A Brief History of Humankind Liturgical Press

ONE OF THE MOST LOVED NOVELS OF THE DECADE. A long-lost book reappears, mysteriously connecting an old man searching for his son and a girl seeking a cure for her widowed mother's loneliness. Leo Gursky taps his radiator each evening to let his upstairs neighbor know he's still alive. But it wasn't always like this: in the Polish village of his youth, he fell in love and wrote a book...Sixty years later and half a world away, fourteen-year-old Alma, who was named after a character in that book, undertakes an adventure to find her namesake and save her family. With virtuosic skill and soaring imaginative power, Nicole Krauss gradually draws these stories together toward a climax of "extraordinary depth and beauty" (Newsday).

*The First Mrs. Rothschild* Createspace Independent Publishing Platform

A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

**The History of the Canaanites, Philistines, Babylonians, and Assyrians** Createspace Independent Publishing Platform

This book, the results of a conference held in Israel in 1985, brings together many new perspectives on the significance of Menasseh ben Israel's ideas, and their relation to Christian millenarian views of the time and Jewish kabbalistic and messianistic thought. Scholars from America, Europe and Israel, working on various aspects of 17th century philosophy and religion present here in 18 essays important new data and interpretations of the Jewish and Christian background, and of Menasseh's ideas and their relation to those of Jewish and Christian thinkers of the time. Thus, this volume provides the grounds for reassessing, on the basis of recent scholarship, the ferment of messianic and millenarian ideas issuing from Holland and England in the mid-17th century.

*Ancient Civilizations* Legare Street Press

Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

The History and Mystery of the Lost Tribes of Israel Cambridge University Press

2011 Reprint of 1963 American Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. This work combines a scholar's research and a Christian's interpretations with popular history's readability. It is a definitive source book on the history of ancient Israel from the Exodus to the Fall of Jerusalem in A.D. 70. Bruce does not deal with Israel as an isolated unit. Rather, he deals with Israel from the standpoint of its historical interaction with its almost forgotten neighbors. The detailed genealogical and chronological tables which add so much to the value of this book were compiled by the author himself after intensive research.

The Politics of Exile in Latin America provides a systematic analysis of exile as a mechanism of institutional exclusion and its historical development.

The Ancient Canaanites Simon and Schuster

\*Includes pictures \*Includes ancient accounts of the Canaanites \*Includes online resources and a bibliography for further reading

"And the border of the Canaanites was from Sidon, as thou comest to Gerar, unto Gaza; as thou goest, unto Sodom, and Gomorrah, and Admah, and Zeboim, even unto Lasha." - Genesis 10:19 "And I have said, I will bring you up out of the affliction of Egypt unto the land of the Canaanites, and the Hittites, and the Amorites, and the Perizzites, and the Hivites, and the Jebusites, unto a land flowing with milk and honey." - Exodus 3:17 "And when the LORD thy God shall deliver them before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them..." -

Deuteronomy 7:2 Individuals who decide to take up learning about the Old Testament of the Bible are immediately faced with the difficult proposition of identifying the various peoples that the Hebrews met and sometimes came into conflict with when they entered the territory that eventually became Israel. The Moabites

and Edomites were just two of the many Canaanite groups that the Hebrews dealt with, often violently, but there were dozens of other Canaanite groups, which were all for the most part identified through the names of their respective cities. In fact, before the Hebrews established a kingdom and before the Phoenicians colonized much of the Mediterranean, the Canaanites were the most important group in the Levant for much of the Bronze Age and into the early Iron Age. Although the Canaanites never created a unified nation-state or kingdom, their importance in the ancient Near East cannot be understated. It was at least partially because of that fact that the Canaanites were unable to resist their larger and more powerful neighbors that the average person today knows so little about their history, but modern studies have revealed that they developed a unique religion that influenced non-Canaanite peoples and continued to be practiced in some form centuries after the Canaanites ceased to be an identifiable people. Furthermore, during the height of the Bronze Age the Canaanites provided important resources to the Egyptian and Hittite Empires and played a key role in the geopolitical game of chess between those two kingdoms. It also goes without saying that the Canaanites were also a factor in the establishment of the Kingdom of Israel, as the battles they lost to the Hebrews later became the foundation of the Jewish kingdom. The Ancient Canaanites: The History of the Civilizations That Lived in Canaan Before the Israelites looks at the various groups and their impact on the region and subsequent cultures. Along with pictures depicting important people, places, and events, you will learn about the Canaanites like never before.

