Exposing Prophetic Witchcraft CreateSpace

In Jennifer LeClaire's bestselling book, *Discerning Prophetic Witchcraft*, you learned how to identify false prophecies and spiritual manipulation. Now, it's time to go on the offense. It's time to expose these prophetic wolves in sheep's clothing before they sabotage your destiny. False prophets are arising at an alarming rate in these last days, as Jesus told us they would. Too often, believers are deceived and their lives ruined by prophetic witchcraft—messages and messengers that sound spiritually appealing but are actually destructive weapons of the devil. Only when prophetic witchcraft is exposed, can we resist it and help others avoid satan's snares. In *Exposing Prophetic Witchcraft*, author and seasoned spiritual warfare leader Jennifer LeClaire offers sound instruction on how to further shine light on the mixture and deception that are prevalent in the Church today. Through her personal life experiences and helping others navigate these difficult lessons of discerning and exposing false prophets and manipulators, Jennifer teaches you to expose: 13 Symptoms of prophetic witchcraft alignments. Counterfeit Christs and Elijahs claiming to be prophetic voices. False Dreams, Visions, and Angelic Encounters that sound spiritual, but are actually evil. Scripture-Twisting and Manipulation where false prophets use the Bible to advance their own carnal agendas or heretical theology. 17 Signs That You May be Under a Witchcraft Attack. 6 Ways to Recognize a Demonic "Night-Attack" through nightmares, sleep paralysis, and other sleep-related spiritual maladies. How and when to confront prophetic manipulators. Jennifer's insightful teaching will instruct and challenge you to connect with the Lord on a deeper level, and help you recognize and expose the works of darkness!

PROPHETS ELIJAH AND ELISHA Worthy Books

In sharp distinction to the colorfully clad false prophets of Elijah's day, like John the Baptist after him, Elijah stood out singularly and strangely—a different kind of messenger with a different kind of message, wearing a different kind of mantle. Elijah's mantle was not the colorfully embroidered garments of the wealthy, much less the elegant robe of royalty, nor even the typical garment of the average man; neither was Elijah's mantle the soft clothing of false prophets, those reeds forever shaking in the capricious winds of popular doctrine. No, Elijah's mantle was the rough and rare garment of the Divinely-called prophet. Let the true sons of Elijah take heart with Elisha, for God has sovereignly chosen to leave the mantle of Elijah upon the earth, even upon the shoulders of men with like passions as Elijah, men of frailties and fear, failures and foibles, but also men of power through the amplitude of Elijah's mantle. If we would rightly claim the mantle of Elijah, we must wear it as he wore it, our ministries attesting to the same Divine power that the mantle invested upon Elijah our forerunner. So let us ask ourselves: If Elijah's mantle signifies his singular, unique, and divine authority as a God-called preacher, what is the fabric of such a mantle and of such a preacher, and, most importantly, has the mantle of Elijah fallen upon us, and are its threads woven into our ministries? If we would bear Elijah's name and wear Elijah's mantle, we must serve Elijah's God; like the rugged prophet, we must be "very jealous for Jehovah, the God of Israel"; otherwise, no matter how we may array ourselves, we cannot claim Elijah's mantle if we do not proclaim this one truth, the very essence of Elijah's name and the very fabric of his mantle—Jehovah is God. Let us not claim Elijah's mantle if we deny Elijah's God.

Elijah's Ministry AuthorHouse

Who was William Branham (1909-1965) and what were his claims? He was an American pastor and evangelist credited for spearheading the post World War II healing revivals of the 1940s and 50s. In the 1960s, he began to view himself as Elijah the prophet of Malachi 4:5-6, who restores the elect to the word of God as a forerunner of Christ's return; the seventh angel messenger of Revelation 3:14 and 10:7, who reveals every hidden mystery of the Bible in the end time; and the fulfillment of the Son of man ministry of Luke 17:30, who reveals Christ to the last generation as a prophet. He also believed his message was the "shout" of Christ's second coming in 1 Thessalonians 4:16. Currently, an estimated two million people believe Branham's claims. Nonetheless, this full-sized book of 17 chapters and 320 pages challenges his claims and teachings from an insider's perspective through an eight months investigative research. In doing so, the author provides a convincing compilation of more than 3,000 excerpts, credible references,

