KENYON SHELDON

Franciscans Working for Peace and Justice Oxford University Press
The Number One Bestseller Shortlisted for the Irish Book Awards 2021 'A great achievement . . . Brilliant, engaging and essential' Colm Tóibín 'At once intimate and epic, this is a landmark book' Fintan O'Toole When Dubliner Derek Scally goes to Christmas Eve Mass on a visit home from Berlin, he finds more memories than congregants in the church where he was once an altar boy. Not for the first time, the collapse of the Catholic Church in Ireland brings to mind the fall of another powerful ideology - East German communism. While Germans are engaging earnestly with their past, Scally sees nothing comparable going on in his native land. So he embarks on a quest to unravel the tight hold the Church had on the Irish. He travels the length and breadth of Ireland and across Europe, going to Masses, novenas, shrines and seminaries, talking to those who have abandoned the Church and those who have held on, to survivors and campaigners, to writers, historians, psychologists and many more. And he has probing and revealing encounters with Vatican officials, priests and religious along the way. The Best Catholics in the World is the remarkable result of his three-year journey. With wit, wisdom and compassion Scally gives voice and definition to the murky and difficult questions that face a society coming to terms with its troubling past. It is both a lively personal odyssey and a resonant and gripping work of reporting that is a major contribution to the story of Ireland. 'Reflective, textured, insightful and original ... rich with history, interrogation and emotional intelligence' Diarmaid Ferriter, Irish Times 'An unblinking look at the collapse of the Church and Catholic deference in Ireland. Excellent and timely' John Banville, The Sunday Times 'Engaging and incisive' Caelainn Hogan, author of Republic of Shame 'Remarkable ... Essential reading for anyone concerned about history and forgetting' Michael Harding 'Fair-minded ... thoughtful' Melanie McDonagh, The Times 'Very pacy and entertaining ... and it changed how I regard Ireland and our history for good. Fantastic' Oliver Callan 'Original, thought-provoking and very engaging' Marie Collins 'A provocative insight into a time that many would rather forget' John Boyne 'Challenging' Mary McAleese 'Explores this subject in a way that I've never seen before' Hugh Linehan, Irish Times

An Interpretation Orbis Books

"From pastor, scholar, and best-selling author, Marvin McMickle, comes this new volume that considers the evolution of liberation theologies in their historic and cultural contexts. Beginning with the author's own formative experiences with the Black theology of James Cone, exploring the socioeconomic implications of Latin American liberation theologies, and considering in depth the theologies of feminist scholars, womanist theologians, and women in ministry. More than a chronological history or intellectual analysis, this book breathes with lived faith and practical theology, acknowledging the contexts out of which theologies of liberation emerge and the transforming impact they have on the social and political lives of Christians today"--

Let the Oppressed Go Free Metropolitan Books

There Shall Be No Poor Among You is a careful and comprehensive but not overly technical study of the biblical portrait of the poor and poverty. Hoppe introduces the study with the socioeconomic structures of ancient Israel and Roman Palestine, then proceeds systematically to examine the biblical evidence, including that of the Old Testament, New Testament, Apocrypha, and rabbinic literature. The Bible describes the poor and poverty in a variety of ways. Sometimes poverty is a curse; other times it is a blessing. Sometimes the text is concerned about material poverty exclusively; other times poverty becomes a metaphor for another reality. Hoppe describes the various ways the Bible deals with the poor, but his fundamental conclusion is that the Bible never idealizes the reality of material poverty and the oppression of the poor by the rich. Even when the Bible speaks of "poverty of the spirit" as a positive religious metaphor, God requires humans to seek social justice. Hoppe suggests that just as poverty is not idealized in the Bible, so the poor should be a priority of every community of faith. Ancient Israel, early Judaism, Jesus, and the first Christians did not forget the poor, and if believers today wish to be faithful to their biblical heritage, neither can they. This book provides a practical background for scholars and is a primer for a significant theological motif. It will be useful in the classroom (in college and seminary courses in biblical ethics and social justice), as well as in serious Bible study. Study questions will help readers and students further probe history, theology, and application.

