Gray Malin  
turns his  
unique eye to  
the coasts,  
beaches, and  
landscapes of  
Italy. From the  
sparkling blue

waters of the Amalfi Coast to the dramatic coastal scenery of Cinque Terre, Gray Malin: Italy captures and celebrates many of the country's most famous and beloved destinations. Inspired by Malin's bestselling photographic series "La Dolce Vita," Gray Malin: Italy highlights timeless details of the Italian Riviera: happy beachgoers, retro beach umbrellas, luxury motorboats,

and of course, the sun-soaked water. Featuring never-before-seen, -published, or -privately-sold images, Gray Malin: Italy beautifully depicts the incomparable scenery and enviable lifestyle that the Italian coastline has to offer.

**Slim Aarons: Women**

Abrams  
In her long-awaited book, the legendary acting teacher Stella Adler gives us her extraordinary insights into the work of Henrik Ibsen

("The creation of the modern theater took a genius like Ibsen. . . Miller and Odets, Inge and O'Neill, Williams and Shaw, swallowed the whole of him"), August Strindberg ("He understood and predicted the forces that would break in our lives"), and Anton Chekhov ("Chekhov doesn't want a play, he wants what happens in life. In life, people don't usually kill each other. They talk"). Through the

plays of these masters, Adler discusses the arts of playwriting and script interpretation ("There are two aspects of the theater. One belongs to the author and the other to the actor. The actor thinks it all belongs to the author. . .The curtain goes up and all he knows are the lines. . .It is not enough. . .Script interpretation is your profession"). She looks into aspects of society and class, and into our cultural

past, as well as the evolution of the modern spirit ("The actor learns from Ibsen what is modern in the modern theater. There are no villains, no heroes. Ibsen understands, more than anything, there is more than one truth"). Stella Adler-- daughter of Jacob Adler, who was universally acknowledged to be the greatest actor of the Yiddish theater, and herself a disciple of

Stanislavsky-- examines the role of the actor and brings to life the plays from which all modern theater derives: Ibsen's Hedda Gabler, The Master Builder, An Enemy of the People, and A Doll's House; Strindberg's Miss Julie and The Father; Chekhov's The Seagull, Uncle Vanya, The Cherry Orchard, and Three Sisters ("Masha is the sister who is the mystery. You cannot reach her. You cannot reach

the artist. There is no logical way. Keep her in a special pocket of feelings that are complex and different"). Adler discusses the ideas behind these plays and explores the world of the playwrights and the history--both familial and cultural--that informed their work. She illumines not only the dramatic essence of each play but its subtext as well, continually asking

questions that deepen one's understanding of the work and of the human spirit. Adler's book, brilliantly edited by Barry Paris, puts her famous lectures into print for the first time. [Larrikin](#) Hachette UK It's the trip of a lifetime—a textile-based tour of colorful Rajasthan, India featuring more than 200 lush photographs depicting everyday life in one of the most vibrant regions in the world. "Get

lost in the beauty of the photographs in *Patterns of India*, a striking journey through the colorful Indian state of Rajasthan."—BuzzFeed *Patterns of India* is a visual experience that offers intimate insights into the diverse and richly hued Western Indian culture. Color is the thread that binds the vast country together, defining every aspect of life from religion and politics to

food and dress. Organized by the five dominant colors royal blue, sandstone, marigold, ivory, and rose, this book explores how deeply color and pattern exist in a symbiotic relationship and are woven into every part of the culture. For instance, the fuchsia found in the draping fabric of a sari is matched by the vibrant chains of roses offered at temple, and the burnt orange spices

in the marketplaces are reflected in the henna tattoos given to brides and wedding guests. While every color is imbued with meaning, it is often within the details of patterns that the full story comes to light. Photographer and writer Christine Chitnis spent over a decade traveling through, getting to know, and falling in love with the intricate patterns of everyday Rajasthani life. With history

and culture-based essays woven throughout the more than 200 stunning photographs of architecture, markets, cuisine, art, textiles, and everyday goings-on, *Patterns of India* captures the beauty and essence of this unique part of the world. *Rumours of Ophir* University of Texas Press With the focus on the Aussie blue-collar worker, 'Bondi Work' continues Freeman's

fascination with capturing what is intrinsic to male beauty. Following close on the heels of 'Bondi Urban', which portrayed lads of a surf and beach culture, Freeman's choice of models, the way he directs them into sharing intimate moments, his trademark use of dramatic lighting to elevate simple compositions, and his use of color, again infuses this work with a painterly romanticism. He uses his

fellow countrymen (Australia) to show us the virile attitude of the untamed, knows how to make the partially clothed form even more sensuous than the fully nude form, and creates photographs that are well conceived and executed and presented in a superb format. **Heroics** Blurb An emotional tale of identity, sexuality and suicide derived from personal experience about three

teenage boys who struggle to come to terms with their homosexuality in a small Western Australian town. On the surface, nerd Zeke, punk Charlie and footy wannabe Hammer look like they have nothing in common. But scratch that surface and you'd find three boys in the throes of coming to terms with their homosexuality in a town where it is invisible. Invisible Boys is a raw,

confronting YA novel that explores the complexities and trauma of rural gay identity with painful honesty, devastating consequences and, ultimately, hope.