official documents, archived newspaper articles, historical facts, and insightful scriptures. This compilation uncovers wide-ranging plagiarisms, disproven and embellished supernatural vindications, failed visions, failed prophecies, failed "Thus saith the Lord," failed predictions, and vast unscriptural doctrinal errors. Among Branham's most celebrated claims, the revealing of the seven seals in the book of Revelation are considered the pinnacle of his teachings. He supposedly did what the Old Testament prophets, New Testament apostles, church reformers, or any other clergy throughout history had never achieved. He claimed that seven angels revealed these hidden mysteries. However, this timely book examines, diligently compares, and provides nearly 100 pages of evidences that suggest Branham almost certainly got his understanding of the seven seals and 20 other significant revelatory teachings—supposedly revealed by God—from several well-known biblical writers of the past. These teachings include the seven church ages and messengers, seventh angel of Revelation 3:14 and 10:7, two comings of Elijah, the beast of Revelation 13, Mystery Babylon and daughters; the image, mark, and number of the beast; United States in prophecy, Daniel's seventy weeks, historical applications of four beasts, Godhead doctrines, serpent seed, water baptism, and several more. The authors of these commentaries and books are mostly Clarence Larkin (1850-1924), a very distinguished and knowledgeable Bible teacher; Uriah Smith (1832-1903), an educator and theologian of the Seventh Day Adventist; Charles Taze Russell (1852-1916), a restorationist and founder of a movement that later became the Jehovah's Witnesses organization; John Gill (1697-1771), a noted biblical scholar and theologian; and Albert Barnes (1798-1870), a noted theologian. We shall also consider other noted biblical scholars of the same eras (e.g. Cyrus Scofield and Henry Halley). Moreover, this research provides extensive scriptural evidences uncovering vast errors in Branham's teachings, including a false gospel of salvation. How? During the latter years, Branham believed his message was necessary or the evidence for salvation, the Holy Spirit baptism, the new birth, and rapture to heaven; rather than the gospel of Christ preached by the apostles. This book also examines the inaccuracies and repeated revisions in Branham's visions of 1933, whereby God allegedly revealed seven major events that would transpire before Christ's return in 1977. This research pinpoints developing historical trends and occurrences between the 1920s and 1960s that possibly influenced those seven prophecies and revisions. The final updated version of these visions appears in his 1965 book on the seven church ages, where the obvious errors from earlier sermons had been cleverly removed. Thus, when facts are weighed, Branham's teachings and claims are conclusively proven wrong.

Nostradamus, Branham and the Little Book: Wipf and Stock Publishers

When Reverend William Branham prophesied of God's blessing of Reverend Jim Jones ministry during a joint Latter Rain healing campaign in Indianapolis, Indiana, he had no idea what he had started. As Jones took his place in line as a "Malachi 4 Elijah Prophet," a deadly chain reaction ended in the deaths of over 900 people during what would become known as the Jonestown Massacre. Did this chain reaction start with William Branham's call for an Exodus during his time in the ministry with Jim Jones? Historical data that has now been made available to the public might hold the answers.

Troubadour of the Kingdom iUniverse

Joel Rufus Moseley (1870-1954) is one of the forgotten twentieth-century champions of American Pentecostalism. A brilliant scholar and university professor, he left the accolades of academia and searched a number of spiritual paths until he embraced Pentecostalism in 1910. Thereafter he began a lay ministry to the down-and-outs of society, openly campaigning against capital punishment, for racial desegregation, and above all else for living a life in the Holy Spirit he described as "Life as Love." He blazed a path that was to influence (and confound) many Pentecostal leaders of his time, provided an example to those who would lead what become known as the Charismatic Renewal, and enjoyed a life of joy one rarely encounters. A contemporary version of St. Francis of Assisi, Rufus Moseley shunned position, power, politics, religious titles, and seeking after wealth in favor of following simplicity and depth of spiritual life. Like his thirteenth-century counterpart, he lived a life of gratitude, of "littleness," and above all, love. Moseley offers encouragement as well as reproof to the contemporary charismatic movement to again seek the simplicity that is in Christ.

Is the Bible at Fault? Shaw Books

For 457 years the Prophet Nostradamus has been a MYSTERY.

Hidden in dark speech he was misunderstood and rejected by the Protestant Christian Church, forbidden to be read by the Catholic Church, and totally discredited by psychics and worldly interpreters as being in the Occult. However, it was the occult interpreters that were instrumental in keeping his work alive and mysterious. Written from a Christian perspective, many questions about this mysterious man Nostradamus, and why his work has endured so long are answered in this book. Reverend Sunday has discovered the secrets and the intentions of his life's work, and you will be amazed to find out WHO Nostradamus really was. If you are curious about Planet X-Wormwood, then you will find out how that ties into these hidden revelations. There always comes a time when hidden things are revealed to a Prophet. (Daniel 2:22; Amos 3:7.) The second Prophet, William Branham, was way ahead of his time in his understanding of supernatural phenomenon; and his revelations on the Book of Genesis regarding the apple and its sexual connotations lost him favor with the approved church then, and now. Prophets are rarely understood in their own age. These TWO PROPHETS were brought together to this unknown Sophe/Scribe chosen to disclose the hidden, amazing information, and revelation for our day...To GOD be the GLORY. Prepare the way for the Lord.

