Storm Front Over Atlantis  
Dynamite Entertainment  
A tornado has destroyed a small Minnesota community and among the missing are not only a group of students but PEAK Rescue team leader Chet King. Ty Remington will stop at nothing to rescue his mentor, not even when the girl he loved--and lost--walks back into his life. But Brette needs his help more than he knows, despite her stubborn determination to push him away. And when he gets a second chance, loving her just might cost him more than he can imagine. A blogger for Vortex Storm Chasers, Brette Arnold didn't expect her adventures to land her in the same place as Ty, the guy who she walked--no, ran--from over a year ago.

She had her reasons--good ones. The kind that tell her that falling for him again would only lead to heartache. But Ty isn't the kind of man to give up--not on the missing students, or on her. Life and love hang in the balance in Susan May Warren's breathless story of holding on to hope during a deadly summer of storms.

Storm Front Del Rey/Dabel Brothers  
They were average kids looking for something to do. Today they started killing people. A modern-day Bonnie and Clyde are on the run through rural Minnesota--victim by victim they're having the time of their lives. But when Bureau of Criminal Apprehension investigator Virgil Flowers joins the hunt for the thrill-hungry kids, things take a shocking detour.

Storm Front (The Dresden Files #bk 1). Penguin

An all-new Dresden Files story headlines this urban fantasy short story collection starring the Windy City's favorite wizard. The world of Harry Dresden, Chicago's only professional wizard, is rife with intrigue--and creatures of all supernatural stripes. And you'll make their intimate acquaintance as Harry delves into the dark side of truth, justice, and the American way in this must-have short story collection. From the Wild West to the bleachers at Wrigley Field, humans, zombies, incubi, and even fey royalty appear, ready to blur the line between friend and foe. In the never-before-published "Zoo Day," Harry treads new ground as a dad, while fan-favorite characters Molly Carpenter, his onetime apprentice, White Council Warden Anastasia Luccio, and even Bigfoot stalk

through the pages of more classic tales. With twelve stories in all, *Brief Cases* offers both longtime fans and first-time readers tantalizing glimpses into Harry's funny, gritty, and unforgettable realm, whetting their appetites for more to come from the wizard with a heart of gold. The collection includes:

**Storm Front** National Geographic Books  
 \*One of Bloomberg's Best Books of the Year\* The master geopolitical forecaster and New York Times bestselling author of *The Next 100 Years* focuses on the United States, predicting how the 2020s will bring dramatic upheaval and reshaping of American government, foreign policy, economics, and culture. In his riveting new book, noted forecaster and bestselling author George Friedman turns to the future of the United States. Examining the clear cycles through which the United States has developed, upheaved, matured, and solidified, Friedman breaks down the coming years and decades in thrilling detail. American history must be viewed in cycles—particularly, an eighty-year "institutional cycle" that has defined us (there are three such examples—the Revolutionary War/founding, the Civil

War, and World War II), and a fifty-year "socio-economic cycle" that has seen the formation of the industrial classes, baby boomers, and the middle classes. These two major cycles are both converging on the late 2020s—a time in which many of these foundations will change. The United States will have to endure upheaval and possible conflict, but also, ultimately, increased strength, stability, and power in the world. Friedman's analysis is detailed and fascinating, and covers issues such as the size and scope of the federal government, the future of marriage and the social contract, shifts in corporate structures, and new cultural trends that will react to longer life expectancies. This new book is both provocative and entertaining.

Foreword by George R. Hunsberger How does one authentically hear and

live out the gospel in North America? This new book attempts to answer this question in a way that reveals much about the nature of Christian faith today and its relation to contemporary culture. In keeping with the aims of the acclaimed *Gospel and Our Culture* series, StormFront investigates how the gospel intersects American culture and seeks to reorient the church to its full and proper missional vocation. Four authors noted for their understanding of modern church life offer a sober yet hopeful critique of American culture that focuses on consumerism and the privatization of religion, and they challenge the Christian church to embrace its corporate task to be salt and light to the world.

