<b>The Essential Lotus</b> Sterling Publishers Pvt. Ltd Drawing on a deep knowledge of Christian scripture as well as Hindu philosophy, musician and teacher Russill Paul reveals that the mystical core of religion offers us much more than the simple solace of unthinking dogma. By demonstrating that these two seemingly separate and irreconcilable religions can actually unite in one person's spiritual practice at the center of his life — as they did in his — he offers an alternative to religious intolerance and strife, as well as hope for personal liberation.	this enduring classic. Lopez traces the many roles the Lotus Sutra has played in its travels through Asia, Europe, and across the seas to America. The story begins in India, where it was one of the early Mahayana sutras, which sought to redefine the Buddhist path. In the centuries that followed, the text would have a profound influence in China and Japan, and would go on to play a central role in the European discovery of Buddhism. It was the first Buddhist sutra to be translated from Sanskrit into a Western language—into French in 1844 by the eminent scholar Eugène Burnouf. That same year, portions of the Lotus Sutra appeared in English in The Dial, the journal of New England's Transcendentalists. Lopez provides a balanced account of the many controversies surrounding the text and its teachings, and describes how the book has helped to shape the popular image of the Buddha today. He explores how it was read by major literary figures such as Henry David Thoreau and Gustave Flaubert, and how it was used to justify self-immolation in China and political extremism in Japan. Concise and authoritative, this is the essential introduction to the life and afterlife of a timeless masterpiece.
<i>Jewel in the Lotus</i> Macmillan Since its first appearance in China in the third century CE, the Lotus Sutra has been the object of intense veneration among generations of Buddhists in China, Korea, and Japan, as well as other parts of the world. It is often considered the fundamental Mahayana Buddhist sutra, has attracted more commentary than any other Buddhist scripture, and has had a profound impact on the great works of Japanese and Chinese literature. No one can understand East Asia without some knowledge of its teachings. This abridged edition of Burton Watson's acclaimed translation contains this sutra's essential chapters, derived from the most authoritative and felicitous version of the sutra, translated from Sanskrit into Chinese in 406 by the great Central Asian scholar-monk Kumarajiva. The Essential Lotus refines the focus from the sprawling magnitude of the original to the chapters that expound its core ideas and have been the most influential in the later development of Buddhist and East Asian thought. From the famous parable of the burning house to the firm assertion that women can attain the highest enlightenment, from a sermon preached in midair around a miraculously floating jewel-adorned tower to the principle that the Buddha is not to be delimited in time or space, The Essential Lotus presents the riches and profundities of one of the most beautiful treasures in any religious heritage.	<b>The Lotus Sūtra</b> Jewel in the LotusThe Tantric Path to Higher Consciousness : a Complete and Systematic Course in Tantric Kriya Yoga The Jewel in the Lotus: This book is a masterpiece and with good reason can be called the flagship amongst Dr. Baker's many books. Tantra is revealed as the gateway to a blissful new world. The book represents a significant milestone in revealing these profound mysteries to the contemporary world.
<b>The Practice of Guru Yoga According to the Longchen Nyingthig Tradition</b> Baker eBooks Publishing The Lotus Sutra is one of the world's great religious scriptures and most influential texts. It has been a seminal work in the development of Buddhism throughout East Asia, and by extension in the development of Buddhism throughout the world. Taking place in a vast and fantastical cosmic setting, the Lotus Sutra places emphasis on skillfully doing whatever is needed to serve and compassionately care for others, on breaking down sharp distinctions between the ideals of the fully enlightened Buddha and the bodhisattva who vows to postpone personal salvation until all beings may share it together, and especially on each and every being's innate capacity to become a buddha. Wisdom's publication of Gene Reeve's contemporary translation of the Lotus Sutra was a landmark event, and his translation was hailed as "immediately the new standard." Yet even in perfect translation, the full meaning of any Buddhist scripture can still be challenging to grasp. Now, in this equally important volume, Reeves presents the most important themes and most remarkable and memorable stories from the Lotus Sutra along with a distillation of his decades of reflection on them in accessible, easy-to-read, "plan English" style. This book will be the perfect companion to Reeves' translation, as well an excellent stand alone introductory book.	<i>The Jew in the Lotus</i> Shambhala Publications A course in Tantric Kraya Yoga.
