Annotation. This study of the social circumstances of Japanese intellectuals in the last quarter of the eighteenth century is based on biographical data concerning 173 individuals. It deals with the image of intellectual life of that period in

current scholarship, and with the self-image and ethos of scholars, authors, poets and artists. That self-image and ethos, however, often clash with the realities of their everyday lives. This prosopographical investigation offers a new look at intellectual life on a basic level. The current image of intellectual life in the Tokugawa period is one of dissatisfaction and withdrawal, whereas the image that results from this study is one of dynamism and interaction. For more

McKaughan, consists of lesson textbooks, grammars, and dictionaries for seven major Filipino languages. Ilokano is an Austronesian language. It ranks third among the major languages of the Philippines, being spoken by just over 12 percent of the population. Widely spoken throughout the Philippines, Ilokano is the dominant language of most of the provinces of Northern Luzon and is used as a lingua franca by non-Ilokano speakers in this area. Settlers have

also carried the language to Mindoro and to several areas in Mindanao. The Ilokano dictionary was developed under the auspices of the Pacific and Asian Linguistics Institute (PALI) of the University of Hawaii, and accompanies the Ilokano reference grammar by the same author as well as Ilokano Lessons by Bernabe, Lapid, and Sibayan. The dictionary contains some 7,000 Ilokano entries. Many of the entries are illustrated by Ilokano sentences to clarify usage.

Available for the first time in a comprehensive English translation, this thoroughly annotated but easy-to-use presentation of the classic 1917 Code of Canon Law by canon and civil lawyer Dr. Edward Peters is destined to become the standard reference work on this milestone of Church law. More than just of historical interest, the 1917 Code is an indispensable tool for understanding the current 1983 Code under which

the Roman Catholic Church governs itself. Dr. Peters' faithful translation of the original Latin text of 1917, along with his detailed references to such key canonical works as Canon Law Digest and hundreds of English language doctoral dissertations on canon law produced at the world's great Catholic universities, now allows researchers to access directly this great fountain of ecclesiastical legal science. No student of canon law, and indeed, no one with a need to

understand modern Church administration, can afford to be without this important volume. *Baptize By Blazing Fire* Tuttle Publishing

Book Description: A COLLECTION OF LETTERS IN ENGLISH AND FILIPINO LEFT UNSENT \ Every day, we meet people with stories of regret to tell. I have written for them letters that they should have given to their persons of interest. They may not be able to give these to them because of circumstances like death, distance, or simply that their part of the story is over, but reading it can

somehow give them closure. These are the words that we wished we said. These are the emotions that we felt but failed to let someone else feel. Maybe because we were caught up with a lot of mishaps and misalignments. Maybe the options that we chose were wrong. Maybe we were busy making ships that never touched the sea or making airplanes that never saw the sky. These moments happen so fast that in the blink of an eye, they are gone. Don't wait for cosmic

alignments. Say it and mean it, before it's too late. If you can relate to the letters, feel free to give these to people in your life...so they can serve their purpose now, despite being once too late for someone else. *Ang Pagbubukas Sa Tipan Ng Mahal Na Ina* A Scriptural Rosary for Justice and Peace The Bikol language of the Philippines, spoken in the southernmost peninsula of Luzon Island and extending into the island provinces of Catanduanes and Masbate, is presented

in this bilingual dictionary. An introduction explains the Bikol alphabet, orthographic representation (including policies adopted in writing Spanish and English loan words), foreign sounds in Bikol, and Bikol phonology. A section on the use of the dictionary outlines affixes, tenses, verbal and nonverbal stress, combined affix forms, the causative series "pa-," "mang-" and "pang-" series, "pang-" as a nominal, "maki-" and "paki-" series, "hing-" series, unintentional

action, ability series, "magin," and plural nouns, verbs, and adjectives. The Bikol-

English and English-Bikol dictionary sections follow.