Amid the many books on the subject, this one is distinctive in its concern for application. By contrasting contemporary life with a thoroughgoing reading of the biblical narrative, the authors help American Christians discern how our cultural location makes it difficult to live out the transformative message of the gospel. Few readers will fail to be engaged by the lessons offered here. [Jim Butcher's Dresden](#)

The second installment in acclaimed Black-Ops thriller author Leo J. Maloney's spin-off series featuring Alex Morgan, daughter of Zeta operative Dan Morgan. *STORM FRONT Ares*, an insidious challenger to the Zeta group, is sowing conflict around the world, orchestrating an explosive endgame. Identifying the next target as a cruise ship on the Coral Sea, Zeta sends undercover operatives Alex Morgan and Alicia Schmitt to avert catastrophe. Infiltrating the crew and passengers is easy for the skilled agents—but also for the fortified and highly trained extremists, who topple security and gain control of the ship. The attackers' demands: inconceivable. Their threats: immediate. As a massive storm bears down off the Australian coast, Alex and Alicia are outnumbered, outgunned, and out to sea. In full chaos mode, Alex shores up her last defenses, unaware that someone close to her could shift the odds in her favor—or against her. Ares has every advantage in this operation, but they have overlooked one key thing. Never underestimate a

Zeta agent . . . especially one whose last name is Morgan. Praise for Leo J. ### **Welcome to the Jungle**

Baen Publishing Enterprises  
NATIONALLY BEST-SELLING AUTHOR. A snow storm of epic proportions shuts down the town of Sheridan, Michigan. The weather is dangerous enough on its own. But the bad weather has blown something even deadlier into town, and a duo of sadistic killers is on the loose. No one thought much about the storm. Not the National Weather Service and not the big-name meteorologists. Experienced local weatherman Wally Wellman thought there might be trouble, but even he couldn't predict the natural disaster that was about to lay siege to the quiet suburb of Sheridan, Michigan. Now, with resources stretched to their breaking point, Sheridan police officer Mike Stuart must try to

keep the town safe. But there something is lurking in Sheridan. Something as cold as the snow and ice, and just as deadly. A pair of escaped convicts, on the run south, have been stranded in town. But they don't plan on laying low. And as the death toll rises, Officer Stuart must face down enemies far more dangerous  $\frac{3}{4}$ and unpredictable  $\frac{3}{4}$ than any storm. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Independently Published  
"One of the most enjoyable marriages of the fantasy and mystery genres on the shelves," (Cinescape) the Dresden Files have become synonymous with action-packed urban fantasy and nonstop fun. Fool Moon continues the adventures of Jim Butcher's most famous—and infamous—reluctant hero... You'd think there'd be a little more action for the only professional wizard listed in the Chicago phone book. But lately, Harry Dresden hasn't been able to dredge up any kind of work: magical, mundane, or menial. Just when it looks like he can't afford his next meal, a murder

comes along that requires his particular brand of supernatural expertise. There's a brutally mutilated corpse, and monstrous animal markings at the scene. Not to mention that the killing took place on the night of a full moon. Harry knows exactly where this case is headed. Take three guesses—and the first two don't count...  
Storm Front: The Gathering Storm MIRA OPERATION STORMFRONT: FROM WEATHERMAN TO WALL STREET is a blending of fact and fiction. Evelyn "Eve" Black is an undercover FBI Special Agent, but she's not a very good one. She often breaks cover, loses her temper, and kills a few too many people. She has an opportunity to go undercover as a terrorism researcher/author to infiltrate American terrorist cells, weapons dealers, and to use her position in the FBI to take revenge on a few people, but her inability to stay undercover causes more roadblocks than she can handle alone. It's not really her fault, in order to succeed she must become friendly, flirty and fun, all while wanting to pull out her gun and shoot them. An ex-lover called

her a broken, cold-hearted sociopath, and while there may be a bit of truth to that statement, Eve's only real fault is that she cares too much and is not afraid to take action. Join Eve as she plots, plans, and manipulates others to do her bidding. Not with a smile on her face, but with a Glock and an imagination. She teams up with her new friends, a beautiful Israeli weapons trainer and a seedy little arms dealer to execute a few unsanctioned side jobs. Eve is not a hero or villain, she is an ordinary human, dealing with everyday problems, and prefers to hide in the shadows, so maybe she is a bit too emotional at times, but aren't we all?

Shell-shocked after a nightmarish school shooting, Amalie Pope retreats to an aging plantation house near Bordelaise, Louisiana, to heal, physically and emotionally. She's there barely an hour when a tornado rips through bayou country, mercifully leaving the house intact.

She's stranded, but unafraid—until a knock on the door. Four escaped prisoners barge inside, and in an instant Amalie is a hostage again. These men are wounded, desperate and dangerous—with one exception. Undercover DEA operative Nick Aroyo is on the run with the gang he's infiltrated. The only thing he wants more than this collar is to protect fragile, frightened Amalie, who has surrendered herself to his care, body, soul...and heart. But he'll have to play the thug in order to keep her—and his secret—safe, because even though the storm has passed, the danger remains....
