"This official  
book of  
photographs  
houses the 50-  
year collection  
of the most  
iconic and  
beloved

photographs  
taken by  
prolific fashion  
photographer  
Bill  
Cunningham,  
the King of  
Street Style.  
The iconic Bill

Cunningham was known for wearing a blue work jacket and riding a bicycle around New York City as he captured cutting-edge street style (before street style was even a thing). He took pictures for The New York Times from 1978 until his death in 2016 and wrote the beloved columns "On the Street" and "Evening Hours," which began in 1989. This book will be an oversized collection of Bill's hallowed

photography-- a mixture of published and unpublished-- organized by decade with essays by and about Bill's muses and subjects like Anna Wintour, Cathy Horyn, Vanessa Friedman, and Ruth La Ferla. Every fashion lover and fashionista-- from NYC and beyond--will have to add this book to their collection"-- *American Music* Phaidon Incorporated Limited Annie Leibovitz, our most celebrated

living photographer, explains how her pictures are made Leibovitz addresses young photographers and readers interested in what photographers do, but any reader interested in contemporary history will be fascinated by her account of one of the richest bodies of work in the photographic canon. The subjects include photojournalism, studio work, photographing dancers and

athletes, working with writers, and making the transition from shooting with film to working with digital cameras. Originally published in 2008, this revised and updated edition brings Leibovitz's bestselling book back into print. *Annie Leibovitz: Wonderland* National Geographic Books The most celebrated photographer of our time discusses portraiture,

fashion photography, lighting, and digital cameras. Leibovitz describes how her pictures were made, starting with Richard Nixon's resignation and ending with Barack Obama's presidential campaign. Recipes and Stories Under the Stars Aperture The famed photographer delivers this stunning collection of photos of the musicians, places, and people that enrich the

landscape of American music. *Understanding Color in Photography* Abrams Gathers portraits of American athletes preparing for the Centennial Olympic games Slim Aarons: Style Phaidon Press Annie Leibovitz at Work Phaidon Press *Photographs 1946-2004* Amphoto Books A visual adventure of Wes Anderson proportions, authorized by the legendary

filmmaker himself: stunning photographs of real-life places that seem plucked from the just-so world of his films, presented with fascinating human stories behind each façade. Accidentally Wes Anderson began as a personal travel bucket list, a catalog of visually striking and historically unique destinations that capture the imagined worlds of Wes Anderson. Now, inspired

by a community of more than one million Adventurers, Accidentally Wes Anderson tells the stories behind more than 200 of the most beautiful, idiosyncratic, and interesting places on Earth. This book, authorized by Wes Anderson himself, travels to every continent and into your own backyard to identify quirky landmarks and undiscovered gems: places you may have

passed by, some you always wanted to explore, and many you never knew existed. Fueled by a vision for distinctive design, stunning photography, and unexpected narratives, Accidentally Wes Anderson is a passport to inspiration and adventure. Perfect for modern travelers and fans of Wes Anderson's distinctive aesthetic, this is an invitation to look at your

world through a different lens. *The Story of My Life* Art Books New and unseen photographs of Beatles icon, John Lennon, and artist Yoko Ono. Featuring images from Lennon's only full-length solo gigs, a two-night stint at Madison Square Garden. Includes essays by journalist and author Pete Hamill, director Barry Levinson, actor Dana Delany and songwriter and photographer David Palmer. Foreword by actor Alec Baldwin. John Lennon's life, death and music shaped the world. His reputation as a philanthropist, political activist and pacifist influenced millions worldwide. If Elvis was King, Lennon was his rightful successor - and fittingly, several images in this collection of both classic and unseen photos show him wearing a diamond-studded 'Elvis' pin over his heart, in homage to his forefather on the throne of Rock 'n' Roll. John Lennon is seen here in several sessions in New York, performing on stage, relaxed at home and walking on the street with Yoko Ono. Renowned celebrity photojournalist Brian Hamill delivers his own insider view of this Beatles icon, through intense, intimate photographic portraits and insightful

texts. Whether Lennon is dominating the stage, posing on the roof of the Dakota building, or relaxing with Yoko Ono, Hamill's photography takes this quasi-mythical figure from the world of Rock 'n' Roll and shows him as the man he really was. "Brian looked at the John Lennon who had become an icon and saw instead a familiar face. He saw a working-class hero like those that built the

City of New York. And so when John Lennon came to live in New York, Brian captured him as a New Yorker, in the joyous images that you will find in this book." - Pete Hamill  
 "Lennon, one of the most famous men in human history, wanted to live as one among many. Of course, he hit it off with Hamill. The guy that flew so high needed some oxygen. Hamill is fresh air. His folio of Lennon

images shows Lennon focused, present, but edgy, never relaxed." - Alec Baldwin  
**The White Cascade**  
 Random House Incorporated  
 Warhol's Factory as seen through the lens of a young Shore, providing an insider view of this extraordinary moment and place  
 Stephen Shore was 17 years old when he began hanging out at The Factory - Andy Warhol's legendary studio in

