Garrett Sutton's Own Your Own Corporation has become the resource to turn to to learn how you as a private citizen can take advantage of incorporating yourself and your business. As we now know, such a move can not only save you thousands and thousands of dollars in taxes, but can also protect your home, savings and family assets from the potential attack of creditors. But since the book's publication in 2001, changes in tax laws and other important regulations have been made that affect those pursuing or having corporation status. Now, in a newly revised and updated edition, readers will find the same indispensable and timeless advice (on topics ranging from management control and avoiding disputes to flexibility of decision-making) and a highly accessible breakdown of all the latest pertinent legal developments and how they affect you.

*The Lifestyle Business Owner* RDA Press LLC

In difficult times, debt can be a matter of life and death, happiness and despair. Controlling your debt can bring order and calm. Mastering debt can bring wealth and success. As bestselling Rich Dad/Poor Dad author Robert Kiyosaki says, "Good debt makes you rich and bad debt makes you poor." The ABCs of Getting Out of Debt provides the necessary knowledge to navigate through a very challenging credit environment. A Rich Dad's Advisor and best selling author of numerous business books, Garrett Sutton, Esq. clearly writes on the key strategies readers must follow to get out of debt. Unlike other superficial offerings, Sutton explores the psychology and health effects of debt. From there, the reader learns how to beat the lenders at their own game, and how to understand and repair your own credit. Using real life

illustrative stories, Sutton shares how to deal with debt collectors, avoid credit scams, and win with good credit. "The reason Garrett Sutton's book is so important is that like it or not, debt is a powerful force in our world today. The financially intelligent are using debt to enrich themselves while the financially uneducated are using debt to destroy their lives." - Robert Kiyosaki The times call for a book that offers hope and education on mastering credit and getting out of debt.

When the generation known as 'Baby Boomers' begin to retire and cash in on their plans, there's a chance that this drain on reserves could cause a major devaluation in people's savings. This book offers a plan to help you prepare for the worst, offering alternative investments.

**Use Your Own Corporation** RDA Press, LLC

The book begins by addressing many of the challenges stock market investors face today and the various ways many investors use the stock market to achieve their goals. A valuable discussion of where paper assets fit (and do not fit) in the context of Rich Dad principles and its place among the other assets classes such as real estate business and commodities. The bulk of the book educates investors on "Andy's 4 pillars of stock market income" and effectively simplifies the four concepts to help investors begin to harness their power. The book concludes with ideas for an individual action plan suited to the goals of the reader

"I've set up my corporation. Now what do I do?" All too often business owners and real estate investors are asking this

question. They have formed their protective entity - be it a corporation, LLC or LP - and don't know what to do next. "Run Your Own Corporation" provides the solution to this very common dilemma. Breaking down the requirements chronologically (ie the first day, first quarter, first year) the book sets forth all the tax and corporate and legal matters new business owners must comply with. Written by Rich Dad's Advisor Garrett Sutton, Esq., who also authored the companion edition "Start Your Own Corporation", the book clearly identifies what must be done to properly maintain and operate your corporation entity. From the first day, when employer identification numbers must be obtained in order to open up a bank account, to the fifth year when trademark renewals must be filed, and all the requirements in between, "Run Your Own Corporation" is a unique resource that all business owners and investors must have. Rich Dad/Poor Dad author Robert Kiyosaki states, "Run Your Own Corporation is the missing link for most entrepreneurs. They've set up their entity, but don't know the next steps. Garrett Sutton's book provides valuable information needed at the crucial start up phase of operations. It is highly recommended reading." When "Start Your Own Corporation" is combined with "Run Your Own Corporation" readers have a two book set that offers the complete corporate picture.

**Multiple Streams of Income** Houghton Mifflin

Many people have million-dollar ideas. They're confident that their new product or service or innovation will make them rich and that all their dreams will come true. The problem is: Most people don't know how to turn their million-dollar idea into millions of dollars. According to many social scientists, the most important thing in life is a person's social and professional network. In other words, the people around us--our associates, our team, our friends. The people we surround ourselves with--and the people we go to for advice and guidance--can mean the difference between success and failure. And as he taught in Rich Dad Poor Dad, if the people around you have a poor person's mindset, it's likely that you'll be, or stay, poor. Your team, in life and in business, will determine if your million-dollar idea will give you a million-dollar payday. In More Important Than Money, Robert teams up with his most trusted Advisors who contribute not only chapters on the strengths and talents they bring to the team, but offer candid and insightful individual Profiles and excerpts from each of the 14 Rich Dad Advisor Series books. Readers will meet all of Robert's Rich Dad Advisors and learn why they are among his most valuable assets.

