Insight Guides Cruising & Cruise Ships 2025: Cruise Guide eBook The Unofficial Guides * Instant NEW YORK TIMES and USA TODAY bestseller ** GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 ** BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instragramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six *Silvia's Cucina* Hunter Publishing, Inc

The Velvet Rope Economy St. Martin's Griffin

Describes the amenities and destinations of a Disney Cruise Line vacation.

Cruise Tourism in the Caribbean HarperChristian + ORM

This book explores the lessons learned from half a century of Caribbean cruise tourism; one of the most popular and profitable sectors of the tourism industry. The modern-day cruise industry dates from the 1960s when the three major cruise lines, Carnival, Royal Caribbean, and Norwegian, set up shop in Florida and began selling winter cruises to the Caribbean targeting American retirees. For geopolitical reasons, the US initially excluded cruises to Cuba. This changed in 2016, following the historic Obama-Castro agreement to move towards diplomatic, trade and travel normalization. Cuba quickly became the Caribbean's fastest growing cruise destination. This book considers the limited economic benefits of cruise tourism, its environmental and social impacts, and the effects

of climate change, and "overtourism." Based on this analysis and case studies of key Caribbean and Mediterranean destinations, this book cautions against overdependence on cruise tourism and outlines reforms needed to bring more benefits and equity to Caribbean countries. It will be valuable to professionals, businesses, development agencies, NGOs, and academics interested in a sustainable cruise industry and the economic well-being of Caribbean island nations.

The Modern Mixologist Back Bay Books

If you want a holiday that's hassle-free, virtually pre-paid, and that lets you see lots of places while only needing to pack and unpack once, then you should try a cruise. This best-selling book, now in its landmark 30th year, is the cruise industry bible: it gives you all the information you need to choose the right cruise for you. Meticulously updated every year by cruise expert Douglas Ward, it is divided into two main parts: the first helps you work out what you're looking for in a cruise holiday and how to find it; the lively text and colour photographs describe every aspect of life on board, including safety, the highs and lows of the cruise experience and how to save money. The

second part contains unbiased reviews and fascinating detail of almost 300 ocean-going cruise vessels, and grades them on service, food, entertainment and facilities, using an internationally recognised ratings system.

Introduction to Information Systems Penguin

Memorialize your Alaskan cruise by journal writing the events, dates, sights, and sounds. When you get home you can take your photographs and make a photo book for yourself and the family by detailing information from your journal underneath your favorite photos.

Your no-nonsense, consumer-oriented guide to Disney's Cruise Line *The Unofficial Guide to the Disney Cruise Line* by Len Testa with Erin Foster, Laurel Stewart, and Ritchey Halphen describes the best of Disney's ships and itineraries, including a couple of stellar restaurants, top-notch children's activities, and Castaway Cay, one of the best vacation islands in the Caribbean. The book also lists which on-board entertainment and restaurants should be skipped, including recommendations on what to do instead. Along the way, this indispensable travel companion shows how to save money, choose the right stateroom, ship, and itinerary, and how to get to and from the cruise with ease. The guide also provides full coverage of the Disney-run European river cruises and includes itinerary and port guides.

Wiltonian [1948-1949] Apa Publications (UK) Limited

A comprehensive tourism manual, with contributions from top industry experts from The Bahamas and the Caribbean. Designed primarily for high school and college students in the Caribbean region as well as those interested in furthering their tourism career. "I congratulate and thank Angela Cleare and her contributing partners for this outstanding contribution to travel and tourism literature from a Caribbean perspective. It is obvious that a great deal of work has gone into this well-written book which covers all the elements of the travel and tourism industry as they relate to the region. I believe this will be not only an indispensable textbook for teachers and students and a handbook for investors and others directly involved in the industry but also a publication of interest to all of us who are in one way or another affected by the industry. I am particularly pleased to see the attention paid to ecotourism and the relationship between the industry and the environment." - Arthur A. Foulkes

Black Enterprise John Wiley & Sons

New York Times–bestselling author of *The Psychopath Test* Jon Ronson writes about the dark, uncanny sides of humanity with clarity and humor. *Lost at Sea*—now with new material—reveals how deep our collective craziness lies, even in the most mundane circumstances. Ronson investigates the strange things we're willing to believe in, from robots programmed with our loved ones' personalities to indigo children to the Insane Clown Posse's juggalo fans. He looks at ordinary lives that take on extraordinary perspectives. Among them: a pop singer whose greatest passion is the coming alien invasion, assisted-suicide practitioners, and an Alaskan town's Christmas-induced high school mass-murder plot. He explores all these tales with a sense of higher purpose and universality, yet they are stories not about the fringe of society. They are about all of us. Incisive and hilarious, poignant and maddening, revealing and disturbing—Ronson writes about our modern world, and reveals how deep our collective craziness lies, and the chaos stirring at the edge of our daily lives.

If you want to save money and take excursions of your own, we'll provide detailed itineraries including new maps to help you explore the best that each port has to offer.

Airline, Ship & Catering Onboard Services Magazine Bloomsbury Publishing

Choosing a bottle of wine should be fun, not frightening. After all, one of the most important elements of enjoying wine is not so much the vintage or the vineyard but the occasion on which it is enjoyed. In their new book, *Wine for Every Day and Every Occasion*, Dorothy J. Gaiter and John Brecher, authors of the popular weekly "Tastings" column in the Wall Street Journal, give you the kind of honest, accessible wine information that is hard to find. In *Wine for Every Day and Every Occasion*, Dottie and John, as they are known to their fans, answer the most frequently asked questions about what wine to drink on specific occasions. They cover all the bases: What wine should I put away for my newborn's twenty-first birthday? What wine is best with Thanksgiving turkey? They also suggest ways in which wine can make every day a little bit more of an occasion -

- how to throw a wine tasting, how to start a wine-tasting group, even how to add wine to your tailgating party. And they share scores of tips from people like you. Chapters include lists of specific wines and provide readers with suggestions for choosing Champagne to ring in the New Year and for chilled whites (and even reds) to drink in the summer. There is no stodginess about vintages and there are no numbered ratings. *Wine for Every Day and Every Occasion* gives you simple, straightforward advice to help you choose the best wines for life's best moments. As Dottie and John say, "The problem with most wine books is that they are about wine. Our book is about life." So raise your glass to *Wine for Every Day and Every Occasion*. And drink to life.

The Unofficial Guide to Disney Cruise Line 2017 Unofficial Guides

These widely acclaimed essays from the author of *Infinite Jest* -- on television, tennis, cruise ships, and more -- established David Foster Wallace as one of the preeminent essayists of his generation. In this exuberantly praised book -- a collection of seven pieces on subjects ranging from television to tennis, from the Illinois State Fair to the films of David Lynch, from postmodern literary theory to the supposed fun of traveling aboard a Caribbean luxury cruiseliner -- David Foster Wallace brings to nonfiction the same curiosity, hilarity, and exhilarating verbal facility that has delighted readers of his fiction, including the bestselling *Infinite Jest*.

The Accidental Salesperson Anchor

"Drink" investigates the history of the most Jekyll and Hyde of all fluids--alcohol--and traces humankind's love/hate relationship with it from ancient Egypt to the present day. Gately also provides a history of the world's most famous drinks--and the world's most famous drinkers.
