From the Booker Prize winning author of *Amsterdam*, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis's cleaning lady, whose education has been subsidized by Cecilia's and Briony's father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be changed - irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, *An Atonement* is a profound - and profoundly moving - exploration of shame and forgiveness, of atonement and of the possibility of absolution.

Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel *From the Mixed-Up Files of Mrs. Basil E. Frankweiler*. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her parents a lesson in Claudia appreciation. And she would go in comfort-she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly because he was a

miser and would have money. Claudia was a good organizer and Jamie had some ideas, too; so the two took up residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until she had discovered its maker, a question that baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her—well, without her, Claudia might never have found a way to go home. *Chronicles of England, Scotland and Ireland* York Notes

Pre-University Paper from the year 2016 in the subject English - Literature, Works, grade: 1, , language: English, abstract: The following study focuses on the characters of "Macbeth", Lady Macbeth, King Duncan and the Witches or Weird Sisters. The main

focus being why they are still discussed today. What makes the conflicted characters of "Macbeth" and Lady Macbeth so interesting? What do the witches represent? Is King Duncan a weak or generous King? At the time Macbeth was enjoyed by rich and poor and still is appreciated today, but why? If you type "William Shakespeare" into Google you will receive over 64 million results. And, although very little is known about his personal life the plays and poems he wrote have survived over four centuries and Shakespeare's works are the second most quoted after the Bible. This research paper will be focusing on "one of Shakespeare's most enduringly popular and globally influential plays": the tragedy "Macbeth". The play was probably written around 1606. The play focuses on a Thane called Macbeth who is driven by witches and by his wife into the murder of King Duncan in order to take the throne for himself. Since 1606 Macbeth has been performed uncountable times in theatres and screened several times, the most recent one being "Macbeth" (UK, 2015) with

Justin Kurzel directing and Michael Fassbender starring as Macbeth. Shakespeare's plays are still addressed in schools around the world.

This volume offers a wealth of critical analysis, supported with ample historical and bibliographical information about one of Shakespeare's most enduringly popular and globally influential plays. Its eighteen new chapters represent a broad spectrum of current scholarly and interpretive approaches, from historicist criticism to

performance theory to cultural studies. A substantial section addresses early modern themes, with attention to the protagonists and the discourses of politics, class, gender, the emotions, and the economy, along with discussions of significant 'minor' characters and less commonly examined textual passages. Further chapters scrutinize Macbeth's performance, adaptation and transformation across several media—stage, film, text, and hypertext—in cultural settings ranging from early nineteenth-century England to late twentieth-century China. The editor's extensive introduction surveys critical, theatrical, and cinematic interpretations from the late seventeenth century to the beginning of the twenty-first, while advancing a synthetic argument to explain the shifting relationship between two conflicting strains in the tragedy's reception. Written to a level that will be both accessible to advanced undergraduates and, at the same time, useful to post-graduates and specialists in the field, this book will greatly enhance any study of Macbeth.

 In *Pale Fire* Nabokov offers a cornucopia of deceptive pleasures: a 999-line poem by the reclusive genius John Shade; an adoring foreword and commentary by Shade's self-styled Boswell, Dr. Charles Kinbote; a darkly comic novel of suspense, literary idolatry and one-upmanship, and political intrigue. *Macbeth AQA English Literature* Simon and Schuster  
 In 1590 three hundred Scottish 'witches' were tried for plotting the murder of their King, James VI of Scotland (soon to be James I of England). James is known to have suffered from a morbid fear of violent death, and the trial heightened his anxiety over this apparently treasonous 'un-Christian' sect, and stimulated him to study

the whole subject of witchcraft. 'Daemonologie' is the result of this royal research, detailing his opinions on the topic in the form of a Socratic dialogue between the sceptic Philomathes and witch-averse Epistemon, who reveals many aspects of witch-craft. The book consists of three sections, on magic, on sorcery and witchcraft, and on spirits and ghosts, and ends with a lurid account of the North Berwick witch trials, based on the evidence of Dr John Fian, the alleged head of the coven, whose 'confession' was obtained with the aid of thumbscrews, the Boot, and by the ripping out of his fingernails. *For Aqa Levels 7, 8 and 9* Createspace Independent Publishing Platform
