Where's Clifford? (A Clifford Water Wonder Storybook) A&C Black  
A touching, timely and tender exploration of refugees and migration for the youngest readers.

**The Little Prince** Jessica Kingsley Publishers  
Jodorowsky and Mœbius's internationally bestselling Sci-Fi saga THE INCAL comes to its phenomenal finale!

**The Boy Who Cried Wolf** Scholastic Inc.  
Too often academic critical writing seems to annihilate what it analyses. Too often it brings pre-packaged language to bear on works whose whole essence and aim is to

change the ways in which we see and describe our world. How, then, to write criticism? This text gathers together who strive to find answers to this dilemma.

**Little Captain Jack** Herbert Press  
A wonderfully illustrated puzzle book teeming with all kinds of insects and other creepy crawlies to spot, count and match. Spot a bee on a bicycle, a butterfly tapping a tambourine and many more eye-catching challenges. The intricate illustrations make these seemingly simple puzzles a lot harder than you might think! A great book children will want to return to time and time again. Delightful details provides endless spot-and-talk-about opportunities. An activity

book children will want to share and enjoy with friends and family.

My First Snow Children Usborne Books  
The year is 1920, and a young (and as yet unpublished) Cicely Mary Barker is staying at a friend's cottage in Storrington, West Sussex, for the spring and summer. Over the months as she sketches and writes in the gardens and grounds, she starts to suspect the presence of fairies in the flowers all around her. Her journal reveals her thoughts and musings, and includes sketches, research into general fairy folklore and many more extra items, as she searches for evidence that the Flower Fairies exist! Although a fictional account, the Flower Fairies Journal ties

in with real dates and events, uses Cicely Mary Barker's sketches, artwork and samples from her poems, and contains many beautiful design elements from the 1920's and 1930's.

Stone Soup Clifford

When you're with me, Geronimo Stilton, it's always a fabu-mouse adventure! Sally Ratmousen broke some shocking news: The Rodent's Gazette was out of money and in danger of closing. Then Grandfather William broke even worse news to me: I needed to sell my comfy, cozy house in order to save our paper! How terrible! But could I sell it -- and find a new home -- in time to help?

*Flower Fairies Journal*

Collector's Library

Combining rhythmic music and movement with cognitive reflection and mindfulness, this comprehensive handbook shows how drumming and other rhythm-based exercises can have a powerful effect in individual, group and family settings.

Incorporating the latest research on how rhythmic music impacts the brain, this book features over 100 different exercises spanning five key developmental areas:

social and emotional learning; identity and culture; strengths and virtues; health and wellbeing; and families, teams and communities. It offers a safe entry to cognitive reflection through fun, experiential rhythmic exercises and is useful for working in settings such as school, child and adolescent counselling settings, mental health and drug and alcohol interventions, trauma counselling and relational counselling. Important sections on the use of metaphor and analogy show how to reinforce experiential outcomes. The book also contains helpful sections on working with specific populations, key facilitation skills and managing challenging behaviours. Downloadable resources such as evaluation forms, certificates and 52 session cards optimise the process of implementing this approach in practice.

**HELMUT NEWTON**  
Humanoids Inc  
This beautifully illustrated book contains all of Charles Dickens' novels, and the novella A Christmas Carol, all skillfully retold for children. The retellings simplify the novels for a young modern reader,

with quotations from the original text throughout. Wonderful illustrations by Maria Surducan show the characters and the smoggy London scenes. \* The perfect book for children studying Charles Dickens, or those who simply enjoy reading wonderful stories. Each story has an introductory plate showing all the main characters and introducing the plot, as well as single and double plate illustrations depicting scenes from the story. Includes a section all about Charles Dickens, his times and other writings. An heirloom of the future, this beautiful book is richly produced to a standard this timeless classic deserves, with a padded Hardback cover, a ribbon marker and traditional binding.

**Illustrated Adventure Stories** Usborne

Publishing Ltd

Offering a summary of the current state of knowledge in autism research, *Defining Autism* looks at the different genetic, neurological and environmental causes of, and contributory factors to autism. It takes a wide-ranging view of developmental and genetic factors, and considers autism's relationship with other

conditions such as epilepsy. Shedding light on the vast number of autism-related syndromes which are all too often denied adequate attention, it shows how, whilst autism refers to a single syndrome, it can be understood as many different conditions, with the common factors being biological, rather than behavioral.