**The Prophets of Israel** Simon and Schuster

The Jewish Gospel of John is not, by any standard, another book on Jesus of Nazareth written from a Jewish perspective. It is an invitation to the reader to put aside their traditional understanding of the Gospel of John and to replace it with another one more faithful to the original text perspective. The Jesus that will emerge will provoke to rethink most of what you knew about this gospel. The book is a well-rounded verse-by-verse illustrated rethinking of the fourth gospel. Here is the catch: instead of reading it, as if it was written for 21 century Gentile Christians, the book interprets it as if it was written for the first-century peoples of ancient Israel. The book proves what Krister Stendahl stated long time ago: "Our vision is often more abstracted by what we think we know than by our lack of knowledge." Other than challenging the long-held interpretations of well-known stories, the author with the skill of an experienced tour guide, takes us to a seat within those who most probably heard this gospel read in the late first century. Such exploration of variety of important contexts allows us to recover for our generation the true riches of this marvelous Judean gospel. "A genuine apologetic is one that is true to the texts and the history, akin to the speeches of a defense attorney with integrity. Using the best of contemporary scholarship in first-century Judaic history and contributing much of his own, Dr. Eli Lizorkin-Eyzenberg has demonstrated that the Gospel of John is not an anti-Jewish, but a thoroughly Jewish book." Daniel Boyarin, Hermann P. and Sophia Taubman Professor of Talmudic Culture, University of California, Berkeley "Dr. Lizorkin-Eyzenberg places the text of John's Gospel in its authentic context by examining the Dead Sea Scrolls, Philo, rabbinic literature, and suggesting innovative explanations for the nomenclature, 'the Jews.' His fresh analysis is sure to stir meaningful debate. His creative approach will make an enduring contribution to the discipline of New Testament studies." Brad Young, Professor of Biblical Literature in Judeao-Christian Studies, Oral Roberts University "For some time, research on the Gospels has suffered from stagnation, and there is a feeling that there is not much new that one can say. In light of this, Dr. Eli Lizorkin-Eyzenberg's new commentary on the Gospel of John, with its original outlook on the identity of the original audience and the issues at stake, is extremely refreshing." Ishay Rosen-Zvi, Head of the Talmud and Late Antiquity Department, Tel-Aviv University.

The Ten Lost Tribes Canongate Books

\*Includes pictures \*Includes Biblical passages and Assyrian accounts of the deportation of the Israelites \*Includes a bibliography for further reading "I counted as spoil 27,280 people, together with their chariots, and gods, in whom they trusted. I formed a unit with 200 of [their] chariots for my royal force. I settled the rest of them in the midst of Assyria. I repopulated

Samaria more than before. I brought into it people from countries conquered by my hands. I appointed my commissioner as governor over them, and I counted them as Assyrians." - Sargon II, Assyrian king In the 8th century BCE, one of the most important provinces within the Assyrian Empire was Samaria. Also known as Israel, Samaria repeatedly rebelled against their Assyrian overlords, but in 722, the Assyrians overran Samaria once and for all, killing countless numbers and sending most of the rest of its inhabitants into forced exile. The events of Samaria's fall were chronicled in the Assyrian annals from the reign of Sargon II and the Old Testament, and although the two sources present the event from different perspectives, they corroborate each other for the most part and together present a reliable account of the situation. The end result was that 30,000 Israelites were forcibly deported from the region, a tactic the Assyrians found so effective that they would continue to use it against other conquered enemies until the fall of their own empire. The Assyrians' forced exile of the Israelites was not the only time such a fate had befallen them, as made clear by Babylonian accounts and the Biblical account of the Exodus out of Egypt, but it was that exile that permanently scattered most of the legendary 12 tribes of Israel, and the fate of the 10 lost tribes has interested people ever since. The patriarchal stories in Genesis explain the following about the origin of the tribes of Israel. The patriarch Jacob, whose name was later changed to Israel (Gen 32:28), was himself the son of Isaac and the grandson of Abraham. He had 12 sons who are the eponymous ancestors of the 12 tribes of Israel. Genesis lists the 12 sons according to their mothers. Jacob had five sons with his first wife: Reuben, Simeon, Levi, Judah, and Issachar. Leah's maid, Zilpah, bore another two sons to Jacob: Gad and Asher. His second wife, Rachel, also bore only two sons: Joseph and Benjamin; as did her maid, Bilhah: Dan and Naphtali. The simple version of the Ten Lost Tribes is that modern Jewish communities are composed of the descendants of two of these 12 tribes because Cyrus the Great allowed these tribes to return to Judah from their captivity in Babylon. However, the location and fate of the remaining 10 tribes, deported by the Assyrians from the northern kingdom of Israel two centuries earlier, remains a mystery, and it is this mystery that lies at the heart of the search for the Ten Lost Tribes. The Ten Lost Tribes looks at what is known and unknown about the missing tribes of Israel, and speculation as to their fate. Along with pictures of important people, places, and events, you will learn about the Lost Tribes of Israel like never before, in no time at all.

