Many people have been
trying to explain the
power of the subconscious
mind through books and
seminars for more than a
century. Different writers
approached this subject at
different angles and most
of them did not achieve
their expected results as

most readers did not really understand the concept or were not really convinced with what they have read. This book comes with a unique intention of helping you to achieve anything you really want and equally important, getting rid of anything you do not want. This is done by optimizing your subconscious mind power through The Mindynamics System. During those years of application and practice, I have managed to find out more about the subconscious mind: what works and what doesn't; and why. I have also created The Mindynamics System that explains clearly why and how the subconscious mind works. The theories and techniques I have covered in this book do aligned with what "The Secret" and "The Law of Attraction" teach. There may be some differences in techniques and perspectives; but the principles are the same. I have found the codeword for motivation and I am now sharing with you. With the new challenges in the 21st century, I believe the codeword for motivation — The Subconscious Mind will be the deciding factor for success as the

subconscious mind does magic and create miracles. With this book, I will show you the techniques to unleash the power of your subconscious mind through The Mindynamics System. You will be able to BE YOUR BEST and achieve your goals. Be pleasantly rewarded, as the results you attain are fast, efficient and permanent.

"Give no one in all the world the power to deflect you from your goal, your aim in life, which is to express your hidden talents to the world, to serve humanity, and to reveal more and more of God's wisdom, truth, and beauty to all people in the world. Remain true to your ideal. Know definitely and absolutely that whatever contributes to your peace, happiness, and fulfillment must, of necessity, bless all men

who walk the earth. The harmony of the part is the harmony of the whole, for the whole is in the part, and the part is in the whole. All you owe the other, as Paul says, is love, and love is the fulfilling of the law of health, happiness, and peace of mind." - Joseph Murphy "Busy your mind with the concepts of harmony, health, peace, and good will, and wonders will happen in your life." — Dr. Joseph Murphy,
