ANGELIC FACT

NUMBER 100: Having wings doesn't make one noble; it simply makes one fly. Naya and Adam have nothing in common. Besides black wings. The same birthday. And fathers who are as close as brothers. But nothing else. Sweet, diligent Naya has always abided by the rules. Arrogant, uncivil Adam has made it his life's mission to break each one. She is the beloved daughter of an archangel. He is the guilds' resident bad boy . . . well, bad fletching. When Naya thrusts herself in Adam's life to request a place on his clandestine team of guardians, he turns her

away. The last thing his unsanctioned squad needs is an archangel's attention, and the last thing he needs is a bubbly, blonde distraction with a sinful voice and soulful eyes. Problem is, Naya suddenly, and inexplicably, becomes the only thing he wants. Fans of steamy supernatural romance will want to scroll up and one-click to start reading the enemies-to-lovers trilogy finale today.

‘OMG!!! SHUT THE FRONT DOOR!!!!... The

most heart-racing book I've read in a long time, if not ever!!! It had me hook, line and sinker from the first page and I could not put it down!!!... Clear your day because it is truly unputdownable... What an absolute twist!!!... If you read one book in your life, make sure it is this!!!!' Bookworm86, □□□□

Sometimes, the most perfect families are hiding the most terrible secrets. How well do you know the people next door...? Everybody wants to live on Hogarth Street, the pretty, tree-lined avenue with its white houses. The new family, the Wests, are a perfect fit. Katherine and John seem so in love and their gorgeous five-year-old twins race screeching around their beautiful

emerald-green lawn. But soon people start to notice: why don't they join backyard barbecues? Why do they brush away offers to babysit? Why, when you knock at the door, do they shut you out, rather than inviting you in? Every family has secrets, and on the hottest day of the year, the truth is about to come out. As a tragedy unfolds behind closed doors, the dawn chorus is split by the wail of sirens. And one by one the families who tried so hard to welcome the Wests begin to realise: Hogarth Street will never be the same again. A completely gripping, twist-packed psychological thriller, perfect for fans of Liane Moriarty, Sally Hepworth and Lisa Jewell. Readers love The Family Across the

Street: 'Wow!!! Wow!!! Wow!!! A total page-turner and will keep you guessing with every page. Halfway through I thought I had figured it out and then BAM! The ending floored me.' Goodreads reviewer, [REDACTED] 'Omg! Omg!... My son came in and asked me who I was yelling at?! (I was yelling at my e-reader). I think my heart beat out of my chest... The suspense was killing me! LOL my heart is still beating crazy!...OK I have to go now I need a big glass of wine to calm down!' Ana's Attic Guest Reviewer, [REDACTED] 'Oh my GOSH!!!!!! I read this emotionally charged, compelling book in one sitting. Whoa, my emotions are ALL over the place!!! You thought you knew what was going on and then BAM

nothing what you thought was happening! I've never been soooooo engrossed in a book from the first pages. Amazing, emotional and just Wow!!' NetGalley reviewer, [REDACTED] 'Oh wow, absolutely triple wow. Absolutely amazing.' NetGalley reviewer, [REDACTED] 'This is how you do thrillers. OMG, this story was amazing... Edge-of-your-seat-nail-biting read.' Goodreads reviewer, [REDACTED] 'I'm writing this review with tears streaming down my face!! What a BRILLIANT book... I was on edge every single second... At one point I realized my body was literally tensed up in anticipation.' Goodreads reviewer, [REDACTED] 'Utterly blew my mind.' Priyanka's Book Gallery, [REDACTED] 'I was

absolutely hooked!!... Totally engrossed!' NetGalley reviewer, [REDACTED] 'Simply brilliant... Almost gave me an aneurysm in my attempt to finish it.' @rk_reads, [REDACTED] 'Absolutely amazing!... So so good with so many twists and surprises. I could not put it down and read it in 24 hours!' Goodreads reviewer, [REDACTED] 'The story totally sucked me in and I was hooked! I love it when a book that does that to me... To the point to where I don't want to adult at all!!! This was that type of book!... Will blow your damn mind!' @oh.happy.reading, [REDACTED] 'After reading this book I realise I use the phrase "page-turner" too much, because THIS was a true PAGE-TURNER. I

read it in one sitting.' Goodreads reviewer, [REDACTED] 'Wow, I loved this one so much.... A whole box of tissues were gone in just a few hours. It was so intense that I was sitting at the edge of my seat the whole time. I couldn't put this one down for the life of me. No bathroom breaks at all.' Blue Moon Blogger, [REDACTED] 'The first book I have ever read in a day... I just couldn't put it down. It really is one of those books that you think just a few more pages, just a few more pages, just another chapter.' The Reviewers, [REDACTED]

