What does a free-spirited, fifty-
something professional do when she
breaks up with her non-committal
Buddhist boyfriend and longs for a life

partner? She holds a 'letting go' ceremony with the boyfriend, challenges herself to go on 50 dates, takes a few lovers, and voila! Finding Mr. Right becomes a sexy dating project. Set in the SF Bay Area world of personal growth workshops and spiritual ceremonies, *Fifty First Dates after Fifty* traces the adventurous path of Carolyn's universal quest for love. The goal of fifty pulls her forward through the highs and lows of dating—magical and ecstatic, pining and painful—while her heart soars, falls, and keeps on going. Buoyed by her dating project, she avoids settling for the wrong guy, discovers the type of man she wants, reconciles a love of independence and sex with her desire for commitment and emotional connection, and finds the unique partner

for her. This upbeat memoir about the search for a partner in midlife is also a celebration of a woman's unabashed sexuality. Erotic in places, funny in others, it offers a positive view of dating as an enjoyable journey of self-discovery and self-love along the way to one's own Mr. Right.

The Mythology Class Hourly History
Written in 1937 when the Thurman W. Arnold was a law professor at Yale, the *Folklore of Capitalism* is a puckish but serious critique of what he saw as the myths of capitalism. Summing up his

book in the Preface, the author said, "By the folklore of capitalism I mean those ideas about social organizations which are not regarded as folklore but accepted as fundamental principles of law and economics." The book, which satirizes many beliefs of American laissez-faire society, was a best-seller and brought Mr. Arnold national attention.

The Constellation Orion Bollingen Foundation

The Children of Bathala Beard Books
Much like Lin-Manuel Miranda did in Hamilton, the New York Times best-selling author David Elliott turns a classic on its head in form and approach, updating the timeless story of Theseus and the Minotaur. A rough, rowdy, and darkly comedic young adult retelling in verse, which NPR called "beautifully clever," Bull will have readers reevaluating one of mythology's most infamous monsters. SEE THE STORY OF THESEUS AND THE MINOTAUR IN A

WHOLE NEW LIGHT Minos thought he could Pull a fast one On me, Poseidon! God of the Sea! But I'm the last one On whom you Should try such a thing. The nerve of that guy. The balls. The audacity. I AM THE OCEAN! I got capacity! Depths! Darkness! Delphic power! So his sweet little plan Went big-time sour And his wife had a son Born with horns and a muzzle Who ended up In an underground puzzle. What is it with you mortals? You just can't seem to learn: If you play with fire, babies, You're gonna get burned.

Halina Filipina Child's World

An easy-to-read graphic novel about two very funny brothers, from the guy behind Fly Guy and his storyteller friends. Mac and Mac, who love pie and hate making their beds, are hollow-

headed. "See in here? Nothing! Zippo! Nada!" Mac explains. That's why they're so easy to fool—and their clever friend Meatball isn't afraid to take advantage of that fact. Illustrated by Tedd Arnold, whose Fly Guy series is a kid favorite, this graphic novel is perfect for comic fans and reluctant readers, with short, funny chapters following Mac and Mac through ridiculous adventures. Full of wordplay, jokes, and slapstick humor, the Noodlehead series is sure to delight. Based on traditional world folktales and stories of fools, the Noodleheads also encourage critical thinking, inviting kids to use their noodles- spotting the holes in the brothers' grand plans, and anticipating how things will go awry. Source notes from professional storytellers Martha Hamilton and Mitch

Weiss provide more information about the traditional stories that inspired Mac and Mac's mishaps, showing how these comic motifs feature in folklore and legends all around the world and offering opportunities for further reading. This easy-to-read series, including the Geisel Honor book *Noodleheads See the Future*, is an accessible introduction to stories of fools, and a great next read for fans of the *Fly Guy* books.

Infandous HarperCollins

Welcome to the Metamythos, home of the gods you've never heard of but have always known. Why are you here? Night knows. The Lord of Things Unseen keeps such knowledge in the Book of Truth in his dark halls...until a mortal sneaks in and steals it. Now the secret is loose, but all memory of it erased. It's inscribed in

air by a leaf on the wind...echoes from the lips of a face forever shrouded in shadow...and unfolds in "Songs of the Metamythos," in tales of a world both wondrous and familiar-our own. You're invited to meet its gods, unravel its secret, with the only key that opens all doors: "Enter with an open mind."

History: A Very Short Introduction

Indiana University Press

Robyn Schneider, author of *Extraordinary Means* and *The Beginning of Everything*, delivers a sharply funny, romantic girl-meets-boy novel with a twist: boy-also-meets-girl's-ghost-brother. When one girl's best friend is her dead brother's ghost, romance can be tricky. Perfect for fans of John Green and Nicola Yoon. Rose Asher believes in ghosts. She should, since she has one for

a best friend: Logan, her annoying, Netflix-addicted brother, who is forever stuck at fifteen. But Rose is growing up, and when an old friend moves back to Laguna Canyon and appears in her drama class, things get complicated. Jamie Aldridge is charming, confident, and a painful reminder of the life Rose has been missing out on since her brother's death. She watches as Jamie easily rejoins their former friends—a group of magnificently silly theater nerds—while avoiding her so intensely that it must be deliberate. Yet when the two of them unexpectedly cross paths, Rose learns that Jamie has a secret of his own, one that changes everything. Rose finds herself drawn back into her old life—and to Jamie. But she quickly starts to suspect that he isn't telling her the

whole truth. All Rose knows is that it's becoming harder to choose between the boy who makes her feel alive and the brother she isn't ready to lose.

After Eden e-arnow

From the award-winning author of *A Boy Called Bat* comes a new young middle grade series in the tradition of *Ramona* and *Clementine*, starring an unforgettable girl named Harriet. There are a few things you should know about Harriet Wermer: She just finished third grade. She has a perfect cat named Matzo Ball. She doesn't always tell the truth. She is very happy to be spending summer vacation away from home and

her mom and dad and all the wonderful things she had been planning all year. Okay, maybe that last one isn't entirely the truth. Of course, there's nothing Harriet doesn't like about Marble Island, the small island off the coast of California where her nanu runs a cozy little bed and breakfast. And nobody doesn't love Money Penny, Nanu's old basset hound. But Harriet doesn't like the fact that Dad made this decision without even asking her. When Harriet arrives on Marble Island, however, she discovers that it's full of surprises, and even a mystery. One that seems to involve her Dad, back when he was a young boy living on Marble Island. One that Harriet is absolutely going to solve. And that's the truth.

Noodleheads Fortress of Doom Oxford Paperbacks

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously

alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves.

Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she

loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly,

Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.
