survive. Book 1 of *The Naturalist* combines historical fantasy with thrilling adventure and a touch of Renaissance romance. [Waltzing Australia](#) Createspace Independent Publishing Platform In an age when modern reproductive technology is moving at a rapid and alarming rate, *Conscious Conception* is an alternative exploration into understanding personal fertility, as

well as a comprehensive guide to discovering newfound meaning in our sexuality. Combining knowledge of myth and culture, authors Jeannine Parvati Baker and Frederick Baker offer a step-by-step manual of fertility awareness, depth psychology, and psychic birth control and interweave the five elements—Earth, Water, Fire, Air, and Ether—as tools for

discovery in the face of reproductive challenges. Including numerous contributions from experts in the field, the book investigates a broad range of topics, from the causes of infertility to the spiritualization of sexuality. *Conscious Conception* urges us to see all of the possibilities in life's plan of continuation and to seek a clearer communion with our own reproductive experience. My Journey to Empowerment

Waltzing Australia was born out of a dream-and a journey. After walking away from her

corporate career, Cynthia Clampitt headed to Australia, to start over, to write, and to test the limits of what she could do. Waltzing Australia recounts that joyous adventure. It is a story about change and about making dreams come true. But more than that, it is about Australia: the history, legends and art, both European and Aboriginal; the beauty, the challenge, the

people, the land. From Sydney to Perth, Tasmania to Darwin, tropics to desert, city to wilderness, Clampitt carries the reader along on an exhilarating grand tour of a fascinating country. With a writing style reminiscent of Annie Dillard, she captures the essence of the land Down Under and invites others to fall in love with Australia.

A brilliant and poetic exploration of the way that we experience time in our everyday lives. Why does time seem so short? How does women's time differ from men's? Why does time seem to move slowly in the countryside and quickly in cities? How do different cultures around the world see time? In *A Sideways Look at Time*, Jay Griffiths takes readers on an extraordinary tour of time as

we have never seen it before. With this dazzling and defiant work, Griffiths introduces us to dimensions of time that are largely forgotten in our modern lives. She presents an infectious argument for other, more magical times, the diverse cycles of nature, of folktale or carnival, when time is unlimited and on our side. This is a book for those who suspect that there's more to time than clocks.

Irresistible and provocative, *A Sideways Look at Time* could change the way we view time-forever.

Why are so many Western children unhappy? Why has childhood become so unnatural? Why are we scared to let our kids be free? In *Kith*, Jay Griffiths seeks to discover why

we deny our children the freedoms of space, time and the natural world. Visiting communities as far apart as West Papua and the Arctic, as well as the UK, and delving into history, philosophy, language and literature, she explores how children's affinity for nature is an essential and universal element of childhood. It is a journey deep into the heart of what it means to be a child, and it is central to all

our experiences, young and old. 'Scintillating, passionate, supremely honest. Adults and children need more books like this.' Literary Review 'A subterranean book. We excavate it to refind the secrets of childhood, our own, and many other childhoods in times and places far from ours.' John Berger 'Griffiths' understanding of how it feels to be a child is extraordinary, and her

writing is as vivid as poetry.' Mail on Sunday 'I didn't just read this book; I revelled in it. There's a rare vitality and robust energy . . . reading this book feels like playing in the woods. An unabashedly Romantic rallying cry for childhood. Playful and polemical, emotional and imaginative. As vital as play itself.' Three months into a new job, Emily Greene has a chance encounter with a charming, older man in a London taxi. Alarmingly handsome, the perfect billionaire businessman, Martin Lyle is infatuating and a dream come true. At first unable to believe in his

affections for her, Emily eventually casts aside her doubts and allows herself to be swept into a whirlwind romance that catapults her into a life of luxury. As she becomes accustomed to eating out at the best restaurants, splurging on expensive clothes and spending more money than she's ever had in her life, things start to unravel. Martin Lyle is all that he seems, and more. But is

he hiding something? When Emily discovers a woman from his past, she begins to wonder if the man of her dreams is really as perfect as he seems. As dark secrets and hidden dangers reveal themselves, Emily isn't sure whom to trust. When women in Martin's company begin to mysteriously disappear, she grows concerned for his safety and in doing so, unearths an

unimaginable truth. Will her love for Martin get her through or will one London taxi ride be her biggest ever regret?

Imagine a class of disenchanting, turned-off teens, mostly males. Then imagine those same students feeling poorly about themselves - feeling they are dumb because they have not been told it takes time to learn a

second language. Imagine adults passing through their lives and finally one sticks around to show them they are loved. They are safe. They are good. Just imagine.

A Billion Reasons
William Mulvey
Jay Griffiths describes an extraordinary odyssey, courageous and sometimes dangerous, to wildernesses of earth and ice, water and fire. A poetic consideration of the tender

connection between human society and wild lands, Wild is by turns funny, touching and harrowing. It is also a journey into that greatest of uncharted lands ♦ wild mind ♦ as Griffiths explores the words and meanings which shape our ideas and our experience of our own wildness. Part travelogue, part manifesto, this is a one-of-a-kind book from a one-of-a-kind author.

Jupiter Kids (Childrens & Kids Fiction) (black & white) After swimming with wild dolphins, Adena Tryon began receiving messages from angelic dolphin beings called Stella Maris (Starlights of the Sea). This book shares their light messages, dolphin wisdom, the medicine of the divine feminine, and healing blessings for humanity. Stella Maris first speaks as a collective.

They explain the concept of Starseeds and speak of the Stella Maris High Council, which also includes Mother Mary, Quan Yin, and Queen A'Mara. Then, individual Stella Maris members share light messages, healing activations, and scrolls of affirmations. The book concludes with a Beauty Way invitation. Visionary art from Florencia Burton synchronizes with the words of Stella Maris,

creating a truly transformative experience. *To All Wildflowers* CreateSpace I wrote this book to inspire, empower and uplift my fellow sista's.