 Words are my weapon. Stories wrap around my soul, choking me, capturing you. I don't work in dreams. I don't

offer escapes. I cage you within my nightmares. Magnolia Grace is a horror writer, despite what the name might suggest. One of the best in the business, if you asked around. Pressure comes with that title. Expectation for the next nightmare. The next bestseller. Sickness. That's what it is. She can't be healthy. Because that means she won't write. And she hasn't been writing. A looming deadline and a crumbling psyche drive her into the woods. To a cabin which was the site of a grizzly murder. A serial killer, butchering women, toying with her. Her plan is to borrow some of the horror that seeped into the soil. But hers follows her. The woods are meant

to be her escape. But they are almost her demise. Almost. He was an unlikely saviour. An unexpected muse. He has horrors of his own. A motorcycle club looking to settle a score. A soul too broken to offer her anything but pain. Stay with Me

Millbrae, Calif. : Les Femmes Pub.
Ollie. Forget everything you thought you knew. Hell, I don't even know myself anymore. For seven months I've been gone only to come back to be tested in every way possible. They say keep your enemies close, and my

demons welcomed me back with open arms. My downfall is a necessary evil. But Mia is my endgame. Mia. Seven months ago, Ollie surrendered to the darkness, abandoning me in the process. He stripped me of my walls only to leave me defenseless. Now he's back, along with fresh new faces and obstacles standing in our way. He says trust no one. Not even him. How am I supposed to be strong for us both when I'm losing my grip?" Just stay with me, Mia. ""Even when you're gone?"" Especially when I'm gone."

My New Roots

Jaico Publishing House
Introduction to heat and mass transfer for advanced undergraduate and

graduate engineering students, used in classrooms for over 38 years and updated regularly. Topics include conduction, convection, radiation, and phase-change. 2019 edition.

The Uninhabitable Earth Twig Publishing 304 color pages, paperback, improved print quality, and a lot more plant identification details. This unique book is written by Dr. Nicole Apelian, an herbalist with over 20 years of experience working with plants, and Claude Davis, a wild west expert passionate about the lost remedies and wild edibles that kept previous generations alive. *The Lost Book of Herbal Remedies* has color pictures of over 181 healing plants,

lichens, and mushrooms of North America (2-4 pictures/plant for easy identification). Inside, you'll also discover 550 powerful natural remedies made from them for every one of your daily needs. Many of these remedies had been used by our forefathers for hundreds of years, while others come from Dr. Nicole's extensive natural practice. This book was made for people with no prior plant knowledge who are looking for alternative ways to help themselves or their families. This lost knowledge goes against the grain of mainstream medicine and avoids just dealing with symptoms. Instead, it targets the underlying root cause and strengthens your

body's natural ability to repair itself. With the medicinal herbal reference guide included, it's very easy to look up your own condition and see exactly which herbs and remedies can help. Let me just offer you a small glimpse of what you'll find inside: On page 145 learn how to make a powerful "relieving" extract using a common backyard weed. This plant acts directly on the central nervous system to help with all kinds of pain and discomfort. You'll also discover the most effective natural antibiotic that still grows in most American backyards (page 150). Turn to page 43 for the natural protocol Dr. Nicole is recommending for a wide range of auto-

immune conditions, after falling prey to MS herself at age 29. I could go on and on because this book contains no less than 800+ other medicinal plants and natural remedies.

"If there isn't a risk, is it worth wanting at all?" Starting Forward for the Tennessee Trojans Nikolas Verette hasn't always lived the golden life. After personal setbacks placed barriers in his path to professional basketball superstardom, he took to approaching life with the motto "you miss 100% of the shots you don't take". Following his passions leads him to an opportunity of a lifetime, but he is in need of a slight bit of

assistance to achieve his goal. Enter Jayde Turner, a smart-mouthed, straight shooter who is grappling with her own set of roadblocks that are in her path as she tries to achieve her childhood dream of becoming a popular country singer. Moving from her tiny hometown in rural Tennessee to Nashville was supposed to be the major key to her success, but instead she consistently faces narrow-minded individuals and stereotyping based on her appearance. A common interest and shared goal eventually causes Nikolas and Jayde's paths to converge. Both of them are operating with a single-minded focus that is consistently detoured by the

underlying current of...undeniable chemistry between them. The further along the road they travel, the more their individual goals morph into a singular focus - maintaining their sanity and connection in a world that constantly threatens both. Set in "The Athens of the South" Nashville, Tennessee, The "Nymphs & Trojans" series is a sports romance collaboration by Nicole Falls and Alexandra Warren that follows two fictional professional basketball franchises - the Nashville Nymphs Women's Team and the Tennessee Trojans Men's Team.

