Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued. *Parallel Lives* Createspace Independent Publishing Platform

One woman's extra-sensory experiences in out-of-body travels, lucid dreams, dreams, synchronicities, dowsing, healing, spirit visits, past-life experience, precognition. She also offers instructions and resources that can potentially open up new dimensions for those who are willing to believe, to open themselves to truth. *Children's Astounding Recollections of the Time Before They Came to Earth* Llewellyn Worldwide

Have you lived before? Suddenly the idea of reincarnation has produced a wave of resonance in modern society and struck a chord. This book documents the growing public acceptance of the possibility that all of us will live again after we finish our present 'go-around' on the planet Earth. The ancient concept of reincarnation and past lives has not only re-emerged into our modern consciousness, but seems to have become a more natural and accepted part

of our world view. Some studies show that twenty-five percent of people in modern western countries now agree that reincarnation is not only possible, but a reality. The implications of this are enormous. Imagine a population that has been released from the fear of death. Suddenly, we have all the time in the world - eternity, in fact! Life now takes on a new dimension of meaning. We realize that this is not all there is and we also understand that we are more than our physical bodies and because we are more than our physical bodies, we can access that which is beyond the physical. Our potential is virtually unlimited. Freedom from the fear of death is a kind of universal freedom that can flow across all aspects of life and living. Knowing that we are not mere physical lumps of biological matter, but indestructible souls constructed of pure consciousness is a magnificent vision for humanity. Knowing that we are 'souls' means that we can live out our lives from that basic understanding. It is the ultimate empowerment. No doubt many will remain sceptical about the possibility of reincarnation. But it seems this is a concept and a phenomenon that is not going away. Those amazing headlines in the media just keep coming. Every day more people - average, ordinary everyday people - are discovering that they have an undeniable connection to something larger, something infinite and something absolutely amazing. Wordsworth expressed the idea that we gradually lose our intimate knowledge of heaven as we grow up, observing that "our birth is but a sleep and a forgetting" of our previous heavenly existence. Dr. Wayne W. Dyer and co-author Dee Garnes had often talked about how the ones who know the most about God are those who have just recently been wrapped in the arms of the Divine, our infants and toddlers. In fact, Dee had an interaction with her own young son that convinced her of this. Curious about this phenomenon, Wayne and Dee decided to issue an invitation to parents all over the world to share their experiences. The overwhelming response they received prompted them to put together this book, which includes the most interesting and illuminating of these stories in which very young children speak about their remembrances before they were born. It seems that infants and toddlers often arrive here with memories of their lifetimes in the spirit world and frequently provide evidence of this to their immediate families. They tell of dialogues with God, give evidence that they themselves had a hand in picking their own parents, speak about long-deceased family members they knew while in the dimension of Spirit, verify past-life recollections, and speak eloquently and accurately of a kind of Divine love that exists beyond this physical realm--and even of times when telepathic communication took place, as well as the ability to decide just when they would come here to Earth. This fascinating book encourages parents and grandparents to take a much more active role in communicating with their new arrivals . . . and to realize that there is far more to this earthly experience than what we perceive with our five senses. Do you ever think you're someone else once in a while, but can't quite remember who you are? Or maybe you dream about events that seem to be happening to someone else, yet you resonate completely with them—as if they are happening to you? *Parallel Lives* is based on my past life in Egypt and the parallels to my present life. But this book goes beyond reincarnation; it explores the concept that we're living all our lives at the same time in different dimensions of energy. It also covers the concept of parallel selves—the unity of our physical self with our spiritual self. Told in story form, it invites you on a mystical journey within your soul. <http://morpheusbooks.wordpress.com>

Most of us do not remember that we have volunteered to remember our multidimensional heritage and unite with our true SELF in the higher worlds. Remembering this unity would be difficult indeed with the knowledge of only one lifetime. Fortunately, as we each begin to awaken, we remember our "past lives."

These "past lives" are actually all occurring at the same "time" in different space-time coordinates. Shature, the main character, is studying on the fifth dimension and acting as the Higher Self to her different, third dimensional lives.

Shature does this by entering into a dome, which allows her to interface with the physical world. As she moves through these layers of multidimensional love, she discovers what she was and who she is meant to be.

Torn from pages of his own journal, Pastor Stephen Grant tells about threats, murder and puzzling people from his past. It's a compelling mystery involving action, unexpected turns, lost innocence, and twisted revenge. This is the first Pastor Stephen Grant story told from Grant's own viewpoint, unfolding each day in the pages of his journal. Kirkus Reviews calls Grant "an engaging and multifaceted character" and "a consistently entertaining hero." Beyond the Universe Hay House, Inc "Guaranteed to give immense hope," this manual on reconnecting with loved ones

who have passed on "provides stunning evidence of the continuity of love and life" (Suzanne Giesemann, author of *Messages of Hope*) Famed relationship therapist, author, and media personality Dr. Jamie Turndorf—known worldwide as Dr. Love—shares the amazing true story of her spiritual reconnection with her beloved, deceased husband, internationally renowned former Jesuit priest Emile Jean Pin. Discovering for herself that relationships don't end in death, Jamie recounts her remarkable experience where, through the depths of her grief after Jean's sudden passing, her husband made his continued presence—and undying love—known. Drawing on these personal encounters, Jamie has created a groundbreaking new form of grief therapy that combines her acclaimed conflict-resolution techniques with after-death communication. The result: an unprecedented method that enables the bereaved to reconnect, resolve unfinished business, and make peace with the deceased. Filled with dozens of examples of spirit contact and communication, this book eliminates any doubt about life after death and shows that contact is ongoing. Loved ones in spirit don't just linger briefly before going to "heaven" and disappearing from your life. Rather, heaven is a state, not a place, and your loved ones have eternity to support you and heal any issues left behind when they passed on. Come to recognize the numerous signs from spirit that you may have been missing. Learn to trust yourself and the process that's right for you—not a shortened, artificial grief period prescribed by conventional doctors. Practice techniques for heightening your senses, expanding your awareness, and entering an open state, culminating in Jamie's method for Dialoguing with the Departed. When connection and love live on, fear is banished and relationships can grow and heal as never before. Begin opening your mind and your heart today! Conversations with History Hay House, Inc For the first time in history, a Pleiadian group has invited a human couple to join an interplanetary team to assist in human evolution. Laarkmaa is a loving group of Pleiadians who are dedicated to the evolution of humanity. Cullen Baird Smith and Pia Smith Orleane, acting as Ambassadors to the Pleiadians, bring Laarkmaa's inspiring and heartwarming messages of hope, love, and peace to all who are willing to listen. Smith and Orleane share Laarkmaa's wisdom from public gatherings and recorded conversations about the illusion of time, the future of technology, our innate ability

to heal ourselves, and information about who is here to guide us through these auspicious times. These conversations bring revelatory insights about human emotions, telepathic communication, and our own divinity. The Pleiadians tell us that we have a choice in changing the course of our own evolution. Will we make the right choice? "A riveting journey into the depths of the human soul with an encouraging message that there is still hope for humans, if we choose to act wisely and listen to the voice of love."

Cheryl Fracasso, Association for Humanistic Psychology "This is one of the most thought provoking books I've read in years. It presents powerful insights and observations of our situation on earth, and practical information about how to move toward a brighter future for humanity. I can't wait to see what's in their next book." Kent Noonan, President, Enlightened Science for Conscious Living "This is a remarkable account of what some psychologists call an exceptional human experience. The messages are articulate, provocative, and hopeful. Readers may agree or disagree with the authors' perspective, but they will never get bored while reading this book."