Manhattan. Between 1965 and 1967, Shore spent nearly every day there, taking pictures of its diverse cast of characters, from musicians to actors, artists to writers, and including Edie Sedgwick, Lou Reed, and Nico - not to mention Warhol himself. This book presents a personal selection of photographs from Shore's collection, providing an insider's view of this extraordinary moment and

place, as seen through the eyes of one of photography's most beloved practitioners. Annie Leibovitz: Portraits 2005-2016 Phaidon In this first-ever showcase of his work, Gregory Heisler, one of professional photography's most respected practitioners, shares 50 iconic portraits of celebrities, athletes, and world leaders, along with fascinating, thoughtful, often humorous

stories about how the images were made. From his famously controversial portrait of President George H.W. Bush (which led to the revocation of Heisler's White House clearance) to his evocative post-9/11 Time magazine cover of Rudolph Giuliani, to stunning portraits of Julia Roberts, Denzel Washington, Hillary Clinton, Michael Phelps, Muhammad Ali, and many

more, Heisler reveals the creative and technical processes that led to each frame. For Heisler's fans and all lovers of photography, Gregory Heisler: 50 Portraits offers not only a gorgeous collection of both black-and-white and color portraits, but an engrossing look at the rarely seen art of a master photographer at work. With a foreword by New York City mayor Michael R. Bloomberg. *Magnum*

history alive through the genre of the photobook? an essential vehicle for photographers to share their work. Its pages include unpublished behind-the-scenes material, together with ephemera from the photographers' archives about the making of their books. With an introduction by Fred Ritchin and texts by Carole Naggar, this book explores the evolution of the

photobook, as well as the important role that Magnum has played in the history of documentary photography. Annie Leibovitz. The early years 1970-1983. Ediz. italiana e spagnola Phaidon Press THE NEW YORK TIMES, WALL STREET JOURNAL, LOS ANGELES TIMES, AND USA TODAY BESTSELLER "A band of brothers in an American tank . . . Makos drops the reader back into the Pershing's turret and

dials up a battle scene to rival the peak moments of Fury." --The Wall Street Journal From the author of the international bestseller A Higher Call comes the riveting World War II story of an American tank gunner's journey into the heart of the Third Reich, where he will meet destiny in an iconic armor duel--and forge an enduring bond with his enemy. When Clarence Smoyer is

assigned to the gunner's seat of his Sherman tank, his crewmates discover that the gentle giant from Pennsylvania has a hidden talent: He's a natural-born shooter. At first, Clarence and his fellow crews in the legendary 3rd Armored Division-- "Spearhead"-- thought their tanks were invincible. Then they met the German Panther, with a gun so murderous it could shoot through one Sherman and into the next.

Soon a pattern emerged: The lead tank always gets hit. After Clarence sees his friends cut down breaching the West Wall and holding the line in the Battle of the Bulge, he and his crew are given a weapon with the power to avenge their fallen brothers: the Pershing, a state-of-the-art "super tank," one of twenty in the European theater. But with it comes a harrowing new responsibility:

Now they will spearhead every attack. That's how Clarence, the corporal from coal country, finds himself leading the U.S. Army into its largest urban battle of the European war, the fight for Cologne, the "Fortress City" of Germany. Battling through the ruins, Clarence will engage the fearsome Panther in a duel immortalized by an army cameraman. And he will square off with Gustav

Schaefer, a teenager behind the trigger in a Panzer IV tank, whose crew has been sent on a suicide mission to stop the Americans. As Clarence and Gustav trade fire down a long boulevard, they are taken by surprise by a tragic mistake of war. What happens next will haunt Clarence to the modern day, drawing him back to Cologne to do the unthinkable: to face his

enemy, one last time. Praise for Spearhead "A detailed, gripping account . . . the remarkable story of two tank crewmen, from opposite sides of the conflict, who endure the grisly nature of tank warfare." -- USA Today (four out of four stars) "Strong and dramatic . . . Makos established himself as a meticulous researcher who's equally adept at spinning a

good old-fashioned yarn. . . . For a World War II aficionado, it will read like a dream." -- Associated Press  
The Photographs  
 Phaidon Press  
 It is party time in eighties Manhattan. Smart, sassy and cynical, Alison lives for the moment. Her life is a carnival of gossip and midnight sessions of Truth or Dare, and her cocaine-bashing friends and flirting flatmates all crave

satiation.  
 Young and beautiful, hip and indulgent, sex-crazed and alcohol-fuelled, Alison can neither pay her fees for drama school nor track down her indifferent father. She juggles rent money with abortion fees, lingering lovers with current conquests and is the despair of her gynaecologist. She's fallen deeply in lust with Dean, although that nasty present Skip Pendleton left her with

hasn't yet cleared up. Story of her life right? But in a world of no consequences , Alison is heading for a meltdown.  
**Lauren Greenfield: Generation Wealth** Annie Leibovitz at Work  
 This new self-study ESL book will help you speak better English at work, on the phone, at the store, with friends, at parties, with your co-workers. The new method in this ESL book makes it easy to

improve your English. You learn phrases one by one so you can study for as little as two minutes a day! This new method will help you speak better English at work, on the phone, at the store, with friends, at parties, with your co-workers. The English you need everyday is yours! This new method makes it easy to improve your English. You learn useful phrases that people use in everyday

situations. You learn phrases one by one so you can study for as little as two minutes a day. Give this book two minutes a day. Or more if you want to improve your English even faster. There's 368 pages packed full of the American English you need to know! This new method uses the tools you need to learn:

- You learn over 300 useful phrases one by one -
- Cartoons show the phrases in real-life situations -
- Lots of lively

examples help you remember

- Exercises help you check your new knowledge

Bill Cunningham  
Penguin Group  
A highly anticipated monograph from the internationally acclaimed documentary photographer and filmmaker Lauren Greenfield: Generation Wealth is both a retrospective and an investigation into the subject of wealth over the last twenty-five

years. Greenfield has traveled the world - from Los Angeles to Moscow, Dubai to China - bearing witness to the global boom-and-bust economy and documenting its complicated consequences . Provoking serious reflection, this book is not about the rich, but about the desire to be wealthy, at any cost. Olympic Portraits Bulfinch Press "When Benedikt Taschen asked the

most important portrait photographer working today to collect her pictures in a SUMO-sized book, she was intrigued and challenged. The project took several years to develop and proved to be revelatory. Annie Leibovitz drew from over 40 years of work, starting with the viscerally intimate reportage she created for Rolling Stone magazine in the 1970s and extending through the more stylized

portraiture of her work for Vanity Fair and Vogue. Celebrated images such as John Lennon and Yoko Ono entwined in a last embrace are printed alongside portraits that have rarely, and sometimes never before, been seen. Annie Leibovitz was able to present some of her famous group portraits in a format that proves that she is the master of the genre. Her pictures are at

once intimate and iconic, wide-ranging stylistically and also uniquely hers. Annie Leibovitz is often imitated, particularly by younger photographers, but her work is somehow immediately recognizable. The bookends of the Leibovitz collection are the black-and-white photograph of Richard Nixon's helicopter lifting off from the White House lawn after he resigned as president in

1974 and the formal color portrait of Queen Elizabeth II taken in a drawing room of Buckingham Palace in 2007. In between are portraits that make up a family album of our time: actors, dancers, comedians, musicians, artists, writers, performance artists, journalists, athletes, businesspeople. Performance and power are recurring themes. A

supplementar  
y book  
contains  
essays by

earth, and  
fire, magic,  
the  
spiritualism of  
animals - to  
explore the  
mysteries of  
the Hindu  
faith. Shot  
over three  
years in India,  
Nepal, Sri  
Lanka, and  
Bali, Abbas's  
images  
examine the  
enigmatic  
beliefs of sub-  
sects such as  
Sikhs and  
Jains,  
alongside the  
everyday life

of Hindus, and extend beyond his characteristic black-and-white work to include a series of colour photographs - in his words: 'In India, colour was a temptation I couldn't resist.' The result is this sumptuous volume, a must-have for collectors and armchair travellers around the globe.

**Portraits by Steve**

**McCurry**

Bodley Head  
Childrens  
The never-before-told

story of one of the worst rail disasters in U.S. history in which two trains full of people, trapped high in the Cascade Mountains, are hit by a devastating avalanche In February 1910, a monstrous blizzard centered on Washington State hit the Northwest, breaking records. The world stopped—but nowhere was the danger more terrifying than near a tiny town called Wellington,

perched high in the Cascade Mountains, where a desperate situation evolved minute by minute: two trainloads of cold, hungry passengers and their crews found themselves marooned without escape, their railcars gradually being buried in the rising drifts. For days, an army of the Great Northern Railroad's most dedicated men—led by the line's legendarily

courageous  
superintenden  
t, James  
O'Neill—worke  
d round-the-  
clock to  
rescue the  
trains. But the  
storm was  
unrelenting,  
and to the  
passenger's  
great anxiety,  
the  
railcars—their  
only  
shelter—were  
parked  
precariously  
on the edge of  
a steep  
ravine. As the  
days passed,  
food and coal  
supplies  
dwindled.  
Panic and

rage set in as  
snow  
accumulated  
deeper and  
deeper on the  
cliffs  
overhanging  
the trains.  
Finally, just  
when escape  
seemed  
possible, the  
unthinkable  
occurred: the  
earth shifted  
and a colossal  
avalanche  
tumbled from  
the high  
pinnacles,  
sweeping the  
trains and  
their sleeping  
passengers  
over the steep  
slope and  
down the

mountainside.  
Centered on  
the  
astonishing  
spectacle of  
our nation's  
deadliest  
avalanche,  
Gary Krist's  
The White  
Cascade is the  
masterfully  
told story of a  
supremely  
dramatic and  
never-before-  
documented  
American  
tragedy. An  
adventure  
saga filled  
with colorful  
and engaging  
history, this is  
epic narrative  
storytelling at  
its finest.