*Jesus Christ's Competitors* Farrar, Straus and Giroux

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

A Captivating Guide to Mayan History, the Aztecs, and Inca Empire Westminster John Knox Press

El libro que el lector o la lectora tiene en sus manos, Historia del Israel bíblico, es una presentación de la historia del pueblo, que fue el contexto de grandes aportaciones a la humanidad, entre las que se encuentran las Tablas de la Ley, las contribuciones éticas y morales de los grandes profetas de las Escrituras y la poesía de los Salmos. Además, este pueblo le brindó a Jesús de Nazaret, el fundador del cristianismo.

**The Temple: Its Ministry and Services as They Were at the Time of Jesus Christ** AuthorHouse

This innovative volume offers fresh perspectives and directions on the intersection of Hispanic and Jewish studies. It shows how 'Jewishness' has played a crucial role in Spanish political, social, and cultural developments in the modern era, exploring the effects of the multiple material and symbolic absences of Jews and Judaism from modern Spanish society. The book considers the haunting presence that this absence has entailed.

Contributors analyze the different and contradictory ways in which Spain as a nation has tried to come to terms with its Jewish memory and with Jews from the nineteenth century to the present: José Amador de los Ríos' efforts to incorporate 'Jewishness' into the canon of Spanish national literature and history; the emergence in the mid-nineteenth century of the figure of the Jewish conspirator who seeks to foment revolutionary unrest in novels from Spain, Italy and France; the development of philosephardism and its interconnections with anti-Semitism, Spanish fascism and colonial ambitions at the turn of the twentieth century; the instrumentalization of the Spanish Jewish past during the Second Republic; the role of philosemitism in the development of Catalan nationalism; and the relationship between the memory of Sepharad and Holocaust commemoration in contemporary Spain. This book is based on a special issue of

the Journal of Spanish Cultural Studies.

**According to Our Hearts** Historia Del Israel Bíblico

\*Includes pictures \*Includes ancient accounts of each group

\*Includes a bibliography for further reading Individuals who decide to take up learning about the Old Testament of the Bible are immediately faced with the difficult proposition of identifying the various peoples that the Hebrews met and sometimes came into conflict with when they entered the territory that eventually became Israel. The Moabites and Edomites were just two of the many Canaanite groups that the Hebrews dealt with, often violently, but there were dozens of other Canaanite groups, which were all for the most part identified through the names of their respective cities. In fact, before the Hebrews established a kingdom and before the Phoenicians colonized much of the Mediterranean, the Canaanites were the most important group in the Levant for much of the Bronze Age and into the early Iron Age. Although the Canaanites never created a unified nation-state or kingdom, their importance in the ancient Near East cannot be understated. It was at least partially because of that fact that the Canaanites were unable to resist their larger and more powerful neighbors that the average person today knows so little about their history, but modern studies have revealed that they developed a unique religion that influenced non-Canaanite peoples and continued to be practiced in some form centuries after the Canaanites ceased to be an identifiable people. Furthermore, during the height of the Bronze Age the Canaanites provided important resources to the Egyptian and Hittite Empires and played a key role in the geopolitical game of chess between those two kingdoms. It also goes without saying that the Canaanites were also a factor in the establishment of the Kingdom of Israel, as the battles they lost to the Hebrews later became the foundation of the Jewish kingdom. Although the Old Testament provides a credible source for some aspects of Philistine culture, it naturally paints a picture of them as a group of bloodthirsty warriors whose one purpose was to oppress the Hebrews/Israelites. When corroborated with ancient Egyptian and Mesopotamian sources, along with modern archaeological studies, an examination reveals that the reputation that the Philistines earned from the Old Testament was partially warranted, but that there was also much more to Philistine culture. Today, Babylon has become a byword for greed, excess, and licentiousness, mostly due to its mention in the Bible, but a closer examination reveals that Babylon was so much more, and even perhaps the most important city in the ancient world. Ancient Babylon was home to great dynasties that produced some of the world's most influential leaders, most notably Hammurabi and Nebuchadnezzar, and these rulers invoked their wills on the entire ancient Near East and have been remembered as both progressive and cruel all at the same time. Babylon was also the seat of culture in ancient Mesopotamia and the place

