El Filibusterismo (Continuacion del Noli Me Tangere) W. W. Norton

An incendiary novel that brings to light the long-drawn-out indignities suffered by ordinary Filipinos at the hands of the Spanish friars and statesmen in 19th century Philippines. Thirteen years after the events of *Noli Me Tangere*, the idealistic intellectual Crisostomo Ibarra resurrects as the cruel and fabulously wealthy jeweler, Simoun. He sows the seeds—and the guns—for the armed uprising against the Spanish through his influence on the Governor General and his social clout in Manila’s upper echelons. His nefarious plans bring together several young idealistic university students—among them Basilio, whose mother Ibarra helped bury

thirteen years before, and Isagani, the poet and passionate debater. In the battle for the soul and independence of the Philippine nation, which will prevail once and for all—peaceful reforms or armed struggle? In this second novel, Jose Rizal continues to wrestle with the need for reforms for the betterment of his countrymen. This yields some dark and difficult answers that brought about not only his execution, but also the first nationalist revolution in Asia.

José Rizal has a good claim to being the

first Asian nationalist. An extremely talented Malay born a hundred years ago in a small town near Manila, educated partly in the Philippines and partly in Europe, Rizal inspired the Filipinos by his writing and example to make the first nationalist revolution in Asia in 1896. Today the Philippines revere Rizal as their national hero, and they regard his two books, *The Lost Eden* (*Noli Me Tangere*) and *The Subversive* (*El Filibusterismo*) as the gospel of their nationalism. *The Subversive*, first published in 1891, is strikingly timely today. New nations emerging in Africa and Asia are once again in conflict with their former colonial masters, as were the Filipinos with their Spanish rulers in Rizal's day. *The Subversive* poses questions about colonialism which are

still being asked today: does a "civilizing mission" justify subjection of a people? Should a colony aim at assimilation or independence? If independence, should it be by peaceful evolution or force of arms? Despite the seriousness of its theme, however, *The Subversive* is more than a political novel. It is a romantic, witty, satirical portrait of Spanish colonial rule in the Philippines at the end of the nineteenth century, written in the tradition of the great adventure romances. The translation by Leon Ma. Guerrero, Philippine ambassador to the Court of St. James, conveys the immediacy of the original, and makes this important work available to a new generation of readers. His translation of *The Lost Eden* is also available in the Norton Library.

The most beloved Iranian novel of the twentieth century “God forbid, I’ve fallen in love with Layli!” So begins the farce of our narrator’s life, one spent in a large extended Iranian family lorded over by the blustering, paranoid patriarch, Dear Uncle Napoleon. When Uncle Napoleon’s least-favorite nephew falls for his daughter, Layli, family fortunes are reversed, feuds fired up and resolved, and assignations attempted and thwarted. First published in Iran in the 1970s and adapted into a hugely successful television series, this beloved novel is now “Suggested Reading” in Azar Nafisi’s Reading Lolita in Tehran.

My Uncle Napoleon is a timeless and universal satire of first love and family intrigue.

The Stunning continuation of José Rizal's great revolutionary epic of the Philippines - in a new translation Picking up the story of Noli Me Tangere thirteen years later, El Filibusterismo presents a gripping tale of obsession and revenge. Gone are the Noli's themes of innocent love, its hero, Ibarra, a man of great integrity and vision, replaced by the mysterious jeweller Simoun and a venal and reprehensible-cast of characters. The result of Rizal's growth as a writer and influenced by his exposure to international events, El Filibusterismo is

a riveting and suspenseful account of Filipino resistance to colonial rule that still resonates today. 'Augenbraum has done a masterful job translating El Filibusterismo and provides another elegant, well-researched and thoughtful introduction. Though the Noli remains the better known of the two, this powerful sequel shows us a more complicated, tough-minded Rizal and deserves a wider readership.' - Jessica Hagedorn Translated with an Introduction and Notes by HAROLD AUGENBRAUN

The Subversive (El Filibusterismo)

El filibusterismo es la segunda novela escrita por José Rizal y es la continuación de Noli me tangere. Rizal empezó a escribir su novela en 1887. El manuscrito fue terminado el 29 de marzo de 1891, en Biarritz. El libro trata sobre el regreso a Filipinas del principal personaje de la novela Noli me tangere, Crisóstomo Ibarra, convertido en el rico y famoso joyero Simoun. Desilusionado por los abusos de los españoles, Ibarra convence a Basilio para que detone una bomba en una reunión social, señalando el principio de una revolución. La novela muestra un dilema, vivido por el propio Rizal. ¿La violencia puede ser la solución a la injusticia o es posible conseguir cambios sociales mediante posiciones pacifistas?

The Reign of Greed- El Filibusterismo

Anvil Publishing, Inc.
El Filibusterismo, the second of José Rizal's novels of Philippine life, is a story of the last days of the Spanish regime in the Philippines. Under the name of The Reign of Greed it is for the first time translated into English. Written some four or five years after Noli Me Tangere, the book represents Rizal's more mature judgment on political and social conditions in the islands, and in its graver and less hopeful tone reflects the disappointments and discouragements which he had encountered in his efforts to lead the way to reform. Rizal's dedication to the first edition is of special interest, as the writing of it was one of the grounds of accusation against him when he was condemned to death in 1896.

FILIPINIANA BIBLIOGRAPHY Franklin Classics Trade Press

El Filibusterismo continues the story of Crisostomo Ibarra in the person of Simoun, the rich jeweler, who returns to the Philippines after a 13-year old absence. Simoun, who is plotting a revolution against the Spanish government and attempts to rescue Maria Clara from the nunnery, will do what it takes to avenge the wrongs that were done to him.

A Sequel to Noli Me Tangere
Createspace Independent Publishing Platform

El Filibusterismo (The Subversive) is the second novel by José Rizal (1861–1896), national hero of the Philippines. Like its predecessor, the better-known Noli Me Tangere, the Fili was written in Castilian

while Rizal was traveling and studying in Europe. It was published in Ghent in 1891 and later translated into English, German, French, Japanese, Tagalog, Ilonggo, and other languages. A nationalist novel by an author who has been called "the first Filipino," its nature as a social document of the late-nineteenth-century Philippines is often emphasized. For many years copies of the *Fili* were smuggled into the Philippines after it was condemned as subversive by the Spanish authorities. Characters from the *Noli* (Basilio, Doña Victorina, Padre Salvi) return while new ones are introduced: Simoun, the transformed Ibarra; Cabesang Tales and his struggle for justice; the nationalist student Isagani; the Indio priest Padre

Florentino. Through them the colonial milieu is expanded—its officialdom, education, legal system, power plays, social patterns—and seen anew as context for conflict and insight.
