 Ethics in a World of Strangers.
 Drawing on a broad range of disciplines, including history, literature, and philosophy—as well as the author's own experience of life on three continents—Cosmopolitanism is a moral manifesto for a planet we share with

more than six billion strangers.
 Cosmopolitanism: Ethics in a World of Strangers by Kwame Appiah sees cosmopolitanism as a dynamic concept based on two fundamental ideas. First is the idea that we have responsibilities to others that are beyond those based on kinship or citizenship. Second is something often forgotten: just because other people have different

customs and beliefs from ours, they will likely still have meaning and value.