where scholars made amazing scientific advances that would not be eclipsed for several centuries. An examination of ancient Babylon demonstrates that it was truly the first great city in the ancient world. Although the Biblical accounts of the Assyrians are among the most interesting and are often corroborated with other historical sources, the Assyrians were much more than just the enemies of the Israelites and brutal thugs. A historical survey of ancient Assyrian culture reveals that although they were the supreme warriors of their time, they were also excellent merchants, diplomats, and highly literate people who recorded their history and religious rituals and ideology in great detail. *The Enemies of the Ancient Israelites: The History of the Canaanites, Philistines, Babylonians, and Assyrians* looks at the various groups and their impact on the region and subsequent cultures.

**Scripture Wings Press**

Yes you can understand the Bible! Discovering the Miracle of the Scarlet Thread in Every Book of the Bible takes the mystery and confusion out of the Bible and makes God's Word come alive with new insights and a fresh excitement that will have you searching for more. Jesus started with the books of Moses and then He talked about what the prophets had written about Him (Luke 24:27 PEB). This book about the Bible will change the way you think about His Word His life-changing and eternal Word.

**History and Representation** Canongate Books

Ignorance of Scripture is ignorance of Christ." What Saint Jerome said centuries ago is surely still true today; any serious theological study must be grounded in Scripture. While there are plenty of biblical scholars today, few authors are able to introduce Scripture to students the way Dianne Bergant does. Bergant invites readers to genuinely engage Scripture, to enter the world of the text and explore some of the age-old questions that arise in every generation: 'What does it mean to say that the Word of God is both divine and human?' 'Why is biblical history so important to the study of Scripture and theology?' 'Why are there different literary forms in the Bible?' 'Why the competing voices and apparent contradictions?' In language that is clear and compelling, Bergant explores the answers to these and other questions. She surveys the world of the Bible and biblical scholarship in an introduction that is sure to spark enthusiasm and further interest. This volume in the Engaging Theology series

instills solid knowledge of Scripture and, thereby, knowledge of Christ, demonstrating that "the Bible is an inexhaustible source of challenge and delight, of inspiration and guidance, and a testimony to ultimate meaning and value." Dianne Bergant, CSA, is professor of biblical studies at Catholic Theological Union in Chicago. She is a member and past president of the Catholic Biblical Association of America and is an active member of the Chicago Catholic/Jewish Scholars Dialogue. She has published numerous works in the area of biblical scholarship, including *Lamentations in the Abingdon Old Testament Commentaries* (Abingdon Press); *Song of Songs in the Berit Olam series*, *Collegeville Concise Glossary of Biblical Terms*, and *Israel's Story* (Part One and Two), all published by Liturgical Press. "

*The Enemies of the Ancient Israelites* Amazon Crossing Israel's position of a center for groundbreaking technological innovation has been the consequence of historical accident and good policy. Now history is moving on and the challenges that the world is facing are threatening to wipe out the remarkable economic progress Israel has achieved. Faced with new challenges and new conditions, the policies of the past are not likely to remain effective. Focusing on the state of Israel, This book addresses a multi-trillion dollar question: How can governments foster innovation in uncertain times. As nations around the world try to reignite their own economies and prepare for new challenges, this book offers a blueprint for fostering strong, sustainable innovation within a dynamic economy. [A Sephardic Journey Through the Twentieth Century](#) Liturgical Press

In the first volume of this work, Dianne Bergant leads readers in an exploration of the earliest years of Israelite history, from the accounts of creation in Genesis through the divided Kingdom of David. Already drawn into the drama of Israel's beginnings, readers of *Israel's Story*, Part One will be eager to pick up this second volume and continue the journey. Those who have not read the first volume can easily enter Part Two and save Part One for a later time. From the theological significance of the Davidic monarchy to the prophetic call to covenant faithfulness, from the Babylonian exile to the influence of Greek culture on Jewish thought and practices, from the oral culture to the written word that is now the Old Testament 'Israel's Story', Part Two allows readers to delight in and appreciate more fully both the depth and diversity of our ancestors in faith. Bergant, in these two volumes, stands before readers as the teacher who makes history come alive, in this case helping us discover that Israel's story is our Christian story as well. Includes a glossary and timeline. Dianne Bergant, CSA, PhD, is professor of Old Testament studies at Catholic Theological Union in Chicago. She has published numerous works, including *Song of Songs in the Berit Olam series* and *Preaching the New Lectionary*, both published by Liturgical Press.
