Homer's epic poem belongs in a collection called the Epic Cycle, which includes the Iliad. It was originally written in ancient Greek, utilizing a dactylic hexameter rhyme scheme. Although this rhyme scheme sounds beautiful in its native language, in modern English it can sound awkward and, as Eric McMillan humorously describes it, resembles "pumpkins rolling on a barn floor." William Cullen Bryant avoided this problem by composing his translation in blank verse, a rhyme scheme that sounds natural in English. This epic poem follows Ulysses, one of the Greek leaders that brought an end to the ten-year-long Trojan war. Longing for home, he travels across the Mediterranean Sea to return to his kingdom in Ithaca; unfortunately, our hero manages to anger Neptune, the god of the sea, making his trip home agonizingly slow and extremely dangerous.</p>	

While Ulysses is trying to return home, his family in Ithaca is also in danger. Suitors have traveled to the home of Ulysses to marry his wife, Penelope, believing that her husband did not survive the war. These men are willing to kill anyone who stands in their way. In 1927, Zora Neale Hurston went to Plateau, Alabama, just outside Mobile, to interview eighty-six-year-old Cudjo Lewis. Of the millions of men, women, and children transported from Africa to America as slaves, Cudjo was then the only person alive to tell the story of this integral part of the nation's history. Hurston was there to record Cudjo's firsthand account of the raid that led to his capture and bondage fifty years after the Atlantic slave trade was outlawed in the United States. In 1931, Hurston returned to Plateau, the African-centric community three miles from Mobile founded by Cudjo and other former slaves from his ship. Spending more than three months there, she talked in depth with Cudjo about the details of his life. During those weeks, the young writer and the elderly formerly enslaved man ate peaches and watermelon that grew in the backyard and talked about Cudjo's past—memories from his childhood in Africa, the horrors of

being captured and held in a barracoon for selection by American slavers, the harrowing experience of the Middle Passage packed with more than 100 other souls aboard the *Clotilda*, and the years he spent in slavery until the end of the Civil War. Based on those interviews, featuring Cudjo's unique vernacular, and written from Hurston's perspective with the compassion and singular style that have made her one of the preeminent American authors of the twentieth-century, *Barracoon* masterfully illustrates the tragedy of slavery and of one life forever defined by it. Offering insight into the pernicious legacy that continues to haunt us all, black and white, this poignant and powerful work is an invaluable contribution to our shared history and culture.