In the first edition of this book, simple

proofs of the Atiyah-Singer Index Theorem for Dirac operators on compact Riemannian manifolds and its generalizations (due to the authors and J.-M. Bismut) were presented, using an explicit geometric construction of the heat kernel of a generalized Dirac operator; the new edition makes this popular book available to students and researchers in an attractive paperback.

Love was no longer on the menu for Camilla Augustina. After her fiancé calls off the wedding not once but twice, Camilla's had enough. In a brazen move, she takes a new position in the windy city of Chicago; leaving her parents, friends, and ex in a bittersweet goodbye. Adapting to her new surroundings isn't easy but as Camilla settles in a chance encounter with an infamous playboy throws her off balance

and rattles her world.

She hadn't expected to be drawn so meticulously to another but denying the magnetism that lures her is a futile fight. As President of VFC Energy, a fortune 500 company, Hunter Valentine is at the top of his game. The renowned bachelor holds no secrets about his risqué rendezvous, and his allegiance is saved for family only. However, when Hunter spots Camilla Augustina, dining alone at the breakfast hut in his building, he can't explain the adulation that runs through his core and shakes his entire world. Lust never weakened him like this, and the inclination of love at first sight was silly. But when Hunter decides to prove the sudden

rapture is unreal, he may find himself enamored by love. The Abominable Snowman of Pasadena (Classic Goosebumps #27) Jayne Blanchard NYPD Homicide Detective Nikki Heat gets more mystery than she imagined when she arrives at her latest crime scene. The body of an unidentified woman has been found stabbed to death and stuffed inside a suitcase left sitting on a Manhattan street. A startling enough death, but an even bigger shock comes when this new homicide surprisingly connects to the unsolved murder of Detective Heat's own mother. The gruesome killing of this Jane Doe launches Heat on a dangerous and emotional investigation,

rekindling the cold case that has haunted her since she was nineteen. Paired once again with her romantic and investigative partner, top journalist Jameson Rook, Heat works to solve the mystery of the body in the suitcase while she also digs into unexplored areas of her mother's background—areas Nikki has been afraid to confront before, but now must. Facing relentless danger as someone targets her for the next kill, Heat's search will unearth painful family truths, expose a startling hidden life, and cause Nikki to reexamine her own past. Heat's passionate quest takes her and Rook from the back alleys of Manhattan to the avenues of Paris, trying

to catch a ruthless killer. The question is, now that her mother's cold case has unexpectedly thawed, will Nikki Heat finally be able to solve the dark mystery that has been her demon for ten years?

The Forager's Guide to Wild Foods

Routledge

For more than 50 years, the Springer VDI Heat Atlas has been an indispensable working means for engineers dealing with questions of heat transfer. Featuring 50% more content, this new edition covers most fields of heat transfer in industrial and engineering applications. It presents the interrelationships between basic scientific methods, experimental

techniques, model-based analysis and their transfer to technical applications. **Starlight** JHU Press 319 color pages, 400 wild foods, plant localization maps for each plant (400 maps), paperback, great print quality, superior plant identification guidelines, recipes for each plant, full page photos of the plants, at least 3 pictures for each plant, medicinal uses. The Forager's Guide to Wild Foods is probably the most important thing you want to have by your side when you go out foraging. Maybe there are times when you're still not sure about a certain plant and you need to consult the book, despite your vast experience. Or maybe you don't have experience at all and

just want to find wild goodies using the book. This book is the ultimate resource for every home, kept right next to your emergency foods, in your Bug out Bag, on your coffee table, or in your bookcase. You can use this book to put food on your table in case hard times are coming ahead. This knowledge is better at your fingertips now, as you might not be able to get it when you need it the most. You can also use the book to make your own remedies from plants growing around you. Inside *The Forager's Guide to Wild Foods* there are hundreds of medicinal plants and detailed, super simple instructions on how to take advantage of them. A lot of high-priced foods you find

labeled as ORGANIC, are nothing compared to the ones that grow in the wild. Wild foods mean no GMO, no pesticides, herbicides or harmful contaminants. There are no foods healthier than the ones you pick yourself in the wild. This is FREE food and it's completely up for grabs. The plant knowledge is no longer taught as it has been for thousands of generations before us. If we don't do something about it, this knowledge will be lost forever and one day we might pay the ultimate price for this. When you were growing up, it was probably your parents or grandparents that helped you identify your very first berry. Club Princess Disney Electronic Content