*Toy Coins* Humanoids, Incorporated  
Clifford, Emily Elizabeth and their friends are playing hide-and-seek. But Clifford is too big and red to stay hidden. Can Emily Elizabeth help her friend find the perfect hiding spot?

*My First 100 Words in Irish* Usborne Publishing  
A long time ago in the Holy Land lived a scruffy little donkey who hated hard work. And then he met gentle, kind Mary, and his world changed forever. When Mary and Joseph have to travel the long journey to Bethlehem, who can they rely on to get them there safely? This is a unique version of the traditional nativity story, told from the child-friendly perspective of the little donkey, who grows in confidence and pride as Mary and Joseph place their trust in him. The

story ends with the wonder of the birth of Jesus, and the little donkey's promise to keep looking after his new family. Adapted for younger children from Gunhild Sehlin's classic chapter book, this Christmas story is sumptuously illustrated by H el ene Muller, with marvelous details of the Holy Land.

*Peter Pan* Frederick Warne Publishers  
Audio CDs inserted into a wallet inside the back cover, make this book and CD easy to store together. "The Young Reading" series will help young readers grow in confidence and ability.

*Practical Jewellery-Making Techniques* Phaidon Incorporated Limited  
Visionary storyteller, Jodorowsky, returns to the epic mythology he created with the late Moebius over 30 years ago. This volume concludes the spiritual space adventures of everyman, John DiFool, as the universe faces the threat of an all-devouring metallic virus. The book contains both the original, unfinished *After the Incal* drawn by Moebius, as well as the complete 3-volume series, *Final Incal* illustrated by Ladronn.  
*My Name is Not Refugee*

Jessica Kingsley Publishers  
Broken down in the Sahara Desert, a pilot meets an extraordinary Little Prince, travelling across time and space to bring peace to his warring planet. Inua Ellams' magical retelling of the much loved story by Antoine de Saint-Exup ery turns the Little Prince into a descendant of an African race in a parallel galaxy. His journey as a galactic emigrant takes us through solar systems of odd planets with strange beings, addresses climate change and morality, and shows how even a little thing can make a big difference.

*Big Picture Atlas* Usborne Publishing Ltd  
Presenting an overview of the core jewellery-making techniques, this book provides easier and often cheaper alternative solutions for achieving the same results as traditional techniques. Each chapter is packed with unique (and money-saving) tips.  
*Oh, Freedom!* Usborne  
Enter the world of Geronimo Stilton, where another funny adventure is always right around the corner. Each book is a fast-paced adventure with lively art and a unique format kids 7-10 will love. Ah, there's nothing

like a relaxing vacation on the beach! I would spread out by the crystal-clear water with a good book. What more could a mouse want? At least, that was the plan. But somehow, my vacations never seem to go according to plan. Instead of a beautiful seaside resort, I found myself in a fleabag hotel that was falling down around my ears! Oh, would I ever be able to relax and enjoy my vacation??

Usborne Books

Young readers can cast different shapes on a wall using a flashlight and this book with cut-outs on each page. On board pages.

### **Mouse House Hunter (Geronimo Stilton #61)**

Darf Publishers Ltd.

This exciting adventure story follows a family of slaves in the USA in 1860 as they escape from a cotton plantation via the legendary Underground Railroad. An enthralling story of courage and resilience, centring on 10-year-old Tommy, it will fascinate children who

might not know much about this secret escape route into Canada that was used by as many as 100,000 people. Ten-year-old Tommy roams the cotton fields of Alabama owned by the notorious Captain Archer.

Intimidating guards with fierce dogs protect the land to prevent any slaves from leaving. That is until a supernatural spirit visits Tommy offering a way out. With his banjo slung over his shoulder, Peg Leg Joe guides Tommy, his family and other slaves out of Southern USA, and into Canada through the legendary Underground Railroads. Stretched for miles across the country's vastness, the network famously facilitated more than 100,000 slaves to a new life. For Tommy and his family, the escape is far from an easy ride. The young boy is forced to mature through this testing period and allow his strong will to guide himself and others to safety under the guidance of Peg Leg Joe. Set in the 19th century, D'Adamo's well-constructed novel

tells a story distant in time, remains grounded in a reality that still exists today. Millions of people across the globe continue to be enslaved, including children.

[Meet the Woodland Folk](#)  
Scholastic Inc.