God's Generals Lulu.com

This book is the first full expository series that I had done, first delivered at a smaller scale to the good people of Bertrams Chapel in 1995/1996. I am thankful for the call of God on my life to preach His Word. As a pastor, one of my concerns is that people grow closer to God through the study of the Scriptures. I am passionate about preaching and teaching systematically through books of the bible and thereby teaching the whole counsel of God. Elijah the Tishbite Mercer University Press

An in-depth look into the creation of the Post WWII Healing Revival focusing on the historical perspective of William Marrion Branham, who has been credited by some as the evangelist who both initiated and led the movement. Examine the origins of the evangelist, the men who created him, and the men who influenced his doctrine from his early years as a Southern Indiana minister in the river city of Jeffersonville, Indiana, to his career as an internationally recognized faith healer. From his involvement with the Kardashian family in California to his politically-charged sermons supporting the revival of the Ku Klux Klan, William Branham lived a fascinating and unbelievable history connected to the collaboration, influence, and power of recognized public figures and events in American history. Some of those public figures made the F.B.I.'s Top Ten Most Wanted List as they entered the Healing Revival while others became respected ministers of the Gospel. Learn how a handful of men with one common goal orchestrated the events leading to some of the darkest moments in American history. These men pursued their goal through a strategy conceived decades before, while they were secretly planning in the shadows of the night. What was their objective? The "Americanization" of the United States. The research is filled with over a thousand footnotes, resources, and quotes from the transcripts of William Branham, Jim Jones, Roy Davis, Congressman William D. Upshaw, and many others. Over a decade of research packed into one book, *Preacher Behind the White Hoods: A Critical Examination of William Branham and His Message* walks you through the events of William Branham's life story. Rather than retelling the many versions of the "life story" used to create his stage persona - this book examines the events in the life of the historical William Branham.

Elijah the Tishbite Wipf and Stock Publishers

In *Elijah and the Secret of His Power*, F.B. Meyer explores the life of the prophet Elijah, uncovering the source of his remarkable strength and unwavering faith. Through insightful analysis and powerful storytelling, Meyer reveals how Elijah's reliance on God's guidance and provision enabled him to perform incredible miracles and stand firm in the face of adversity. This compelling book offers readers valuable lessons on cultivating a deeper relationship with God and finding the courage to live out their faith in a world that often challenges it.

Elijah, a course of lectures WestBow Press

William Branham (1909-1965) was an American pastor and evangelist credited for spearheading the post World War II healing revivals of the 1940s and 50s. In the 1960s, he began to view himself as Elijah the prophet of Malachi 4:5-6, who restores the elect to the original word of God; the seventh angel messenger of Revelation 3:14 and 10:7, who reveals every hidden mysteries of the Bible; and the fulfillment of the Son of man ministry of Luke

17:30, who reveals Christ to the last generation as a prophet. He also believed his message was the "shout" of Christ's second coming in 1 Thessalonians 4:16. In today's world, an estimated two (2) million people believe Branham's claims. They trustingly accept everything he says in over 1100 recorded sermons and books as truth and facts without having ever conducted a critical independent research. As a result, they are mostly clueless, misinformed, or willingly ignorant regarding the serious errors and discrepancies that surround this man upon whom they have entrusted their eternal destiny. In this 8.5" x 11" book of 17 chapters and 336 pages, the author challenges the status quo from an insider's perspective through an eight (8) months investigative research regarding the claims and teachings of William Branham. In doing so, he provides a convincing compilation of more than 3,000 excerpts, credible references, official documents, archived newspaper articles, historical facts, and scriptures that uncover deliberate plagiarisms, disproven supernatural vindications, failed visions, failed prophecies, failed "Thus saith the Lord," failed predictions, and unscriptural doctrinal errors. Among Minister Branham's most celebrated work, the alleged revelation of the seven sealed book in Revelation 5:1 are considered to be the pinnacle of his teachings that sets him apart from every past, present, and future ministries. Nonetheless, this timely book examines, diligently compares, and provide ninety-nine pages of evidences that suggest Branham almost certainly got his understanding of the seven seals, seven church ages, and nineteen other significant revelatory teachings--supposedly revealed by God--from several well-known biblical writers of the past.

