 Confessions of a Young Man is a memoir by Irish novelist George Moore who spent about 15 years in his teens and 20s in Paris and later London as a struggling artist. The book is notable as being one of the first English writings which named important emerging French Impressionists ; for its literary criticism; and

depictions of bohemian life in Paris during the 1870s and 1880s.

 Frantz Fanon's seminal work on anticolonialism and the fifth year of the Algerian Revolution. Psychiatrist, humanist, revolutionary, Frantz Fanon was one of the great political analysts of our time, the author of such seminal works of modern revolutionary theory as *The Wretched of the Earth* and

*Black Skin, White Masks*. He has had a profound impact on civil rights, anticolonialism, and black consciousness movements around the world. *A Dying Colonialism* is Fanon's incisive and illuminating account of how, during the Algerian Revolution, the people of Algeria changed centuries-old cultural patterns and embraced certain ancient cultural practices long derided by

their colonialist oppressors as "primitive," in order to destroy those oppressors. Fanon uses the fifth year of the Algerian Revolution as a point of departure for an explication of the inevitable dynamics of colonial oppression. This is a strong, lucid, and militant book; to read it is to understand why Fanon says that for the colonized, "having a gun is the only chance you still have of

giving a meaning to your death." **Suspiria de Profundis** Northwestern University Press Carolyn Turner, Viscountess Wingate, is absolutely shocked by the Ladies Literary Society of London's latest selection. *Memoirs of a Mistress* is scandalously explicit and downright wicked . . . and it's stirring feelings within Carolyn that she hasn't felt . . . well, ever!

She's sure that this steamy read is the only reason she's succumbing to the charms of notorious rogue Daniel Sutton, Lord Surbrooke. She couldn't possibly be falling for the rascal and his illicit caresses . . . or could she? The last thing Daniel wanted was to be shackled by marriage vows. He lusted after Carolyn, sure, but he never imagined that once he lured her to his bed he'd never want to let her go. Yet only

when a murderer targets his beloved will he be spurred to confess his true love . . . and claim Carolyn as his bride.

We meet him late in life: a quiet man, a good father and husband, a fixture in his Brooklyn neighborhood, a landlord and barber with a terrifying scar across his face. As the book unfolds, moving seamlessly between Haiti in the 1960s and New York

City today, we enter the lives of those around him, and learn that he has also kept a vital, dangerous secret.

Edwidge Danticat's brilliant exploration of the "dew breaker"--or torturer--s an unforgettable story of love, remorse, and hope; of personal and political rebellions; and of the compromises we make to move beyond the most intimate brushes with history. It firmly

establishes her as one of America's most essential writers.

BONUS: This edition includes an excerpt from Edwidge Danticat's *Claire of the Sea Light*.

"As the psalms are a microcosm of the Old Testament, so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought. In the Book of

Psalms are to be found the history of the people of Israel, the theology and spirituality of the Old Covenant, and a treasury of human experience expressed in prayer and poetry. So too does the work of expounding the psalms recapitulate and focus the experiences of Augustine's personal life, his theological reflections and his pastoral concerns as Bishop of Hippo."--

The *Suspiria* is a collection of prose poems, or what De Quincey called "impassioned prose," erratically written and published starting in 1854. Each *Suspiria* is a short essay written in reflection of the opium dreams De Quincey would experience over the course of his lifetime addiction, and they are considered by

some critics to be some of the finest examples of prose poetry in all of English literature. De Quincey originally planned them as a sequel of sorts to his *Confessions of an English Opium-Eater*, but the first set was published separately in *Blackwood's Magazine* in the spring and summer of that 1854. De Quincey then published a revised version of those first *Suspiria*, along with several

new ones, in his collected works. During his life he kept a master list of titles of the *Suspiria* he planned on writing, and completed several more before his death; those that survived time and fire were published posthumously in 1891. *Scots Confession* Yale University Press Revised edition of the best-selling memoir that has been read by over a million people worldwide

with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining

the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the

lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively

address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

Penguin  
Jen Beagin's funny, moving, fearless debut novel introduces an unforgettable

character, Mona—almost 24, cleaning houses to get by, emotionally adrift. Handing out clean needles to drug addicts, she falls for a recipient who proceeds to break her heart in unimaginable ways. She decamps to Taos, New Mexico, for a fresh start, where she finds a community of seekers and cast-offs. But they all have one or two things to teach her—the pajama-

wearing, blissed-out New Agers, the slightly creepy client with peculiar tastes in controlled substances, the psychic who might really be psychic. Always just under the surface are her memories of growing up in a chaotic, destructive family from which she's trying to disentangle herself. The story of her journey toward a comfortable place in the world and a measure of

self-acceptance is psychologically acute, often surprising, and entirely human.

To modern atheists, these are monumental failures. Atheism, then, is the rational position. Or is it? By combining the most sophisticated philosophies (falsification, scientific method, confirmation holism) with the most advanced sciences (quantum, relativity, evolution theories), "Confessions Of A Dying Mind" takes a fresh look at

this oldest and profoundest anxiety of man. Uniquely, the book is a novelized nonfiction - indeed, "the first philosophical novel on God". The story is set in the near-death experience of the atheistic protagonist, Albert Dyers. Its central plot

proceeds as an adventurous investigation, argument after argument ... till a certain conclusion becomes inescapable. "Confessions" is laced with novel ideas found nowhere else. It is narrated in a highly readable

language for all educated laypersons to comprehend with relative ease. The book is therefore a must-read for theists, atheists, and everyone else interested in exploring the relationship of God and science, in light of leading developments.
