Catch Fire 2 C. Gockel

When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestess was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.

Jordan Bree was finally free from demons of her past. With her financial windfall the sky is the limit. Now that she and her best friend, Lacy Bates, had settled into their luxurious penthouse apartment, life should have been great. And it was, until the fabric of Lacy's lies unraveled. At a time when they should have been enjoying their new found wealth and independence, Lacy was living like a fugitive. Lacy shared her heartbreaking story of abuse at the hands of her mother's boyfriend. This abuse led to Lacy's hasty departure from a small town in Mississippi. When Lacy confessed to stabbing someone else, Jordan can't help but wonder who she really has living in her

home. Jordan enlisted the help of her good friend, Brody Mason, to help them locate Lacy's sister, and to find out if Lacy was on the most wanted list for committing a crime of passion. While Jordan knew she couldn't afford to throw shade at Lacy, when was enough, too much? Will Lacy be the next person to Catch Fire? Or will their secrets bind them together?

A Journey into the World Within FEMA

There's a sacred and hidden path inside each one of us, a path of mysteries and amazing manifestations, where nothing is impossible, not even our wildest spiritual creations. This is the realm of impossibilities, where imagination is carried away by a spiritual insight, which is here referred as the phoenix. The allegory inside this book takes us to a subconscious realm, that can lead us to the most uplifting and unknown side of ourselves, but also to other realities as well, namely, the ones that are parallel to ours, and also other dimensions and galaxies. It is with this allegory of the phoenix that we understand the role of the dragons and serpents of our planet, and how they interfere in the Tao of our existence. As a dance of forces, vibrations of different natures, these symbols and concepts take us to the deepest truth within, of who we are and how far can we go. This is a book about the adventures of our soul, the journey within that so many Shamans live to explore. It's also about a path that all spiritualists and gurus have experienced, a path that some have called nirvana, enlightenment or awaking, but few have ever had the ability to fully describe in a way that can be perceived by the common mortal. The Native Americans have often told us about the spirit of the eagle that keeps guard over the spiritual world. This eagle, or big bird, is representative of another living force, which is the phoenix, the bird of fire. This is why many mystics of ancient times believed that only fire could take souls to another world. The fire purifies the body, but the most potent fire comes from within, as an energy that we burn with our conscious awareness. This is the fire that Buddhists, Taoists and Hindus persist in awakening from within, commonly using disciplines created specifically for this purpose, such as yoga, chikung and meditation. This fire represents the power of our own spirituality, which most people are unaware to possess. As mortals and genetically manipulated slaves of a few alien species, we've lost the physical capability to ignite it. But the phoenix can help us reach it, through the spiritual nature that is within each one of us. The one who can ride the phoenix, can travel very far, to amazing lands. And these are the ones that often come back, when they choose to, as our prophets and religious leaders. This book describes their journey to Valhalla, Heaven, Paradise, or more simply, the Laboratory of God.

Simcha Guterman's, Leaves from Fire, is a firsthand account written with the deep sense of comprehension he was documenting the fate of his people. Knowing full well that his life was in danger, Simcha chronicled the occurrences of the Holocaust on long scraps of paper, as they happened right before his eyes. The events described take place in Poland, during the first years of World War II. The author stuffed long paper scraps, written in Yiddish, into bottles and hid in them in different places. One of these bottles was discovered after the war. Simcha Guterman's work has been published and translated into eight different languages, receiving high praise from critics. The book's evocative illustrations were drawn by Yaakov Guterman, the author's son.
