Bestselling novelists David Morrell, Alison Gaylin and Elaine Viets headline a new anthology of 22 tales exploring the unique aura of mystery of New Orleans and the surrounding bayou country. BLOOD ON

These stories range from the light-hearted and fun to the darker side of crime, just as New Orleans and the bayou country can show both to the unsuspecting. This carefully crafted ebook: "The Call of the Canyon (Unabridged)" is formatted for your eReader with a functional and detailed table of contents. "What subtle strange message had come to her out of the West? Carley Burch laid the letter in her lap and gazed dreamily through the window. It was a day typical of early April in New York, rather cold and gray, with steely sunlight. Spring breathed in the air, but the women passing along Fifty-seventh Street wore furs and wraps. She heard the distant clatter of an L train and then the hum of a motor car. A hurdy-gurdy jarred into the interval of quiet." -

Zane Grey, "The Call of the Canyon" Zane Grey (1872-1939) was an American author best known for his popular adventure novels and stories that were a basis for the Western genre in literature and the arts. With his veracity and emotional intensity, he connected with millions of readers worldwide, during peacetime and war, and inspired many Western writers who followed him. Grey was a major force in shaping the myths of the Old West; his books and stories were adapted into other media, such as film and TV productions. He was the author of more than 90 books, some published posthumously and/or based on serials originally published in magazines.

There is sometimes a fine line between history and folklore. This Publication of the Texas Folklore Society features articles that tell stories about real-life characters from the historical past of Texas, as well as offer personal reflections about life from diverse perspectives throughout the last century. These contributors go beyond merely stating facts about dates or locations or names of the events and people that can be found in court

documents or genealogical records; several of these authors provide a very intimate connection to the tales they share. These articles are not just about people that we read about as school children, and they do not merely describe how our culture used to be, or how vastly it has changed; rather, they emphasize the ways we keep our culture alive through the retelling of the events and customs and major figures that are important enough to pass on from one generation to the next. The first section covers legendary characters like Davy Crockett, Mody Boatright, Sam Houston, and Cynthia Ann Parker from our state's past, as well as people who were bigger or bolder than others, yet seem to have been forgotten. Some of those characters came from different countries, while others are connected directly to our Texas Folklore Society family tree. The second section includes works that examine songs of our youth, as well as the customs and social constructs associated with music, whether it's on a football field or in a prison yard. The works in the final section recall memories of a simpler time, when cars and home appliances lacked modern

conveniences we now take for granted, before Facebook and YouTube allowed us to become Internet movie stars, and when it was a treat just to go and “visit” with family and friends.

The gut-wrenching story of how one of Australia’s finest surfers overcame a brain injury and despair to win an Olympic medal. On the morning of 10 December 2015, Owen Wright entered the water at Pipeline, Hawaii, determined to become a world champion. But after being pounded by a set of monstrous waves, he ended up fighting for life and facing extensive brain trauma. In this inspirational memoir, Wright chronicles the events leading up to that fateful day, as well as the months and years that followed as he battled to regain basic functioning, and eventually the capacity to compete again at the apex of surfing. Against the Water carries the reader back to Wright’s boyhood in the tiny town of Culburra, where his father, determined to raise champions, turned family life into a kind of boot camp. While eccentric, his father’s methods bore fruit: the Wrights of Culburra would become Australian surfing royalty. Owen’s story lays bare the complex relationship with his father – the adoration, the fight for independence, the fallings out, and the reconciliations. Told in a spare, intimate style, *Against the Water* is the moving account of an athlete who refused to

accept that his best days were behind him and raises fundamental questions around family and competition. What, ultimately, is our duty to our children? At what point does bravery become folly? And how much should we sacrifice for the sake of another? ‘Owen was a childhood phenom who grew into the ultimate family man. In between this transition, he took on the world, charged crazy waves, suffered a huge brain injury, and finished off with the all-time sporting comeback!’ Mick Fanning, three-time world champion surfer ‘Whatever it is that Owen is getting himself into, he seems to do it with little to no fear and a massive smile on his face. He’s an inspirational guy, to put it lightly. Owen is one special human!’ Liam Hemsworth, actor ‘Owen Wright has to be the most inspiring person I’ve ever met. His story is one of a childhood prodigy, to facing a near-death experience, to Australian hero . . . This book will inspire and motivate anyone who has had to face adversity whilst following their dreams.’ Kita Alexander, singer-songwriter ‘[A] true fighter’s spirit!’ Luke Rockhold, UFC middleweight champion, two-time jiu-jitsu world champion, three-time strikeforce

In the view of St. Benedict of Nursia, the Lenten journey is an inner pilgrimage with Christ into the deepest parts of ourselves, to be marked not so much by external observances, such as fasting and self-denial, as by a deepening of our relationship with God. Benedictine monk Albert Holtz develops that journey theme through meditations written during a fifteen-country pilgrimage while on sabbatical. At the heart of each reflection is the lesson it teaches about our inner spiritual journey. By applying Benedict's monastic wisdom to the everyday concerns and aspirations of modern Christians, *Pilgrim Road* helps contemporary spiritual seekers travel along and experience the journey of Lent in the most positive, meaningful, and fruitful manner.

