Modern Living Fehrman Books

Interior designers have increasingly taken inspiration from the design philosophy of Scandinavia, which promotes the creation and use of everyday objects that are beautiful but practical, affordable and accessible. This handbook shows how to create a tailor-made home inspired by Scandinavian design. Working through the home one room at a time, the book highlights classic items of furniture and signature accessories. In-depth case studies demonstrate the essential elements and provide inspiration. Colour combinations are explored to help personalise these iconic styles for the home. Anyone who has found themselves seduced by the Scandinavian style and is eager to bring it to their own home will find this book a valuable resource.

Random House

First published in 1997. Routledge is an imprint of Taylor & Francis, an informa company.

Designing Modern Britain Gibbs Smith

* A visually powerful and practical book for creating the perfect

Nordic-inspired home* A complete primer for decorating your home in the Nordic style, based on Scandinavian mood boards and examples* The author is a well-known Scandinavian designer and TV personality "A good starting point in designing beautifully, is to adapt to your surrounding architecture and nature - the materials and colors and decorate with your own personal style. Truly knowing your own style is tantamount to interior designing with that ever-important personal touch. And finding your own individual style can be a difficult and confusing journey," - Katrine Martensen-Larsen. The (New) Nordic Style is here to stay. The use of rich Scandinavian materials, pure colours, and a distinctive graphic style turn out to be timeless. Yet many people who are looking to create the Scandinavian look at home do not find it easy to match these common elements of Nordic style. Step by step and using different mood boards, themes, materials, light, furniture and floor coverings, Katrine Martense-Larsen explains how to create your own ideal Scandinavian interior.

A New Perspective on Traditional Design Fodor's

Swedish Country Interiors showcases homes that have a wide spectrum of interpretations of Swedish country style—rustic, rural, urban, comfortable, family friendly, elegant, simple, complex, grand, humble, and eclectic. Also found are numerous examples of Swedish country living that the homeowners have embraced and derived inspiration from, including wall decorations, functional furnishings, natural upholstery materials, light, and indoor-outdoor living. Rhonda Eleish and Edie van Breems opened the doors to Eleish van Breems Antiques in 1998, specializing in eighteenth- and nineteenth-century Swedish antiques. Their company, Eleish van Breems Ltd. has expanded

to become a full service Nordic design showroom and they are sought out for their interiors featuring the best hallmarks of Scandinavian design. The authors, who first published *Swedish Interiors*, and their antiques and interiors have been featured in many national publications, including *Country Living*, *Victoria*, and *House Beautiful*, and they have made appearances on *Martha Stewart* and *HGTV Canada*. Rhonda resides in Bridgewater, Connecticut with her daughter Kari and husband Buffer. Edie lives with her family in a 1760 colonial home in Fairfield, Connecticut. As featured in *Country Living!* Showcases fifteen beautiful homes that highlight the stylish interpretations of Swedish country.

Swedish Design for the Purchasing Masses Sterling Publishing Company Incorporated

Clean, elegant lines, delicate color schemes, well-proportioned, light-filled spaces, and natural materials—the hallmarks of Scandinavian design are unmistakable. As the trend in residential design continues to move toward pared-down, comfortably elegant, environmentally friendly homes, the Scandinavian aesthetic has become a global influence in interior design. Lars Bolander, one of Sweden's foremost interior designers, has been creating the Scandinavian look in homes all over the world for decades. In this impressively illustrated volume, he and author Heather Smith MacIsaac, a former editor of *House & Garden* magazine, share their expert knowledge of the very best in Scandinavian design, past and present, offering guidance on how to achieve the Scandinavian look, incorporate the trademark elements into any decor, and mix and match traditional and modern, humble and grand. Praise for Lars Bolander's

Scandinavian Design: "A private, exclusive tour of the best of Scandinavian design. . . . This book is a new treasure for my design library, one I will refer to over and over." ~ Bunny Williams "A sophisticated volume . . . an in-depth, intelligent, and informative look at the design sensibilities found in Scandinavian domestic furniture and decoration. . . . Lars Bolander surveys all of this with his keen . . . eye and finely honed historical knowledge, and the results are breathtaking." ~ Martha Stewart "From his captivating shops in New York and Palm Beach, Lars Bolander has won an army of converts to his seductive vision of Scandinavian design, antique and modern, rustic and urbane. In this book, he brings that world of style vividly to life with images of some of the most magical and inspiring environments to be found there, from the light-dappled elegance of Gustavian interiors to the inventive purity of the very best in contemporary architecture." ~ Hamish Bowles "Lars Bolander's handsome and intelligent book tells the story of Scandinavian design and its influence—in the past, in the present, and leading into the twenty-first century. A product of a northern world separated to a great extent from Europe, Scandinavian design looked to the styles of the French court in the eighteenth century, but developed its own style with an adaptive simplicity that has given it a place unto itself in the history of design, as beautifully visualized on the pages of this book." ~ David Easton "Lars has the magic formula for combining the sophisticated Gustavian style with the rustic charm of the Scandinavian countryside. Just perfect!" ~ Juan Pablo Molyneux "He creates both classic and new looks, as well as bringing the traditional pieces into the 20th century (which I love)!" ~MadebyGirl "Lars Bolander is the go-to