Inc. and Grow Rich Business Plus

The time has never been better for investing in real estate, and this book arms the millions of investors who are returning to real estate as an established instrument of wealth creation with surefire strategies for making a killing in the real estate market. Due to the pent-up demand for housing caused by the lull in housing starts during the 90s, as many as 11 million would-be American home-owners are currently vying for a rapidly dwindling pool of available properties. In Buy, Rent, and Sell Bob Irwin, one of America's most well-known and respected real estate author/experts, provides nuts-and-bolts advice and guidance on how to find good investment properties, how to successfully rent them, and how to quickly turn them around for a profit. Written in Irwin's trademark down-to-earth, jargon-free style, Buy, Rent, and Sell is an indispensable guide for novices as well as experienced real estate investors.

We live in a highly litigious world. As you live your life you must keep your guard up. As you grow your wealth you must protect it. For those who don't predators await, and their attorneys will use every trick in the toolbox to get at - whether large or small--your unprotected assets. Start Your Own Corporation educates you on an action plan to protect your life's gains. Corporate attorney and best selling author Garrett Sutton clearly explains the all too common risks of failing to protect yourself and the strategies for limiting your liability going forward. The information is timely, accessible and applicable to every citizen in every situation. Garrett Sutton has spent the last thirty years protecting clients' assets and implementing corporate structures to limit liability. This significant experience shines through in a very readable book on the why to's and how to's for achieving asset protection. Start Your Own Corporation teaches how to select between corporations and LLCs and how to use Nevada and Wyoming entities to your maximum advantage. This non-technical and easy to understand book also educates on the importance of following corporate formalities, using business tax deductions and building business credit. Rich Dad Poor Dad author Robert Kiyosaki says, "Start Your Own Corporation is a must read for anyone with any assets to protect."

Starting a Home-based Business (full Or Part Time) John Wiley & Sons

In Multiple Streams of Income, bestselling author Robert Allen presents ten revolutionary new methods for generating over \$100,000 a year--on a part-time basis, working from your home, using little or none of your own money. For this book, Allen researched hundreds of income-producing opportunities and narrowed them down to ten surefire moneymakers anyone can profit from. This revised edition includes a new chapter on a cutting-edge investing technique.

Loopholes of Real Estate

ReadHowYouWant.com

What if the real key to a richer and more fulfilling career was not to create and scale a new start-up, but rather, to be able to work for yourself, determine your own hours, and become a (highly profitable) and sustainable company of one? Suppose the better--and smarter--solution is simply to remain small? This book explains how to do just that. Company of One is a refreshingly new approach centered on staying small and avoiding growth, for any size business. Not as a freelancer who only gets paid on a per piece basis, and not as an entrepreneurial start-up that wants to scale as soon as possible, but as a small business that is deliberately committed to staying that way. By staying small, one can have freedom to pursue more meaningful pleasures in life, and avoid the headaches that result from dealing with employees, long meetings, or worrying about expansion. Company of One introduces this unique business strategy and explains how to make it work for you, including how to generate cash flow on an ongoing basis. Paul Jarvis left the corporate world when he realized that working in a high-pressure, high profile world was not his idea of success. Instead, he now works for himself out of his home on a small, lush island off of Vancouver, and lives a much more rewarding and productive life. He no longer has to contend with an environment that constantly demands more productivity, more output, and more growth. In Company of One, Jarvis explains how you can find the right pathway to do the same, including planning how to set up your shop, determining your desired revenues, dealing with unexpected crises, keeping your key clients happy, and of course, doing all of this on your own.

Rich Dad's Prophecy Citadel Press

The Lifestyle Business Owner reveals how ordinary people can buy a small business in their community, earn a six-figure income, and make the business run without them. Aaron Muller, founder of

Lifestyle Business Owner Academy, reveals the 3-step formula he utilized to go from a kid who didn't attend college to the owner of eight companies that run without him. Now it's your turn to discover the secrets to owning a business that gives you the financial freedom, lifestyle, and contribution you desire.
