Johnny Cash was the only man elected to both the Country Music and Rock 'n' Roll Halls of Fame. All his life he challenged the accepted way of doing things and by the time of his death in 2003 he had won respect the world over. The book is a fitting tribute in the form of a detailed account of his life, a timeline of key moments in his long career and a selection of songs from every phase of his extraordinary musical journey, from Hey Porter in 1995 to Hurt in 2002. All the songs are arranged for piano voice and guitar, with chord boxes and full lyrics. The Johnny Cash Record Catalog Roba Digital Sheets

There have been many books written about Johnny Cash, but *The Man in Song* is the first to examine Cash's incredible life through the lens of the songs he wrote and recorded. Music journalist and historian John Alexander has drawn on decades of studying Cash's music and life, from his difficult depression-era Arkansas childhood through his death in 2003, to tell a life story through songs familiar and obscure. In discovering why Cash wrote a

given song or chose to record it, Alexander introduces readers anew to a man whose primary consideration of any song was the difference music makes in people's lives, and not whether the song would become a hit. The hits came, of course. Johnny Cash sold more than fifty million albums in forty years, and he holds the distinction of being the only performer inducted into the Rock and Roll Hall of Fame, the Country Music Hall of Fame, the Songwriters Hall of Fame, and the Gospel Music Hall of Fame. *The Man in Song* connects treasured songs to an incredible life. It explores the intertwined experience and creativity of childhood trauma. It rifles through the discography of a life: Cash's work with the Tennessee Two at Sam Phillips's Sun Studios, the unique concept albums Cash recorded for Columbia Records, the spiritual songs, the albums recorded live at prisons, songs about the love of his life, June Carter Cash, songs about murder and death and addiction, songs about ramblers, and even silly songs. Appropriate for both serious country and folk music enthusiasts and those just learning about this musical legend, *The Man in Song* will appeal to a fan base

spanning generations. Here is a biography for those who first heard "I Walk the Line" in 1956, a younger generation who discovered Cash through songs like his cover of Trent Reznor's "Hurt," and everyone in between.

Piano/Vocal/Guitar Lulu Press, Inc
The national–bestselling biography on the country singer and songwriter known as “The Man in Black.” In this, the definitive biography of an American legend, Robert Hilburn conveys the unvarnished truth about a musical superstar. Johnny Cash’s extraordinary career stretched from his days at Sun Records with Elvis Presley and Jerry Lee Lewis to the remarkable creative last hurrah, at age 69, that resulted in the brave, moving “Hurt” video. As music

critic for the Los Angeles Times, Hilburn knew Cash throughout his life: he was the only music journalist at the legendary Folsom Prison concert in 1968, and he interviewed both Cash and his wife June Carter just months before their deaths. Drawing upon a trove of never-before-seen material from the singer’s inner circle, Hilburn creates an utterly compelling, deeply human portrait of a towering figure in country music, a seminal influence in rock, and an icon of American popular culture. Hilburn's reporting shows the astonishing highs and deep lows that marked the journey of a man of great faith and humbling addiction who throughout his life strove to use his music to lift people's spirits. “Hilburn has written a brilliant story of an even more brilliant songwriter, warts and all.” —Keith Richards “The ultimate Johnny Cash biography . . . Rock writer great Robert Hilburn goes deep.” —Rolling Stone “Veteran music writer Hilburn . . . masterfully separates fiction from fact in an exhaustive, but never exhausting, biography of the legendary musician...The personal knowledge aided by extensive archival research and always compelling,

accessible writing makes this an instant-classic music biography with something to offer all generations of listeners.” —Kirkus Reviews (starred review)
