*New Fiction from Indiana* BoD – Books on Demand

Helen Potter lived a happy life until she got lost in a nightmare of sexual abuse. Now she's on a journey, a journey which takes her through urban and rural England along the same path that another Potter, Beatrix Potter, once took. Across the decades, two lives touch, and Helen discovers that the strength of two is far greater than one. Bryan Talbot constructs a very special story in *The Tale of One Bad Rat* which immediately endears the reader. The victim of child sexual abuse, Helen Potter becomes the armored knight before her own personal demons in this story of heroism and courage.

*Mathilda and Other Stories* Lindhardt og Ringhof

Somerset Maugham Award winner: Dark early fiction by the author of *Nutshell*—"A splendid magician of fear" (*The Village Voice Literary Supplement*). Taut, brooding, and densely atmospheric, the stories here show us how murder can arise out of boredom, perversity from adolescent curiosity—and how sheer evil can

become the solution to unbearable loneliness. These short fiction pieces from the early career of the New York Times–bestselling and Man Booker Prize–winning author of *Atonement* and *On Chesil Beach* are claustrophobic tales of childhood, twisted psychology, and disjointed family life as terrifying as anything by Stephen King—and finely crafted with a lyricism and an intensity that compels us to confront our secret kinship with what repels us. "A powerful talent that is both weird and wonderful." —The Boston Sunday Globe "Ian McEwan's fictional world combin[es] the bleak, dreamlike quality of de Chirico's city-scapes with the strange eroticism of canvases by Balthus. Menace lies crouched between the lines of his neat, angular prose, and weird, grisly things occur in his books with nearly casual aplomb." —The New York Times

**Three** Hassell Street Press

One king, his queen and their daughter lived once in a big castle which was so rich because of the magical golden donkey they had. One day the queen died. Her last wish was that the king would remarry only if he found someone as beautiful as her. But it was not an easy task because such beauty was nowhere to be seen. Eventually the king realized that his own daughter was as

magnificent as her own mother, so he decided to marry her. The poor girl however was not willing to marry her own father so she sought advice from her fairy godmother. The girl had to make impossible demands and if she was granted all of them, the king was going to get her consent. One of the conditions was the skin of the king's precious golden donkey. Do you think the king will sacrifice the source of the kingdom's wealth? Find out in "Donkey Skin". Charles Perrault (1628-1703) was a French author. He is known for being a pioneer of the fairy tale genre, deriving his stories from traditional folk tales. His most famous stories include "Puss in Boots", "Little Red Riding Hood", "Sleeping Beauty", and "Cinderella". His stories have been adapted to stage and screen countless times, most notably by Disney with classic animated films like "Sleeping Beauty" and "Cinderella". His story "Puss in Boots" was the basis for the character from the animated films "Shrek 2" and "Puss in Boots".

**Donkey Skin** Wordsworth Editions  
THE little donkeys went past the shop-window at eight in the morning and seven-thirty in the evening, punctually, rain or shine. Miss Pope christened them Percy and Emily. The old man whose donkeys they were she had long ago named Voltaire because he looked wicked, un-Christian and clever-- and because she liked literary allusions. One thing she often discussed with Miss Menzies, and that was why, being wicked and clever, he had not advanced further in the world. Miss Menzies suggested drink, and Miss Pope thought it probable. On the other hand, were it drink he would for sure beat and abuse Percy and Emily, and this he did quite

plainly not do, because they were both plump and well cared for. That might be, suggested Miss Menzies, that he kept them in good condition to benefit his business. No one cared to ride skeletons. Miss Pope, who was very thin herself, said that stoutness did no one any good, and Miss Menzies, who was plump like the donkeys, replied that it was greatly a matter of God's will, although, as Miss Pope knew, she had no very good opinion of the Deity and often enough spoke of Him sarcastically.

**The World Within** CERES YAYINLARI

The story of a victim of child abuse that makes reference to the works of Beatrix Potter.

