The night promises more than one encounter for Sherry... In *Come Out Tonight*, Richard Laymon writes a chilling horror story full of suspense, dark humour and a deadly killer. Perfect for fans of Stephen King and Dean Koontz. 'A grisly cocktail of horror, murder and mayhem laced with Laymon's distinct blend of black humour. Great stuff' - Yorkshire Evening Press
Sherry's getting nervous. When Duane left for the 24-hour Speed-D-Mart, he said he'd be back in ten minutes. But that was twenty minutes ago, and that store isn't someplace you'd generally want to go at this time of night. Then Sherry hears a noise from up the street. It could have been a car door slamming. Or a backfire. But it sounded like a gunshot. Sherry tells herself she has nothing to worry about. Still, she puts on her clothes and heads out into the night. She's afraid of what she'll find, but she has no idea of what's really in store for her. If she did, she would never have left the safety of her home. And she never would have met a madman named Toby Bones... What readers are saying about *Come Out Tonight*: 'It will have you gripped from start to finish and you won't want to put it down. The excitement and tension is out of this world' 'Sheer brilliance. The way the story keeps twisting and turning kept me turning the pages so fast I left scorch marks' 'Five stars'

It's the twenty-first century and the ugliness of war no longer exists, except on a very personal level. Nowadays, people like Marcello Polletti, seller of Roman sunsets, and Caroline Meredith, lithe, beautiful, blond, and backed by corporate sponsors and the Roy Bell Dancers, hunt, chase, and kill one another for sport and for the entertainment of the masses—until something oddly like personal human feelings pops up to confuse the players and up the stakes as each of them seeks to kill a tenth victim and rise in the ranks of the hunters. From the very beginning of

his career, Robert Sheckley was recognized by fans, reviewers, and fellow authors as a master storyteller and the wittiest satirist working in the science fiction field. Open Road is proud to republish his acclaimed body of work, with nearly thirty volumes of full-length fiction and short story collections. Rediscover, or discover for the first time, a master of science fiction who, according to the New York Times, was "a precursor to Douglas Adams."

Layil "Lily" Bishop is about to learn that some family secrets are better left buried... Lily had never met her father - there was no way she could have known he ran the largest televangelist network on the east coast. Neither was she aware of the hidden army he'd created - an army he would use to destroy her, should he discover the existence of a forbidden daughter. But when her grandmother suddenly disappears, Lily is forced to search for answers she may not want to find.

This is the whole story of how Stephen King's Richard Bachman came to life, and when King finally had to "give up the ghost" and come forth with the truth - that he was writing under the pseudonym of Richard Bachman. This of course came about when the fifth novel, "Thinner," was released and a reader discovered King's pseudonym. Now Michael Collings takes us from the beginnings of this unusual fiction side show of Stephen King's body of work, to what we understand will be the last Bachman release, "The Regulators." Or will it? Updated and completely revised with new information and Richard Bachman releases since it's original publication almost 20 years ago. Chapters Featured: A History for Richard Bachman; Genre, Theme, and Image in Richard Bachman; Rage ; The Long Walk ; Roadwork ; The Running Man ; Thinner ; Regulators and Desperation ; Pipe-Dreams and Possibilities.

Stephen McCauley's much-loved novels *The Object of My Affection* and *The Easy Way Out* prompted The New York Times Book Review to dub him "the secret love child of Edith Wharton and Woody Allen." Now McCauley stakes further claim to that title -- and more -- with a rich and deftly funny novel that charts the unpredictable terrain of family, friends, and fathers. Thirty-five-year-old Clyde Carmichael spends too much time at things that make him miserable: teaching at a posh but flaky adult learning center; devouring forgettable celebrity biographies; and obsessing about his ex-lover, Gordon. Clyde's other chief pursuit is dodging his family -- his maddeningly insecure sister and his irascible father, who may or may not be at death's door. Clyde's in danger of becoming as aimless as Marcus, his handsome (and unswervingly straight) roommate, who's spent ten years on one dissertation and far too many fizzled relationships. Enter Louise Morris. Clyde's old friend and Marcus's onetime lover is a restless writer and single mother, who shows up with Ben, her son and a neurotic dog in tow. The looming question of Ben's paternity nudges Clyde back into the orbit of his own father -- and propels our endearing hero into the kind of bittersweet emotional terrain that McCauley captures so well.

Her name was Vera Mae, and she had been around these dusty tank towns too long—working the two-bit rodeos and cozying up to suckers, like this fat tourist in the bar. Oh God, she thought, I can con him and ditch him by nine-thirty, but what then? Sit in a hotel room. Get drunk and pass out. I'll be an old bag before I'm thirty. That was Vera Mae: fed up and ripe for trouble, when a lean ex-bronc rider named Lonnie drifted in from the desert...
