folk and rock

scenes through his tenures with Buffalo Springfield and CSN&Y and on to his varied solo career backed by bands including the Stray Gators, the Ducks, the Bluenotes, Booker T. & the MGs, Pearl Jam, and, of course, Crazy Horse, every aspect of Young's long and varied career is covered. The book features the work of rock photographers from the 1960s to the present, as well as

concert posters and ephemera from around the world, including picture sleeves, LPs, ticket stubs, pins, T-shirts, backstage passes, and more. Notable musicians from around the world chip in with commentary, and the book is further complemented with a discography and sidebars examining topics like Young's involvement with Lionel toy trains (of which he is a part owner),

Farm Aid, and San Francisco's Bridge School. A Cosmic Kind of Love Funstory The first time I ever saw Caden Harper I'm pretty sure I fell in love. All that golden hair and pale blue eyes. He was mysterious and covered in paint. I found it endearing and wanted nothing more than to find out all his secrets. I gave that man things I would never give anyone else. He blew it

though. Which I shouldn't be surprised considering he is a womanizer. So I moved on, well kind of. Jaden Harper wasn't what I expected. I found myself drawn to him almost as much as his brother. Maybe it's the fact they are twins or maybe it was the fact I wanted to live on the wrong side for once in my life. Now I've found myself dug deep in this game. There's no end in sight and I wonder when

all the lies I have told will come back to haunt me. Neither man should know the things I've gone through. Neither should trust me. I'm not who I say I am. My past is full of things I won't ever share. But where will that lead me when Caden wants nothing more than to consume me? He won't wake up to see he has the wrong kind of love. My Name is Grace Breadfield and this is my story.

**Love** Simon and Schuster Micaela Once upon a time, a boy and a girl met and fell in love... That's the way my love story began, but unlike the fairy tale, it ended with me standing in the cemetery, watching my prince get

lowered into the ground, along with all our dreams. Now he's gone and I'm lost. Until an impromptu trip to my family's beach house has me spending time with Ryan. With his help, I'm learning to live again and make plans for the future. The only problem is, we both know they can't include him. So, when our time is up, we do the only thing we can do—go our separate ways. Ryan My entire life, I've

felt like the waves in a raging sea—crashing and breaking, never settling. Until Micaela stormed in like a hurricane, colliding into my life and my heart. I thought she'd be my destruction, but instead she turned out to be my calm. The more time we spend together, the more life she breathes into both of us. But all too quickly, our time is up and she's ready to face her future—one

I can't be a part of. So, I do the impossible and walk away. But life is crazy, and love knows no bounds. You might've thought this is where our story ends, but the truth is... it's only the beginning.

Grove Press  
In this timely, insightful, and darkly funny investigation, the acclaimed author of *Against Love* asks: what does living in dystopic times do to our ability to love each other

and the world? COVID-19 has produced new taxonomies of love, intimacy, and vulnerability. Will its cultural afterlife be as lasting as that of HIV, which reshaped consciousness about sex and love even after AIDS itself had been beaten back by medical science? Will COVID end up making us more relationally conservative, as some think HIV did within gay culture? Will it send us fleeing into emotional

silos or coupled cocoons, despite the fact that, pre-COVID, domestic coupledom had been steadily losing fans? Just as COVID revealed our nation to itself, so did it hold a mirror up to our relationships. In *Love in the Time of Contagion*, Laura Kipnis weaves (often hilariously) her own (ambivalent) coupled lockdown experiences together with those of others and

sets them against a larger backdrop: the politics of the virus, economic disparities, changing gender relations, and the ongoing institutional crack-ups prompted by #MeToo and Black Lives Matter, mapping their effects on the everyday routines and occasional solaces of love and sex. *The Overwhelming Power of Promises, Patience, and Faith* Simon & Schuster Books for Young Readers Author Jennifer Rothschild knows how easy it is for young women to feel overlooked and invisible. Through the Bible's most unusual love story, found in the book of Hosea, Jennifer helps young women see that God loves and cares for them in whatever situation they

find themselves in. They will discover that if you wander off, He will find you. If you are afraid, He will calm you. If you give up on Him, He will not give up on you. No matter where you are, God sees who you are and loves you faithfully. Through the story of Hosea and Gomer, God reaches out to you and says, "You are mine, and that makes you lovely. You matter and are never invisible to me."