In *Adiós Niño: The Gangs of Guatemala City and the Politics of Death*, Deborah T. Levenson examines transformations in the Guatemalan gangs called Maras from their emergence in the 1980s to the early 2000s. A historical study, *Adiós Niño* describes how fragile spaces of friendship and exploration turned into rigid and violent ones in which youth, and especially young men, came to employ death as a natural way of living for the short period that they expected to survive. Levenson relates the stark changes in the Maras to global, national, and urban deterioration; transregional gangs that intersect with the drug trade; and the Guatemalan military's obliteration of radical popular movements and of social imaginaries of solidarity. Part of Guatemala City's reconfigured social, political, and cultural milieu, with their members often trapped in Guatemala's growing prison system, the gangs are used to justify remilitarization in

Guatemala's contemporary postwar, post-peace era. Portraying the Maras as microcosms of broader tragedies, and pointing out the difficulties faced by those youth who seek to escape the gangs, Levenson poses important questions about the relationship between trauma, memory, and historical agency.

"A rendering of a deep and lasting friendship . . . Dozens of anecdotes about Sweets and Ivins and their rollicking adventures in cooking and eating."
—Denver Post You probably knew Molly Ivins as an unabashed civil libertarian who used her sharp wit and good ole Texas horse sense to excoriate political figures she deemed unworthy of our trust and respect. But did you also know that Molly was one helluva cook? And we're not just talking chili and chicken-fried steak, either. Molly Ivins honed her culinary skills on visits to France, often returning with perfected techniques for saumon en papillote or delectable clafouti aux cerises. Friends who had the privilege of sharing Molly's table got not only a heaping helping of her insights into the political

shenanigans of the day, but also a mouth-watering meal, prepared from scratch with the finest ingredients. In *Stirring It Up* with Molly Ivins, her longtime friend, fellow reporter, and frequent sous-chef Ellen Sweets takes us into the kitchen with Molly and introduces us to the private woman behind the public figure. She serves up her own and others' favorite stories about Ivins as she recalls the fabulous meals they shared, complete with recipes for thirty-five of Molly's signature dishes. Friends who ate with Molly knew a cultured woman who was a fluent French speaker, voracious reader, rugged outdoors aficionado, music lover, loyal and loving friend, and surrogate mom to many of her friends' children, as well as to her super-spoiled poodle. They also came to revere the courageous woman who refused to let cancer stop her from doing what she wanted, when she wanted. This is the Molly you'll be delighted to meet in *Stirring It Up* with Molly Ivins. "Ms. Sweets's anecdotes about the cast of characters who roundtabled Ms. Ivins's home are as satisfying as the Texas pistol's concoctions." —The Wall Street Journal

Next thing she knows, she's dealing with wardrobe fittings, cameras, reporters, vocal coaches, and websites designed by lovestruck fanboys. She's also dealing with jealousy, malice, and sabotage among the contestants, all of which has her wondering: Is it really time to shoot for the stars and try to win the whole competition, or is it time to say "Cut!" and become a normal teenager again?

Rich in local color and sentiment, this story follows Dada, who returns to her home town on the Adriatic coast in order to unravel the mystery of her brother Daniel's death. Daniel, although young, smart, and popular, threw himself under a train in mysterious circumstances a few years earlier. In her search for clues, Dada meets an array of eccentric characters and succumbs to the charms of the young gigolo Angelo, who is a part of a film crew shooting a Western on the nearby "prairie." Slowly and painfully she discovers all there is to know about her brother's death, and how Angelo was caught up in it. In her debut novel, Savicevic transposes the genre of a traditional Western drama onto the contemporary world, challenging the heroes of childhood and questioning what constitutes heroism today. Her shabby seaside hometown provides the perfect backdrop for this tale of loss and redemption, redolent of transient glamour and unrealized small-town dreams. *The Publishers Weekly* Akashic Books Jenna Samuels and her guardian angel brother battle heavenly head-honchos and earthbound bullies in this hilarious, Texas-

Whatever you’ve got going on in your life is what you’ve been praying for—often unconsciously. If you want something different, you must pray a different prayer. This book will show you how to do just that. Everything you do is prayer. Many don’t realize it, but the decisions you make throughout the day, the attitudes you adopt, the conversations you have, the way you respond to other people, and the thoughts you think—even the food you choose to eat and the way you spend your money—are all prayers. We are constantly communing with the Divine, even in our most mundane activities. And our prayers are always answered in the affirmative: “Yes.” Whatever you’re thinking about (and therefore praying about) will manifest in your life. If you’re worrying, “I don’t have enough money,” the Universe will say ‘Yes, you don’t have enough money.’ If you’re constantly lamenting, “I don’t
