Michael A. Stackpole, New York Times bestselling author and master of epic fantasy, continues his unforgettable chronicle of a world divided by war, betrayal, desire, and two rival magicks. . . . As her merciless armies sweep from the north, the tyrant Chytrine pursues her quest to become empress of the world in a brutal campaign of unspeakable bloodshed and unholy sorcery. While cities and kingdoms topple, her agents, both living and dead, search for fragments of the

shattered DragonCrown—which, when reassembled, will make her unstoppable. Opposing Chytrine is the beautiful and determined Alexia, Princess of Okrannel. As she struggles to save the life of Kedyne's Crow, a mysterious human warrior accused of treachery, she gathers around her an alliance of unlikely heroes, including Resolute, an exiled Vorquelf out for vengeance; Kerrigan Reese, a mage with uncertain potential; and

last but not least, young Will, an orphan thief from the slums of Yslin, who may be the fulfillment of an ancient prophecy—or its innocent victim. Alexia and her friends will need all their courage and magick, their only advantage the secret possession of a vital fragment of the DragonCrown. But when Chytrine's terrifying horde of cruel warriors, voracious minions, and remorseless undead slaves join the battle against them, even courage and magick may

not be enough to stem the tide of ultimate darkness.

"Does it seem reasonable to you that a Regency continues—into an Emperor's thirtieth year "
 "No, m'lord," Shoka said.
 "Not to us, either. Not to many of us. We were ready to make that objection—when lord Gitu overran Yijang and Hua.... Assassinations, elsewhere. Hired killers. Bands of mercenaries traveling under imperial

orders. The Emperor's seal, and the Regent's orders. How do we stop such a thing How do we prevent it—when every lord able to lead is apprehended, assassinated, when they strip us of men, even boys out of the fields—go to Saukendar, some said. Go to Saukendar. They urged me to send to you. This time he has to listen, they said. But if I had sent—and Ghita had known—you understand—" Reidi gave an uncomfortable twitch of the shoulders. His

horse shifted again. "I had no true hope that you'd come. You'd indicated to the villagers—that you had no wish to hear from anyone. That you would refuse any such petitions—" "You were watching me." "It's my village, m'lord—as the Regent pointed out to me again and again, and threatened my life should you leave that mountain. Of course the word came to me. I tried to get a messenger down the road to you when I knew you'd left Mon.... We believed you'd come back to deal

with Ghita and his partisans." Shoka felt cold, cold all the way to the bones. "There are men ready to follow you, lord Saukendar. There are men who've committed their lives to this— We didn't know the hour. We only believed. Now you've come back ..." "It's gripping drama, tightly focussed and inexorable as Taizu herself.  While most continents float freely on the face of Mother Sea, the Land of Dhrall survives anchored by the will of the Gods. All Gods, Elder and Younger, share the people and the land of Dhrall equally. But the one place they never enter is The Wasteland: a

barren and hideous wilderness ruled by the Vlagh--a god-like creature whose young are evil spawn. Now, as the Elder Gods are about to transfer their power to the Younger Gods, the Vlagh plans to take advantage of their weakened state and neutralize them, eventually conquering the world. To do so, it is breeding a terrible force borne of monsters and demons. But one ray of hope shines through the darkness: four children called the Dreamers. They alone hold the power to

change the course of history...and stop the Vlagh in its quest for total world domination.

After two devastating defeats and the utter annihilation of two armies,

the hideous Vlagh still vows to invade the land of Dhrall. A voracious insectile overmind, she can breed millions of soldiers in mere days and even evolve entire new species in just a week. At first, Dhrall's mortal defenders--a motley bunch of mercenaries, pirates, horse lords, and lone heroes like the archer Longbow--are certain they'll prevail again. Most are now battle-hardened veterans, and the natives of Dhrall are fierce bison hunters and bear slayers, ready to fight. But while

the Vlagh's past servants were giant, venomous, and mindless bugs, it has now created perfect spies: new minions with a man's appearance and intelligence. Corrupted by the agents of the Vlagh, the human tribes are soon at one another's throats. Far, far worse for mortals is the fact that the Gods can no longer be trusted. For, nearing the end of their 25,000 year

cycle, the Elder Gods are doddering toward senility and dementia. And to add to mankind's plight, a strange mysterious entity is manipulating the forces in the upcoming strife and neither gods nor mortals know its true intentions. Now, beset by astonishing, dire challenges, Longbow and his fellow mortals must wage a bitter war against

a supernatural enemy-one that has evolved in ways they could have never imagined...
