To break into the

screenwriting game, you need a screenplay that is not just good, but great. Superlative. Stellar. In Writing Movies you'll find

everything you need to know to reach this level. And, like the very best teachers, *Writing Movies* is always practical, accessible, and entertaining. The book provides a comprehensive look at screenwriting, covering all the fundamentals (plot, character, scenes, dialogue, etc.) and such crucial-but seldom discussed-topics as description, voice, tone, and theme. These concepts are illustrated through analysis of five brilliant screenplays—Die

Hard, *Thelma & Louise*, *Tootsie*, *Sideways*, and *The Shawshank Redemption*. Also included are writing assignments and step-by-step tasks that take writers from rough idea to polished screenplay. Written by Gotham Writers' Workshop expert instructors, *Writing Movies* offers the same winning style and clarity of presentation that have made a success of Gotham's previous book *Writing Fiction*, which is now in its 7th printing. Named the "best class for

screenwriters" in *New York City* by *MovieMaker Magazine*, Gotham Writers' Workshop is America's leading private creative writing school, offering classes in Manhattan and on the Web at [www.WritingClasses.com](http://www.WritingClasses.com). The school's interactive online classes, selected as "Best of the Web" by *Forbes*, have attracted thousands of aspiring writers from across the United States and more than sixty countries. **The Cay** Simon and Schuster

BESTSELLER "There could only be a few winners, and a lot of losers. And yet we played on, because we had hope that we might be the lucky ones." In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He

promises her the world, but when she discovers she is pregnant--and that her lover is married--she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and profoundly moving, *Pachinko* is a story of love, sacrifice, ambition, and loyalty.

From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters--strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis--survive and thrive against the indifferent arc of history. \*Includes reading group guide\*

• A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the

most brilliant and influential lawyers of our time. “[Bryan Stevenson’s] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country.”—John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time Bryan Stevenson was a young lawyer when

he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn’t commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinkmanship—and

transformed his understanding of mercy and justice forever. Just Mercy is at once an unforgettable account of an idealistic, gifted young lawyer's coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. The Chocolate War  
In this zany twist on the legend of King Midas and his golden touch, a boy acquires a magical gift that turns everything his lips touch into chocolate! Can you ever have too much of your favorite food? John Midas is about to find out.... The Chocolate Touch has remained a favorite for

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk

alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly

moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. *Critical Reading Activities for the Works of Robert Cormier* Feiwel & Friends

For fans of Hatchet and Island of the Blue Dolphins comes Theodore Taylor's classic bestseller and Lewis Carroll Shelf Award winner, *The Cay*. Phillip is excited when the Germans invade the small island of Curaçao. War has always been a game to him, and he's eager to glimpse it firsthand—until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is an old

West Indian, Timothy. Phillip remembers his mother's warning about black people: "They are different, and they live differently." But by the time the castaways arrive on a small island, Phillip's head injury has made him blind and dependent on Timothy. "Mr. Taylor has provided an exciting story...The idea that all humanity would benefit from this special form of color blindness permeates the whole book...The result is a story with a high ethical purpose but no sermon."—New York

Times Book Review "A taut tightly compressed story of endurance and revelation...At once barbed and tender, tense and fragile—as Timothy would say, 'outrageous good.'"—Kirkus Reviews \*
