ROY HURLEY

Colder Volume 1 Media Topics

Part personal history, part biography, this book contrasts two coming-of-age narratives: that of Lucia, the daughter of James Joyce, and that of author Mary Talbot, daughter of the eminent Joycean scholar James S. Atherton.

Rain Random House

Cartoon characters explain cosmology, quantum physics, and other concepts covered by Stephen Hawking's A Brief History of Time. Humorous graphic novel-style treatment, perfect for young readers and curious folk of all ages.

IDP: 2043 Routledge

More than a decade has passed since the events of Porcelain: A Gothic Fairy Tale, and Child has become Lady. Inheritor of all of Uncle's secrets and wealth, she has continued his work, becoming equally as isolated in her quest to refine the Porcelain and put right past mistakes. With the Porcelain more sought after than ever, Lady comes to the attention of a ruthlessly ambitious General who desires inhuman soldiers for the war effort and won't take no for an answer. Other, more human, problems rear their head when a handsome young Captain discovers a secret part of Lady's life. Faced with impossible choices, Lady must forge her own path through the complexities of love and war.

Sensible Footwear Drawn & Quarterly

#1 UK Bestseller "A thoughtful, funny, companionable novel...executed with verve."—London Times The author of the acclaimed Crooked Heart returns with a comic, charming, and surprisingly timely portrait of a once pioneering suffragette trying to find her new passion in post-WWI era London.

1928. Riffing through a cupboard, Matilda Simpkin comes across a small wooden club—an old possession that she hasn't seen for more than a decade. Immediately, memories come flooding back to Mattie—memories of a thrilling past, which only further serve to remind her of her chafingly uneventful present. During the Women's Suffrage Campaign, she was a militant who was jailed five times and never missed an opportunity to return to the fray. Now in middle age, the closest she gets to the excitement of her old life is the occasional lecture on the legacy of the militant movement. After running into an old suffragette comrade who has committed herself to the wave of Fascism, Mattie realizes there is a new cause she needs to fight for and turns her focus to a new generation of women. Thus the Amazons are formed, a group created to give girls a place to not only exercise their bodies but their minds, and ignite in young women a much-needed interest in the world around them. But when a new girl joins the group, sending Mattie's past crashing into her present, every principle Mattie has ever stood for is threatened. Old Baggage is a funny and bittersweet portrait of a woman who has never given up the fight and the young women who are just discovering it.

Mitchum Dark Horse Comics

Set within a world that's a magical echo of our own, Porcelain is the story of Child, an urchin, who leaves behind the cold streets of a snowy city when she climbs the high wall into the Porcelain Maker's garden. The Porcelain Maker discovers Child trespassing but, amused by her audacity, he offers her the chance to stay. He's a lonely man, kept company only by his alchemically-powered automata, and he and Child form an unlikely friendship. Shut off from the world beyond the wall, Child wants or needs for nothing as the Porcelain Maker heaps affection and luxury upon her, indulging her like a daughter. In return, she can do as she pleases, except for one command, one rule that must never be broken, she must not look behind the workshop door.

Old Baggage Dark Horse Comics

A stunning new graphic novel and rallying cry to protect the planet, from the Costa-award-winning authors of Dotter of Her Father's Eyes Set against the backdrop of disastrous flooding in the North of England, Rain dramatically chronicles the developing relationship between two young women, one of whom is a committed environmental campaigner. Their wild Brontë moorland is being criminally mismanaged. Birds and animals are being slaughtered. Across the country, crops are being systematically poisoned, even the soil itself. Rain centres on one relatively small example of moorland ownership by an elite group that impacts catastrophically on the unlanded majority living in the valley below. But the campaigners know that 'a million other valleys need saving'. They need saving not just for the sake of their human inhabitants, but for the insects and plants, birds and mammals and all the other inhabitants large and small that we share this planet with – our non-human fellow earthlings. Rain is the first contemporary graphic novel from Bryan and Mary Talbot, dealing with the here and now of environmental degradation that threatens us all. The story follows the everyday experiences of ordinary people, while engaging with pollution, climate change, moorland mismanagement and the disruption, misery and loss that these things bring. The characters are fictitious; what's happening around them is shockingly real.

