The Eyes of Darkness

Whitaker House
When Dr. Reggie Anderson is present at the bedside of a dying patient, something miraculous happens. Sometimes as he sits vigil and holds the patient's hand . . . he can experience what they feel and see as they cross over. Because of these God-given glimpses of the afterlife--his "appointments with heaven"--Reggie knows beyond a doubt that we are closer to the next world than we think. Join him as he shares remarkable stories from his life and practice,

including the tragedy that nearly drove him away from faith forever. He reveals how what he's seen, heard, and experienced has shaped what he believes about living and dying; how we can face the passing of our loved ones with the courage and confidence that we will see them again; and how we can each prepare for our own "appointment with heaven." Soul-stirring and hope-filled, Appointments with Heaven is a powerful journey into the questions at the very core of your being: Is there more to life than this? What is heaven like? And, most important: Do I believe it enough to let it change me? Appointments with Heaven Da Capo Press
Según el Creador, los humanos ya no tienen

remedio. Una tras otra han perdido las oportunidades que han tenido para cambiar y ser mejores. Harto de tantos desaciertos, ha decidido destruirlos para siempre. Pero la Madre Divina guarda aún esperanzas de que los humanos se rediman. Si por lo menos logra que unos cuantos cambien, ésa será la prueba de que toda la especie puede evolucionar y salvarse del desastre. Es así como el Creador y la Madre Divina llegan a un acuerdo: hacer que varios seres de luz se ocupen de un conjunto de humanos que, por una u otra razón, están al borde del abismo. Ian, Inti, Devi, Venecia, Gopal, Luz y Ámbar serán los encargados de rescatar a Noah, Azul, Franco, Maia, Manuel y

Valentín. Tienen sólo ciento cinco días para cumplir con todas las misiones encomendadas. Y si bien, al principio, el trabajo en la Tierra parece sencillo, las cosas comienzan a complicarse cuando los seres de luz descubren que ellos también tienen que sanar viejas heridas y que los padres de sus misiones son más importantes de lo que ellos hubieran podido sospechar. Leandro Calderone, autor de *Casi ángeles* y guionista de la exitosa serie televisiva *Aliados*, ofrece ahora a sus lectores esta novela en la que revela fragmentos de la vida de sus personajes que no aparecieron en la primera temporada de la tira diaria.

Angels of Divine Light

Aliados. Entre el cielo y la tierra

First published in Spain in the summer of 1929, *Concerning the Angels* (Sobre los angeles) is the great Spanish poet Rafael Alberti's masterpiece, on a par with T.S. Eliot's *The Waste Land*, Pablo Neruda's *Residencia en la tierra*, and Federico Garcia Lorca's *Poeta en Nueva York*. It marks a major departure from the light-hearted tone of the poet's earlier verse, which was notably influence by Andalusian folksong. This bilingual text is at once intensely imaginative and intimately realistic, a lyrical illumination of the poet's "dark night of the soul." Rafael Alberti, born in 1902, is the last surviving member of the so-called Generation of 1927 that included such notable Spanish poets Federico Garcia Lorca, Vincente Alexandre, Pedro Salinas, Jorge Guillen, and Luis Cernuda. Christopher Sawyer-Laucanno lives in Massachusetts and teaches in the program in Writing and Humanistic Studies at MIT.

A gorgeous new edition of the New York Times bestseller that has sold

more than a million copies. "A golden conjunction of heaven and earth...reminding us that there are angels in every religion." -The Washington Post "As far as angels are concerned, now you see them, now you don't. A Book of Angels gives us a lovely, sustained glimpse." -Chicago Tribune When Sophy Burnham wrote *A Book of Angels*, she inspired a phenomenon. An instant bestseller when it was originally published in 1990, this beautiful book not only tells the extraordinary true stories of present-day encounters with angels, but also traces the study of angels throughout history and in different cultures. Burnham writes about the powerful male angels, Buddhist bodhisattvas, Islamic angels, Hindu Apsaras, the mysterious angels of the Jewish Kabbalah, cherubim, seraphim, guardian angels, the angel of death, and others. What are angels? What do they look like? Whom do they choose to visit? Why do they appear sometimes and not others, and would you recognize one if it appeared before you? With great feeling, Burnham offers an eloquent report from the

place where earth and heaven meet. A wondrous journey into the world of angels, this book is a song of praise to life.

This text offers a comprehensive and nuanced view of the economic development of Spain since 1850. It provides a new set of historical GDP estimates for Spain from the demand and supply sides, and presents a reconstruction of production and expenditure series for the century prior to the introduction of modern national accounts. The author splices available national accounts sets over the period 1958–2015 through interpolation, as an alternative to conventional repolation. The resulting national accounts series are linked to the historical estimates providing yearly series for GDP and its components since 1850. On the basis of new population estimates, the author derives GDP per head, decomposed into labour productivity and the amount of work per person, and placed into

international perspective. With theoretical reasoning and historiographical implications, *Prados de la Escosura* provides a useful methodological reference work for anyone interested in national accounting. The Man in the Iron Mask

Trafford Publishing Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called *morcilla*, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest

Tear This Heart Out

HarperCollins

"This goes through you like a dose of salts and stings like iodine." So said Virginia Kirkus Reviews of *Such Men Are Dangerous* when it first appeared almost fifty years ago, and since then this edge-of-the-chair novel hasn't lost a step. It's the story of Paul Kavanagh, a burnt-out ex-Green Beret who copes with what we've since learned to call PTSD by retiring to a dime-sized islet in the Florida Keys. There he lives a determinedly simple life, his human contact limited to a weekly visit to a storekeeper on a nearby island. Then George Dattner turns up with a plan. A CIA op, he has inside knowledge of a scheduled shipment of military goods from an army base in South Dakota. It's really nasty

stuff--atomic grenades, lethal gas, tactical weaponry that could be a game-changer for a border war or insurgency. And he's got a buyer lined up. All he needs is a partner, because the way he's got it figured, hijacking the shipment is a job that the right two men can pull off.

Kavanagh signs on. The operation is brilliantly planned and executed, but not without a few surprises along the way. But the greatest surprise of all is a shocking denouement that will hit you as hard as it hit readers half a century ago. This Classic Crime Library ebook edition of *Such Men Are Dangerous* contains as a bonus the opening chapter of the next book in the series, *Not Comin' Home to You*.

A Very Old Man with Enormous Wings Simon and Schuster

"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man

in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White