person for Scandinavian decor in America." ~Veranda "It's total design porn at its finest." ~Everything LEB "Gorgeous." ~Annechovie "A visual delight." ~Swedish Interiors by Eleish van Breems "A lovely read and must-have reference and inspiration guide for any design library." ~ Hampton Hostess "One you'll want to add to your library." ~From the Right Bank "Wonderful." ~Rita Konig(interview withA Lovely Being)~
Frommer's Scandinavia on Forty Dollars a Day Routledge
 "This beautifully illustrated catalogue explores how Georg Jensen silver has expanded the boundaries of modern style, changing the look of twentieth-century homes and spreading Scandinavian design around the world. Design for Everyday Living is the first scholarly treatment of Georg Jensen to approach the firm's output in an analytical way, situating it in the context of twentieth-century design history and focusing on the firm's unique evolution and global influence. This book is geared to a wide audience of interested nonspecialists and design historians rather than to a narrower readership of silver collectors. It is also innovative in that it focuses on the story of the firm rather than solely on the career of its founder. The essays are all original and include a contribution from Thomas Thulstrup, the leading expert on Georg Jensen silver. The book also benefits from a close collaboration with the Jensen firm, which has allowed us access to images and archival materials published here for the first time"--
Scandinavian Style The Scandinavian HomeExplore the beauty of Scandinavian style in the city and country

[Unpacking IKEA Berg](#) 3pl

Discover classic and contemporary Scandinavian style. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months— not just literally with log burners, but also through incorporating wood and natural materials. The Scandinavian Home showcases a wide range of these beautiful homes. The first chapter, City Dwellings, features sharp, modern apartments and smart townhouses. Country Homes shows the Scandinavian take on country style with laid-back, bohemian homes. Finally, the Summer and Winter Retreats include coastal cottages, an

allotment house, and log cabins.

Introduction to Interior Design Museum Tusculanum Press
 A scholarly review of the prominent designers and designs from 1910-1960 covering the Organic Design Movement, methods and materials of construction and in-depth measurements with hundreds of archival photographs.

This accessible, reader-friendly text guides you through a complete life cycle of the firm as it introduces the theories, knowledge, and corporate finance tools and techniques an entrepreneur needs to start, build, and eventually harvest a successful venture. With a strong emphasis on sound financial management practices, the text explores important issues entrepreneurs face, including how and where to obtain financing, using business cash flow models, and positioning the early-stage company strategically. You will also gain an understanding of how to interact effectively with financial institutions and regulatory agencies that can affect venture growth and enable liquidity for investors. Drawing on real-life entrepreneurial ventures and common financial scenarios, the authors include an in-depth capstone case, numerous mini-cases, and abundant examples to engage your interest and vividly illustrate key concepts such as venture capital funds, institutional investors, strategic alliances, the role of business angels, licensing agreements, and exit strategies. Trust ENTREPRENEURIAL FINANCE, Fifth Edition, to provide the skills and confidence you need for entrepreneurial success in today's markets. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Georg Jensen CICO Books

"Interiors: An Introduction" is the starting point for a lifetime of design education, appreciation, and enjoyment. Whether the goal is a career in interior design, or simply a better understanding of how to enhance one's own living space, the information and ideas in this text will help readers achieve it. "Interiors" offers an introduction to the elements, practice, and aesthetics of residential and nonresidential interior design, as well as their application. In addition, the authors describe the numerous choices of materials, furnishings, and components used in interior design.

Log Home Design Routledge

Decorating an interior--one that is simple, functional, cosy and calm, with no piece of furniture unloved or overlooked--is a tall order. It should be convenient, space-saving and beautifully put together so that it enhances the chores of everyday life, whilst looking good too. What is it about Scandinavian design that does this so well? In *Modern Living Scandinavian Style*, design writer Claire Bingham escapes to the Nordic nations with this inspiring and practical guide to creating feel-good interiors that are pared-back yet characterful. But it's also a book full of practical tips--including easy updates and decorating solutions for the homemaker wanting to make their space brighter and better. Want to know how to achieve an elegant limewood floor? This book shows you how. Each chapter explores the design ideas and pieces that make up every room, revealing decorating secrets to recreate Nordic chic. Inspired by modern and classic Scandinavian design, learn how to introduce a dash of Scandi into your home. The effortless and timeless Scandinavian look will

never go out of style.

Original.

Design: The Key Concepts Bdd Promotional Book Company

This book represents the first anthropological ethnography of

Ikea consumption and goes to the heart of understanding the unique and at times frantic popularity of this one iconic transnational store. Based on a year of participant observation in Stockholm's Kungens Kurva store - the largest in the world - this book places the retailer squarely within the realm of the home-building efforts of individuals in Stockholm and to a lesser degree in Dublin. Ikea, the world's largest retailer and one of its most interesting, is the focus of intense popular fascination internationally, yet is rarely subject to in-depth anthropological inquiry. In *Unpacking Ikea*, Garvey explores why Ikea is never 'just a store' for its customers, and questions why it is described in terms of a cultural package, as everyday and classless. Using in-depth interviews with householders over several years, this ethnographic study follows the furniture from the Ikea store outwards to probe what people actually take home with them.