[Elijah the Tishbite](#) Moody Publishers

This study seeks to demonstrate that exorcism/deliverance ministry is an innately enthusiastic practice utilizing John Knox's classic study of Christian enthusiasm. The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades, through its heyday in the 1970s and 80s, on to creeping routinisation by the end of the century. Two enthusiastic settings, Charismatic and Evangelical Fundamentalist, are identified and examined as the environment in which two related streams of exorcism/deliverance ministry was practiced. Finally, enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism/deliverance ministry. Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite. As a result important secondary insights are gained into the tidal nature of enthusiastic movements, the role of itinerant preachers in the propagation of enthusiasm, the

routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries. The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes, the relationship between exorcism/deliverance ministry and millenarianism and the practice of this rite within non-Western churches.

Little is known about Elijah, one of the greatest prophets who ever lived, and one of only two men who never died. Instead, he was translated and carried up to heaven in a fiery chariot. Yet before his miraculous departure, Elijah left something behind that every believer can learn: a lifestyle of unshakable faith. From the time Elijah burst onto the scene, we see his faith stop and start rain, his words warn unbelieving kings, and his prayers call down fire on false prophets — all with the Lord guiding his every move and his every word. So tangible was the Lord's anointing on Elijah's life and ministry that Elisha asked for a double portion of his spirit, which he received when he saw Elijah translated. Yet the story of Elijah does not end in the Old Testament; the Lord will send him back to earth during the great tribulation to once again preach the gospel as the great prophet he was and is.

[Preacher Behind the White Hoods](#) Createspace Independent Publishing Platform

Elijah will win and warm your heart as you travel with him through these pages. The author has presented a delightful down-to-earth portrayal of the peerless prophet. It has been the aim of the writer to probe mental attitudes, desires, emotional reactions and general character of both the prophet and others involved. There is provided for our learning both principle and illustration in a host of life situations. Thus from the experiences of this man of God, rich spiritual truths have been drawn and made applicable to life where we live it. Dr. Wood has written in a style that will be pleasing to both preachers and laymen. The reader will find this book stimulating, informative and challenging.

[Untangling the Truth](#) Infobase Publishing

This study of William Marrion Branham's ministry reveals much about the healing methodology of deliverance evangelists. Branham's theology of healing highlights the widely accepted role of evangelists as mediators between God and the afflicted. The dynamic growth of Pentecostalism in the twentieth century is a major feature of the modern religious scene. Branham is acknowledged as a leader of the healing revival movement. Although little known outside of the Pentecostal movement, his work had tremendous influence on today's televangelists and the whole of Pentecostalism itself.

[Elijah Vindicated](#) AuthorHouse

William Branham taught a ministry with a focal point of Elijah, the Old Testament prophet that God sent to Ahab and Jezebel to

condemn them for bringing idolatry to the children of Israel. He claimed to be a reincarnation of that same spirit of Elijah using a reference to Malachi 4, applying the scripture to himself. This book examines the Elijah of the Old Testament and compares it to the William Branham of the 40's, 50's, and 60's. It will walk you through Branham's teachings on Jezebel and her sin, comparing it to what the scriptures and recorded history say.

[Supernatural - The Life of William Branham Volume II](#) Jimmy Swaggart Ministries

This is a series of expositions of most of the passages in the first and second books of Kings which give the history of the two prophets, Elijah and Elisha. Some of these stories are among the most vivid and memorable in the Old Testament, and have never failed to prove themselves relevant and challenging in the preaching of the church. Others of them present what to many are the most difficult moral and intellectual problems both for the preacher and the listener.

[Elijah and Elisha](#) Whitaker House

Suddenly we heard the sound of an engine, or engines, in the sky. We looked up and saw a small aircraft. I still recollect the look on his face when he heard, and then saw the plane. I immediately pointed to the plane, and addressing him by name said: Tullie!

That is my death. Save yourself ! He hesitated, and I reached to push him out of the van. He moved before my hand reached him. At this time, I looked up to the plane and said, God, if you ready for me, I ready for you. Im not scared. For thousands of years the world has looked for me. Many men have claimed to be me. Even more people have said that others were, or are me, so I am inviting you to read and see for yourselves. Then you might know: This is of a truth that prophet that should come into the world. St John 6: 14

Reading about the great characters that of the past has many benefits. We profit by them, learn to bypass their failures, gain courage from their strength in times of crucial stress and strain, and more. For Christians, one of the unmistakably great Old Testament characters is Elijah the Tishbite, of the tribe of Naphtali. He has been written about for centuries by many authors. Ravens fed him, God-given power was his to raise a sorrowing widow's boy from death, the idolatrous priests of Baal on Mount Carmel heard the impact of his tremendous challenge, and angels became his ministers. He was only a man—but he was a man of God, and that made all the difference. Enjoy this creative biography of one of the Old Testament's most interesting prophets.