Fool for Love and Other Plays Dark Horse Comics

Prof. Dr. Nâzım Hikmet Polat tarafından hazırlanan Ötüken'in Ömer Seyfettin Külliyyatı; yazarın sağlığında yayımladığı kitaplar esas alınarak aynı çerçevedeki diğer metinlerin ilgili eserlere eklenmesiyle meydana getirilmiştir. Ömer Seyfettin'in bilhassa Harem hikâyesindeki ana mesele Batılılaşma, dikkat noktası ise Batılılaşmanın (alafrangalığın) gündelik hayatta, aileye yansımalarıdır. Ömer Seyfettin, ailenin toplumun çekirdeği olduğunun bilincinde, bu sorunun bütün toplumsal yapıya yayılma eğilimine dikkat çekmiştir. Harem ile aynı ciltte toplanan "Bûse-i Mâder", "İlk Namaz", "Fon Sadriştayn'ın Karısı" ve "Fon Sadriştayn'ın Oğlu" gibi hikâyeler, esas itibarıyla ev, evlilik, kadın ve kimlik ekseninde etrafında dönerler. Kimlik sorgulaması ise kadının toplumsal kimlikte belirleyiciliği çerçevesinde yapılır.

MELODRAMA PLAY \* SEDUCED \* SUICIDE

IN Bb With an Introduction by Ross

Wetzsteon "Sam Shepard is

phenomenal...the best practicing

American playwright." —The New

Republic "Sam Shepard is the most

exciting presence in the movie world and

one of the most gifted writers ever to

work on the American stage." —Marsha

Norman "The most ruthlessly

experimental and uncompromising of

today's young writers." —John Lahr "Sam

Shepard fills the role of professional

playwright as a good ballet dancer or

acrobat fulfills his role in performance.

That is, he always delivers, he executes

feats of dexterity and technical difficulty

that an untrained person could not, and

makes them seem easy." —Michael

Feingold, The Village Voice "One of the

most original, prolific, and gifted

dramatists at work today." —The New

Yorker "Increasingly recognized as one

of the more significant dramatists in the English-speaking world.” —Charles R. Bachman, *Modern Drama*

**The Winter of Artifice** PPU, S.A.

The two "Father" sections, "Stella" and "Winter of Artifice" show how her own father, though successful as a musician, was "a failure as a human being" and the source of much of the chaos in Anais's life. She resented critics calling it autobiographical, but changing the names hardly helped. One has only one father. Most of it is taken from the Incest and Fire sections of her diaries and polished. Stella's exterior resembles the description of Anais's friend Louise Rainer in the *Published Diaries*. The plot is that because she had lost trust in love when her father left her family and because echoes of her love for her father clung to her, she avoided pain by choosing a superficial relationship with a Don Juan like her father. The events of Stella's love life are not from the *Diaries*, but most of the father's effects on Stella's personality are. The third section, *The Voice*, is written in the form of a Surrealistic caricature of a Psychoanalytic practice in New York City. Anais had been in psychoanalysis two or three times, had briefly studied and practiced psychoanalysis and had love affairs with two of her psychoanalysts, at the time this was published.

First Love, Last Rites Rosetta Books

Mathildais Mary Shelley's haunting story of an incestuous and fatal love. The narrative traces the teenaged Mathilda's reunion with her unnamed father, and the development of their obsessive bond

that culminates in suicide. Shelley's own father, William Godwin, was so disturbed after reading the manuscript that he refused to return it to her and it remained unpublished for over one hundred years. This near-forgotten and harrowing work encompasses the Romantic themes of the individual's growth, isolation, and the power of imagination. Shelley's violent and terrifying short stories share Mathilda's fixation with feminist concerns and Gothic conventions. The murderous plots and sinister settings of these later stories reveal Shelley's ongoing preoccupation with the supernatural, transformation, and untamed nature *Eugenie de Franval, and Other Stories* Incest is a chilling tale of sexual experimentation and philosophical exploration carried to its most logical--and devastating--extreme. Marquis de Sade's semi-autobiographical protagonist, Monsieur de Franval, is rich, handsome, intelligent, and thoroughly

immoral. When he marries a pious woman and fathers a daughter, he is determined to educate his progeny to be "free." The ultimate proof of his daughter's unfettered liberty? That she become his secret lover. But when the beautiful and accomplished daughter spurns an eligible young bachelor, instead declaring her intention to remain with her father, her naive and doting mother's suspicions are at last aroused. Confused and distressed by her daughter's behavior, Madame de Franval confronts her husband--with tragic results. A challenging and breathtaking masterpiece, Incest is a sober portrait of catastrophe in the midst of excess.

### **The Silver Thorn**

This is a new release of the original 1947 edition.

### *Winter of Artifice*

Includes stories that show us the ways in which murder can arise out of boredom, perversity can result from adolescent curiosity, and sheer evil might be the solution to unbearable loneliness.
