Join a respected Jungian analyst for a deep dive into the emotional and symbolic journey of motherhood. Motherhood is the true hero’s journey—which is to say that it can be as harrowing as it is joyful, and enlightening as it is exhausting. For Jungian psychoanalyst Lisa Marchiano, this journey is not just an adventure of diaper bags and parent-teacher conferences, but one of intense self-discovery. In Motherhood, Marchiano draws from a deep well of Jungian analysis and symbolic research to present a collection of fairy tales, myths, and fables that evoke the spiritual arc of raising a child from infancy through adulthood. After all, this kind of storytelling has always been one of the most important conduits of humanity’s collective wisdom—and Marchiano provides each tale alongside keen insights into the timeless archetypes they represent. Balanced with real-life case stories from Lisa’s own practice and in-depth questions for personal reflection, Motherhood explores how events like pregnancy, the calamities of childhood, and the empty-nest experience are invitations to an adventure into the wild frontier of your own soul. Here you will discover:
• How the challenges of motherhood send you on journeys into your innermost source

Now, having landed on a rather shabby street corner in ’90s Soho, Betty is determined to find the mysterious Clara. She’s ready for whatever life has to throw her way. Or so she thinks... In 1920s bohemian London, Arlette De La Mare is starting her new life in a time of postwar change. Beautiful and charismatic, she is soon drawn into the hedonistic world of the Bright Young People. But two years after her arrival in London, tragedy strikes and she flees back to her childhood home and remains there for the rest of her life. A TIME and NEW YORK TIMES TOP 10 BOOK of the YEAR \* New York Times Notable Book and Times Critic's Top Book of 2018 NAMED ONE OF THE BEST BOOKS OF 2018 BY \* Elle \* Bustle \* Kirkus Reviews \* Lit Hub\* NPR \* O, The Oprah Magazine \* Shelf Awareness The bestselling and critically acclaimed debut novel by Lisa Halliday, hailed as "extraordinary" by The New York Times, "a brilliant and complex examination of power dynamics in love and war" by The Wall Street Journal, and "a literary phenomenon" by The New Yorker. Told in three distinct and uniquely compelling sections, *Asymmetry* explores the imbalances that spark and sustain many of our most dramatic human relations: inequities in age, power, talent, wealth, fame, geography, and justice. The first section, "Folly," tells the story of Alice, a young American editor, and her relationship with the famous and much older writer Ezra Blazer. A tender and exquisite account of an unexpected romance that takes place in New York during the early years of the Iraq War, "Folly" also suggests an aspiring novelist's coming-of-age. By contrast, "Madness" is narrated by Amar, an Iraqi-American man who, on his way to visit his brother in Kurdistan, is detained by immigration officers and spends the last weekend of 2008 in a holding room in Heathrow. These two seemingly disparate stories gain resonance as their perspectives interact and overlap, with yet new implications for their relationship revealed in an unexpected coda. A stunning debut from a rising literary star, *Asymmetry* is "a transgressive roman a clef, a novel of ideas, and a politically engaged work of metafiction" (The New York Times Book Review), and a "masterpiece" in the original sense of the word" (The Atlantic). Lisa Halliday's novel will captivate any reader with while also posing arresting questions about the very nature of fiction itself.