Slim Aarons: Women explores the central subject of Slim Aarons's

career—the extraordinary women from the upper echelons of high society, the arts, fashion, and Hollywood. The book presents the women who most influenced Aarons’s life and work—and the other remarkable personalities he photographed along the way, including Audrey Hepburn, Jackie Kennedy, Diana Vreeland, and Marilyn Monroe, all

featured in unforgettable photographs. The collection contains more than 200 images, the majority of which have not appeared in previous books, along with detailed captions written by one of Aarons’s closest colleagues. Showcasing beautiful women at their most glamorous in some of the most dazzling locations across the globe, Slim Aarons: Women is a fresh look at the acclaimed

photographer through the muses who inspired his most incredible photographs. Also available from Slim Aarons: Poolside with Slim Aarons, Slim Aarons: Once Upon a Time, Slim Aarons: A Place in the Sun, and Slim Aarons: La Dolce Vita. **Heroics II** Cowboy Mouth Pub Dusk features some of the most masculine, perfectly and naturally built, handsome and sensual naked men within a

stunning array of hauntingly beautiful and raw outback settings. Paul Freeman has established himself at the pinnacle of his craft, not only as a photographer, but as a visual poet and artist eulogizing as he captures the spirit of the rugged yet sensitive Australian male in all his physical glory. His genius is to find the right men to photograph and then tell an enthralling story with his vision from behind the camera. From

the quality of the compositions and the lighting through to the texture of the outback locations, these are some of the most perfectly executed and delightful photographs in any collection, and set a tone of sophistication so rarely achieved in books of the male nude. **Hollywood Diva** Cowboy Mouth Pub A book of male nude portraits shot around the theme of manual

Photographer Alex Geana has captured the spirit of Fire Island over a four-year span, telling the story of The Pines from legendary pool parties to all-night

dancing on the beach. A fashion photographer in the commercial world, he brings his unique ability to simultaneously capture elegance and lifestyle with his lens by distilling the essence of The Pines in a glamorous and expansive body of photographic work. His pictures exude the happiness and joy the gay community find in a place where everyone can be free to

express their individuality and sexuality. Freedom of expression, the uniqueness and sense of place is found in every picture. He documents Fire Island from the Pines Party to the Meat Rack and goes on to show how global warming is affecting the experience, bringing attention to the preservation needs of this special place. *Larrikin*

Photographer Paul Freeman takes a sometimes tongue-in-cheek look at the way European men have adorned and mythologized themselves and their physical courage over the centuries, and refers for inspiration to monumental art and paintings that were the work of artists who tended to

depict a fantasy of sensuality rather than the brutal masculinity of reality. This sumptuous collection of gorgeous male art nude photographs is printed on large format art stock paper, another masterful tome by the inimitable Freeman, following closely on the heels of his bestselling Bondi and Outback series of books. *Larrikin Yakka* Paul Freeman Pub

A book of male nude portraits shot at evocative locations in the US and Australia *Heroics Bondi Road* This stunning volume is the follow-up to the very successful Bondi Classic the first book in the Bondi Series by Paul Freeman. At Bondi in Sydney, Australia, the eastward growth of the city is halted by the Pacific Ocean. Despite the unappealing architecture of the area, it has developed

among the warm climate and natural wonders a free-spirited subculture of young men. It is a mecca for young men from all over the world. Paul Freeman's work captures that free-wheeling and devil-may-care attitude of this current youth culture. **George Lucas's Blockbusting** Paul Freeman Publishing A comprehensive look at 300 of the most financially and/or critically

successful motion pictures of all time—many made despite seemingly insurmountable economic, cultural, and political challenges—set against the prevailing production, distribution, exhibition, marketing, and technology trends of each decade in movie business history.

Paul Freeman Publishing  
In the years following the announcement of the invention of photography in 1839, practitioners in France gave shape to this intriguing new medium through experimental printing techniques and innovative compositions. The rich body of work they developed proved foundational to the establishment of early photography, from the introduction of the paper

negative in the late 1840s to the proliferation of more standardized equipment and photomechanical technology in the 1860s. The essays in this elegant volume investigate the early history of the medium when the ambiguities inherent in the photograph were ardently debated. Focusing on the French photographers who worked with paper negatives, especially the key figures

Édouard Baldus, Gustave Le Gray, Henri Le Secq, and Charles Nègre, Real/Ideal explores	photography's status as either fine art or industrial product (or both), its repertoire of	subject matter, its ideological functions, and even the ever- experimental photographic process itself.