The Rise of Aurora West Dark Horse Comics

Since its first publication in 1998, Mary Talbot's Language and Gender has been a leading textbook, popular with students for its accessibility and with teachers for the range and depth it achieves in a single volume. This anticipated third edition has been thoroughly revised and updated for the era of #MeToo, genderqueer, Trump, and cyberhate. The book is organized into three parts. An introductory section provides grounding in early 'classic' studies in the field. In the second section, Talbot examines language used by women and men in a variety of speech situations and genres. The last section considers the construction and performance of gender in discourse, reflecting the interest in mass media and popular culture found in recent research, as well as the preoccupation with social change that is central to Critical Discourse Analysis. Maintaining an emphasis on recent research, Talbot covers a range of approaches at an introductory level, lucidly presenting sometimes difficult and complex issues. Each chapter concludes with a list of recommended readings, enabling students to further their interests in various topics. Language and Gender will continue to be an essential textbook for undergraduates and postgraduates in linguistics, sociolinguistics, cultural and media studies, gender studies and communication studies.

C Is for Cthulhu BHP Comics

From acclaimed writer/historian Mary M Talbot and graphic-novel pioneer Bryan Talbot comes Rain, a chronicle of the growing relationship of two young women, one an environmental activist, set against the backdrop of the disastrous 2015 floods in northern England. The wild Brontë moorlands are being criminally mismanaged as crops are being poisoned, and birds and animals are being

slaughtered. While the characters are fictional, the tragedy is shockingly real. Rain is the fourth graphic-novel collaboration between Mary M Talbot and husband Bryan Talbot, a partnership that has produced the award-winning Dotter of Her Father's Eyes, Sally Heathcote: Suffragette (with Kate Charlesworth), and The Red Virgin and the Vision of Utopia.

Sally Heathcote, Suffragette John Wiley & Sons

This book explores key areas of modern society in which language is used to form power and social relations. These are presented in five sections: Language and the Media, Language and Organisations, Language and Gender, Language and Youth, Multilingualism, Identity and Ethnicity. With a unique combination of selected readings and student-centred tasks in a single volume, the book covers contemporary issues in language and power, ranging from the global to the interpersonal. Each area - and each reading chosen to explore it - is substantially contextualised and discussed through a detailed introduction and then followed up with related activities. Each section comprises: *a substantial, specific introduction which draws students' attention to key themes and issues relevant to its topic; *a set of four or five selected readings which encourages students to locate critically these issues in context; *a task, or set of tasks, obliging students to undertake 'hands-on' linguistic analysis of data and engage in more sophisticated discussion of pertinent issues. *In-depth exploration of a variety of approaches to the study of language and power *Unique combination of advanced readings, student-centred tasks and editorial guidance *Hands-on activities at the end of each chapter

Alice in Sunderland Dark Horse Comics

The curtains of lesbian history from the 1950s to the present day are opened by celebrated cartoonist Kate Charlesworth, with a little help from Gilbert and Sullivan and a side of Nancy Spain. Sensible Footwear is a glorious political and personal history that gives Pride a run for its money; but, like Pride, it wears its heart at the centre, making the invisible visible, and celebrating lesbian lives from the domestic to the diva.

The Red Virgin and the Vision of Utopia Dark Horse Comics

From acclaimed writer/historian Mary M Talbot and graphic-novel pioneer Bryan Talbot comes Rain, a chronicle of the growing relationship of two young women, one an environmental activist, set against the backdrop of the disastrous 2015 floods in northern England. The wild Brontë moorlands are being criminally mismanaged as crops are being poisoned, and birds and animals are being slaughtered. While the characters are fictional, the tragedy is shockingly real. Rain is the fourth graphic-novel collaboration between Mary M Talbot and husband Bryan Talbot, a partnership that has produced the award-winning Dotter of Her Father's Eyes, Sally Heathcote: Suffragette (with Kate Charlesworth), and The Red Virgin and the Vision of Utopia.

Representation and Interaction Random House

From National Book Award winner Masha Gessen, the heroic story of Pussy Riot, who resurrected the power of truth in a society built on lies. On February 21, 2012, five young women entered the Cathedral of Christ the Savior in Moscow. In neon-colored dresses, tights, and balaclavas, they performed a "punk prayer" beseeching the "Mother of God" to "get rid of Putin." They were quickly shut down by security, and in the weeks and months that followed, three of the women were arrested and tried, and two were sentenced to a remote prison colony. But the incident captured international headlines, and footage of it went viral. People across the globe recognized not only a fierce act of political confrontation but also an inspired work of art that, in a time and place saturated with lies, found a new way to speak the truth. Masha Gessen's riveting account tells how such a phenomenon came about. Drawing on her exclusive, extensive access to the members of Pussy Riot and their families and associates, she reconstructs the fascinating personal journeys that transformed a group of young women into artists with a shared vision, gave them the courage and imagination to express it unforgettably, and endowed them with the strength to endure the devastating loneliness and isolation that have been the price of their triumph.

