Rejection Exposed

Charisma Media

Janet Warren Lane has been a Christian for 54 years, a school teacher

for 15 years, a minister's wife for 33 years, a mother of four grown and married children who are all involved in ministry and/or missions, and a grandmother of 8 and counting! For most of that time she was unaware of Satan's most formidable weapon used against Christians - Fiery Darts. Since becoming aware of this weapon, Satan's motives for using it, and

how to wield the power of God's Word against it, Janet's release from years of captivity has been wondrously secured. Most people agree that negative thinking can have a debilitating effect on a person's life. But just knowing this does little to help combat such thinking. By comparing negative thinking to the weapon of fiery darts, Janet exposes the weapon and the tactics used by Satan to

manipulate. After the weapon and its tactics are exposed, detailed instructions are given as to how to counter-attack and live life free from the bondage negative thinking can impose.

have been in the Bible all along? Dr. Wright spent decades learning the spiritual roots of disease and blocks to healing. In his journey, he discovered that there is a spiritual root issue in about 80 percent of all diseases, which is a direct result of a breakdown in our relationship with God, ourselves, or others. Through his groundbreaking teachings, he helped hundreds of thousands to experience

wholeness in their lives. If you have recently received a diagnosis or have been struggling with your health for years, there is hope and healing ahead. "Dr. Henry Wright destroys the lie that we are helpless victims of diseases.... Do you struggle with anger, fear, anxiety, depression, addictions, or other out-of-control behaviors? Do you fear failure or the rejection of others? Do you live feeling that God is not pleased with you or that those around

do not love you? Are you frustrated because nothing you've tried seems to help? It may be that you have been going after the fruit without getting to the root of the issue. Rejection Exposed demonstrates that rejection is at the root of most struggles in your life. Rejection is a spiritual force from the enemy of your soul that seeks to bring separation and make you

believe you are less than perfectly accepted and loved by God and those you love. From personal experience and years of ministry, Anthony Hulsebus has discovered there is way to defeat this cycle in your life. You will learn how rejection works in your life and how you can live free from the fear of rejection, fear of failure, and fear of being alone. You will learn, for perhaps the very first time,

how to truly be a son or a daughter of God and not just a servant. Rejection is a powerful spiritual force, but there is a greater spiritual force: the love of your heavenly father. Also see the Rejection Exposed Workbook, which takes an action-oriented approach, helping you to put into practice what you learn in Rejection Exposed.
