Nestle Aland 26th Edition This phase came to a close in 1963 when the 25th edition of the Novum

Testamentum Graece appeared; later printings of this edition already carried the brand name "Nestle-Aland" on their covers. The 26th edition, which appeared in 1979, featured a fundamentally

new approach. Until then the guiding principle had been to adopt the text supported by a majority of the critical editions referred to. Nestle Aland Novum Testamentum Graece :: History The great

manuscript discoveries of the 20th century had also made a revision of the text necessary and, with Nestle's permission, Aland set out to revise the text of Novum Testamentum Graece. Aland submitted his work on NA to the editorial committee of the United Bible Societies Greek New Testament (of which he was also a member) and it became the basic text of their third edition (UBS3) in 1975, four years before it was published as the 26th edition of Nestle-Aland.