Media Discourse New York Review of Books

In this book, Mary Talbot shows how fiction works in the constitution and reproduction of social life. She discusses both 'high' and 'low' fiction, combining discussion of social context with language analysis. Examples are taken from children's tales, romance, horror and science in her language analysis.

Rain Dark Horse Comics

The Adventures of Luther Arkwright, first serialised in 1978, is considered by many to be the first British graphic novel. Praised by many writers and artists, including Alan Moore, Neil Gaiman, Jean Giroud (Moebius) and Michael Moorcock, the ground-breaking, experimental adult SF story was a seminal work, inspiring and influencing many comic creators. Its sequel, Heart Of Empire, was published in 2001. Both books have been continually in print since they were first published. Set fifty years later, The Legend of Luther Arkwright is another stand-alone story. While still maintaining total continuity with the Arkwright mythos, it is a different kind of adult adventure. Pursued across multiple historically divergent parallel worlds, both utopian and dystopian, and facing a far superior adversary, Arkwright battles to save humanity from mass destruction; his only edge is his experience and force of will. The Legend of Luther Arkwright, beautifully drawn by master storyteller and Eisner Award-winning comics creator Bryan Talbot, is a milestone in British comics history.

Sally Heathcote, Suffragette Macmillan

Lauded novelist Margaret Atwood and acclaimed artist Johnnie Christmas collaborate on one of the most highly anticipated comic book and literary events of the year. On a dark night, young genetic engineer Strig Feleedus is accidentally mutated by his own experiment and merges with the DNA of a cat and an owl. What follows is a humorous, action-driven, pulp-inspired superhero adventure - with a lot of cat puns.

Madgermanes Dark Horse Comics

Who really knows what goes on behind closed cat-flaps? The cat's out of the bag when Sophie and Nick discover their pet, Fred, has been leading a double life. By day he's the laziest cat in the world - but by night he's a singing superstar. . .

Angel Catbird Grandville Series

From acclaimed writer Mary M. Talbot and graphic-novel pioneer Bryan Talbot comes The Red Virgin and the Vision of Utopia, a portrait of revolutionary feminist Louise Michel, who took up arms against a French regime that executed thousands. Deported to a penal colony, Michel joined the cause of the indigenous population against colonial oppression. * Mary M. Talbot, writer of Dotter of Her Father's Eyes and Sally Heathcote Suffragette is a scholar of international acclaim who has published

widely on language, gender, and power, particularly in relation to media and consumer culture. * Artist Bryan Talbot is one of the pioneers of the graphic novel, whose works include *The Adventures of Luther Arkwright*, *The Tale of One Bad Rat*, *Alice in Sunderland*, and the *Grandville* series.

Freedom Bound Dark Horse Comics

A story of loyalty, love, and courage, Sally Heathcote, *Suffragette* follows a common housemaid swept up in the feminist militancy of Edwardian Britain. Costa Award winners Mary and Bryan Talbot and acclaimed illustrator Kate Charlesworth craft a gripping inside story of depth, drama, and detail that brings history to life. * Mary Talbot, PhD (*Dotter of Her Father's Eyes*), is an internationally acclaimed scholar and author. * Layouts by Bryan Talbot (*Tale of One Bad Rat*, *Dotter of Her Father's Eyes*)!

Art and Anarchy in the UK Cargo Publishing

It's simple—comics are fun. Whether fifteen or fifty, we love sitting down with a comic book, losing ourselves in a universe filled with wonder and excitement. But comics offer much more than meets the eye, and in *Comics Unmasked*, Paul Gravett and John Harris Dunning look beyond the notion of

comics as pleasure reading to focus on their inherently anarchic nature. Gravett and Dunning have combed the British Library's extensive comic collection not only to explore the full potential of the medium but also to single out the critical points in history in which the art form challenged the status quo. Featuring newly discovered Victorian comics alongside some of the biggest names in comics today, including Alan Moore (*Watchmen*, *V for Vendetta*), Neil Gaiman (*Sandman*), Mark Millar (*Kick-Ass*), and Grant Morrison (*Batman: Arkham Asylum*), *Comics Unmasked* explores the political and social issues raised by British comics and their creators over the last century, from violence and drugs to class and sexuality. Published to accompany a British Library exhibition that will be the United Kingdom's largest exhibit of British comics to date, *Comics Unmasked* will delight comics enthusiasts around the world, offering them the chance to discover a different—perhaps darker side—of the medium.

Grandville Bete Noire Penguin

Aurora West, daughter of Arcopolis's last great hero, seeks to uncover the mystery of her mother's death, and to find her place in a world overrun with monsters and corruption.