God of the Oppressed James H. Cone Orbis Books

God does not suggest, he commands that we do justice. Social justice is not optional for the Christian. All injustice affects others, so talking about justice that isn't social is like talking about water that isn't wet or a square with no right angles. But the Bible's call to seek justice is not a call to superficial, kneejerk activism. We are not merely commanded to execute justice, but to "truly execute justice." The God who commands us to seek justice is the same God who commands us to "test everything" and "hold fast to what is good." Drawing from a diverse range of theologians, sociologists, artists, and activists, *Confronting Injustice without Compromising Truth*, by Thaddeus Williams, makes the case that we must be discerning if we are to "truly execute justice" as Scripture commands. Not everything called "social justice" today is compatible with a biblical vision of a better world. The Bible offers hopeful and distinctive answers to deep questions of worship, community, salvation, and knowledge that ought to mark a uniquely Christian pursuit of justice. Topics addressed include: Racism Sexuality Socialism Culture War Abortion Tribalism Critical Theory Identity Politics Confronting Injustice without Compromising Truth also brings in unique voices to talk about their experiences with these various social justice issues, including: Michelle-Lee Barnwall Suresh Budhaprithi Eddie Byun Freddie Cardoza Becket Cook Bella Danusiar Monique Duson Ojo Okeye Edwin Ramirez Samuel Sey Neil Shenvi Walt Sobchak In *Confronting Injustice without Compromising Truth*, Thaddeus Williams transcends our religious and political tribalism and challenges readers to discover what the Bible and the example of

Jesus have to teach us about justice. He presents a compelling vision of justice for all God's image-bearers that offers hopeful answers to life's biggest questions.

Jesus and the Disinherited Beacon Press

In *Hope for the Oppressor*, Patrick Oden examines the topic of liberation from the perspective of the oppressor, arguing that oppressors need to be and indeed can be liberated from oppressing. Oden points to community as a hope that brings change, inviting people into a new expression of life together.

A Theology of Interpersonal Discipleship Orbis Books

Why haven't we North American biblical scholars done such a systematic study of the words for oppression in the Bible? If the answer is that we who possess the critical skills are not ourselves oppressed or identified with communities of the oppressed, then it becomes imperative that we listen all the more carefully to these voices from the South. -- Walter Wink, Professor Emeritus of Biblical Interpretation, Auburn Theological Seminary, New York
This book is a welcome addition to a growing body of evidence that the Bible is a book about social justice for the oppressed of the land and that this indeed is the good news. -- Marie Augusta Neal, SND de Namur, author of *A Socio-Theology of Letting Go*
Elsa Tamez's book attracts our attention, not only for wrestling with a major biblical theme but also for keeping us in continuous contact with the text of the Bible. -- Carroll Stuhlmueller, CP, general editor of *The Collegeville Pastoral Dictionary of Biblical Theology*
A careful and creative interdisciplinary study in biblical theology, Old Testament, and social ethics. Elsa Tamez's work has contributed to the church in Latin America and is now available as a readable, important resource for the English-speaking church. -- Jane Cary Peck and Carole Fontaine, Andover Newton Theological School
Writing from a perspective of those oppressed by poverty and sexism, Elsa Tamez has brought us a wealth of analysis of the biblical understanding of oppression. -- Letty M. Russell, Professor Emeritus, Yale Divinity School
Elsa Tamez is the author of 'Through Her Eyes' (Wipf & Stock reprint, 2006), 'Jesus and Courageous Women' (2001), and coeditor of 'The Discourse of Human Dignity' (2003).

Finding God in Somali Legal Politics Stanford University Press

The most enduring challenge to traditional monotheism is the problem of evil, which attempts to reconcile three incompatible propositions: God is all-good, God is all-powerful, and evil happens. *The Prince of This World* traces the story of one of the most influential attempts to square this circle: the offloading of responsibility for evil onto one of God's rebellious creatures. In this striking reexamination, the devil's story is bitterly ironic, full of tragic reversals. He emerges as a theological symbol who helps oppressed communities cope with the trauma of unjust persecution, torture, and death at the hands of political authorities and eventually becomes a vehicle to justify oppression at the hands of Christian rulers. And he evolves alongside the biblical God, who at first presents himself as the liberator of the oppressed but ends up a cruel ruler who delights in the infliction of suffering on his friends and enemies alike. In other words, this is the story of how God becomes the devil—a devil who remains with us in our ostensibly secular age.

