 Brigham/Houston: A Classic, redefined...because a classic never goes out of style. The market leader, Brigham/Houston, continues to grow in reputation and amount of users as the most effective approach for teaching the first undergraduate corporate finance course. The seamless, integrated ancillary package, still painstakingly prepared by the authors, is a hallmark of the Brigham/Houston package which reduces course preparation time for instructors and makes the subject more accessible for learners. New for this edition is the addition of iLrn Finance, an online student assessment and tutorial resource to help improve student performance. Additionally, access to Thomson ONE - Business School Edition,

an online financial database that students can use to complete projects or select end of chapter exercises, is included with each new text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Fundamentals of Financial Management

Cengage Learning
 The book provides a comprehensive coverage of the course-content requirements of the students appearing the paper 'Financial Management' at the B. Com and BBA Examinations of different Indian Universities as per CBCS syllabus. The book has been divided into FOUR convenient Sections. Each Section covers a different aspect of 'Financial Management' with the subject divided

into chapters covering different topics in a systematic and concise manner. The unique feature of this book lies in its simple and systematic presentation of theory, which would enable the students to solve practical problems with ease. The other main strengths of this book are: plentiful illustrative examples and end-of-the-chapter exercises with short answers.

Investment Banking Workbook South Western Educational Publishing