Reexamines the ideology of the two most prominent leaders of the civil rights movement of the 1960s

Islam and the Problem of Black Suffering Orbis Books

Widely regarded as the "Father of Black Theology," this autobiographical work by James Cone is truly the capstone to his career.

Is God A White Racist? Destiny Image Publishers

Ben Lindsay offers eye-opening insights into the black religious experience, challenging the status quo in white majority churches. Filled with examples from real-life stories, including his own, and insightful questions, this book offers a comprehensive analysis of race relations in the Church in the UK and shows us how we can work together to create a truly inclusive church community.

Sisters in the Wilderness Zondervan Academic

In his reflections on God, Jesus, suffering, and liberation, James H. Cone relates the gospel message to the experience of the black community. But a wider theme of the book is the role that social and historical context plays in framing the questions we address to God as well as the mode of the answers provided.

Liberation Theology and Gender Justice in Islam Crossway

In the nascent United States, religion often functioned as a justifier of oppression. Yet while religious discourse buttressed such oppressive activities as slavery and the destruction of native populations, oppressed communities have also made use of religion to critique and challenge this abuse. As *Liberation Theologies in the United States* demonstrates, this critical use of religion has often taken the form of liberation theologies, which use primarily Christian principles to address questions of social justice, including racism, poverty, and other types of oppression. Stacey M. Floyd-Thomas and Anthony B. Pinn have brought together a stellar group of liberation theology scholars to provide a synthetic introduction to the historical development, context, theory, and goals of a range of U.S.-born liberation theologies. Chapters cover Black Theology, Womanist Theology, Latino/Hispanic Theology, Latina Theology, Asian American Theology, Asian American Feminist Theology, Native American Theology, Native Feminist Theology, Gay and Lesbian Theology, and Feminist Theology. Contributors: Grace Ji-Sun Kim, Mary McClintock Fulkerson, Nancy Pineda-Madrid, Robert Shore-Goss, Andrea Smith, Andrew Sung Park, George (Tink) Tinker, and Benjamin Valentin.

Hope for the Oppressor Orbis Books

Risks of Faith offers for the first time the best of noted theologian James H. Cone's essays, including several new pieces.

Representing the breadth of his life's work, this collection opens with the birth of black theology, explores its relationship to issues of violence, the developing world, and the theological touchstone embodied in African-American spirituals. Also included here is Cone's seminal work on the theology of Martin Luther King, Jr., and the philosophy of Malcolm X, and a compelling examination of their contribution to the roots of black theology. Far-reaching and provocative, *Risks of Faith* is a must-read for anyone interesting in religion and its political and social impact on our time.

Confronting Injustice without Compromising Truth Orbis Books

With the publication of his two early works, *Black Theology & Black Power* (1969) and *A Black Theology of Liberation* (1970), James Cone emerged as one of the most creative and provocative theological voices in North America. These books, which offered a searing indictment of white theology and society, introduced a radical reappraisal of the Christian message for our time. Combining the visions of Malcolm X and Martin Luther King, Jr., Cone radically reappraised Christianity from the perspective of the oppressed black community in North America. Forty years later, his work retains its original power, enhanced now by reflections on the evolution of his own thinking and of black

theology and on the needs of the present moment.

The Cross and the Lynching Tree SPCK

This landmark work first published 20 years ago helped establish the field of African-American womanist theology. It is widely regarded as a classic text in the field. Drawing on the biblical figure of Hagar mother of Ishmael, cast into the desert by Abraham and Sarah, but protected by God Williams finds a prototype for the struggle of African-American women. African slave, homeless exile, surrogate mother, Hagar's story provides an image of survival and defiance appropriate to black women today. Exploring the themes implicit in Hagar's story poverty and slavery, ethnicity and sexual exploitation, exile and encounter with God Williams traces parallels in the history of African-American women from slavery to the present day. A new womanist theology emerges from this shared experience, from the interplay of oppressions on account of race, sex and class. *Sisters in the Wilderness* offers a telling critique of theologies that promote "liberation" but ignore women of color. This is a book that defined a new theological project and charted a path that others continue to explore.

Risks of Faith Wipf and Stock Publishers

How to Break Curses, Spells and Hexes... Defeating Demons and Spiritual Oppression Do you know what the Bible says about curses and spells? Did you know that you can be cursed the same way you can be blessed? Did you know that curses are referenced well over 100 times in the Bible? Today, just as in Biblical times, people with evil mindsets still willingly and unwillingly place curses, spells and hexes on other people. They have the power to impose invisible barriers in your life that can affect your health, business and relationships in deeply negative ways. Spiritual oppression can also come not only from the outside through curses and witchcraft, but also from within ourselves because we harbor hatred, bitterness, malice and unforgiveness in our hearts (Matthew 18:21-35). Such spiritual oppression can also stem from things such as involvement in the occult, false teaching and sexual immorality, or from keeping idols or magic books in the home (Deuteronomy 7:24-26). However, Christians cannot be fully and totally possessed by the Devil as Legion was because they have the Holy Spirit. Nonetheless, Christians can be oppressed, hindered and harassed. They can be like the Temple in Jerusalem which, in the time of Jeremiah and Ezekiel, had idol worship and evil practices occurring while God's glory still dwelt in the Ark of the Covenant inside the Holy of Holies. Therefore, it is often necessary that Christians cleanse the Temple and break all association with such practices. This book discusses how to cleanse the Christian life of all things that offend God, how to be filled with the Holy Spirit and power and move from being under a curse to enjoying the

blessings of Abraham and of Christ! In this book you will learn how to break free of these forces working in your life by renouncing all contact, association with and participation in evil and by following Jesus Christ fully and receiving His powerful blessings through the Holy Spirit of God. It is the Cross of Jesus Christ that will set you free. You cannot do this yourself. It is not magic; You do not counter magic with more magic. Rather you counter magic with faith and trust in Jesus Christ, through whom God created the world. If you or a loved one is in need of dealing with invisible barriers and obstacles that may be limiting receiving God's plan for your life, *How to Break Curses, Spells and Hexes... Defeating Demons and Spiritual Oppression* will help you or your loved ones nullify any curses to receive God's blessings in your life.

Black Theology and Black Power Fortress Academic

Famously known as the text that Martin Luther King Jr. sought inspiration from in the days leading up to the Montgomery bus boycott, Howard Thurman's *Jesus and the Disinherited* helped shape the civil rights movement and changed our nation's history forever. In this classic theological treatise, the acclaimed theologian and religious leader Howard Thurman (1900-1981) demonstrates how the gospel may be read as a manual of resistance for the poor and disenfranchised. Jesus is a partner in the pain of the oppressed and the example of His life offers a solution to ending the descent into moral nihilism. Hatred does not empower--it decays. Only through self-love and love of one another can God's justice prevail.

Qur'an of the Oppressed Orbis Books

Have you ever wanted to understand the deep things of the Word but been put off by the intimidating vocabulary of theologians? Have you assumed that studying the attributes of God is for seminary students only? Or maybe "just for men"? Have heavy doctrinal themes felt beyond you and your everyday world? If so-if you've ever thought theology was too deep, too impractical, or too irrelevant for your life as a woman-this book is for you. As author Wendy Alsup explores fundamental theological issues you've always wondered about-minus the daunting vocabulary and complex sentence structure of academic tomes-she brings them into real life... into your world... and reveals the heart of true theology. It's really about "simple yet incredibly profound stuff that affects our daily lives," she says. Stuff like faith and gaining a right knowledge of God as the foundation for wise daily living. Alsup writes: "Truly, there is nothing like a good grasp of accurate knowledge about God to enable you to meet the practical demands of your life-the practical demands of being a daughter, mother, wife, sister, or friend." Let *Practical Theology for Women* show you the everyday difference that knowing God makes.
